

THE REGRET SHOP

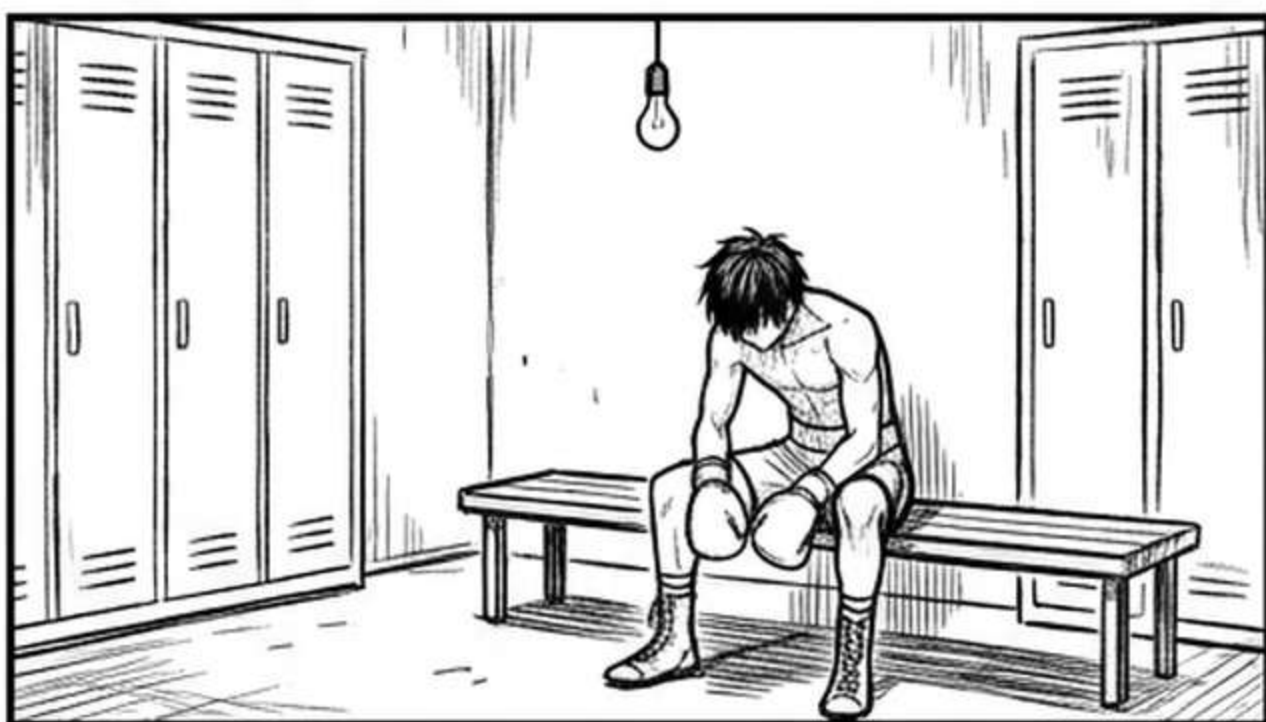

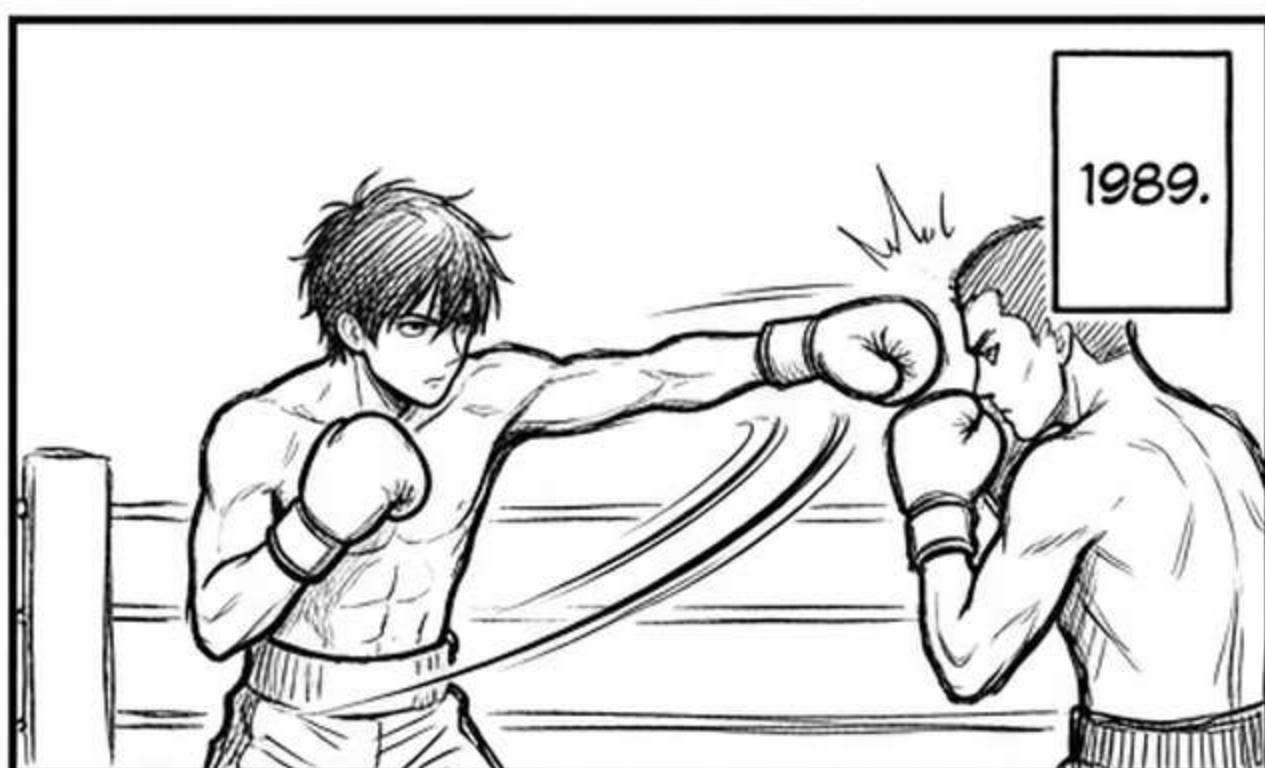

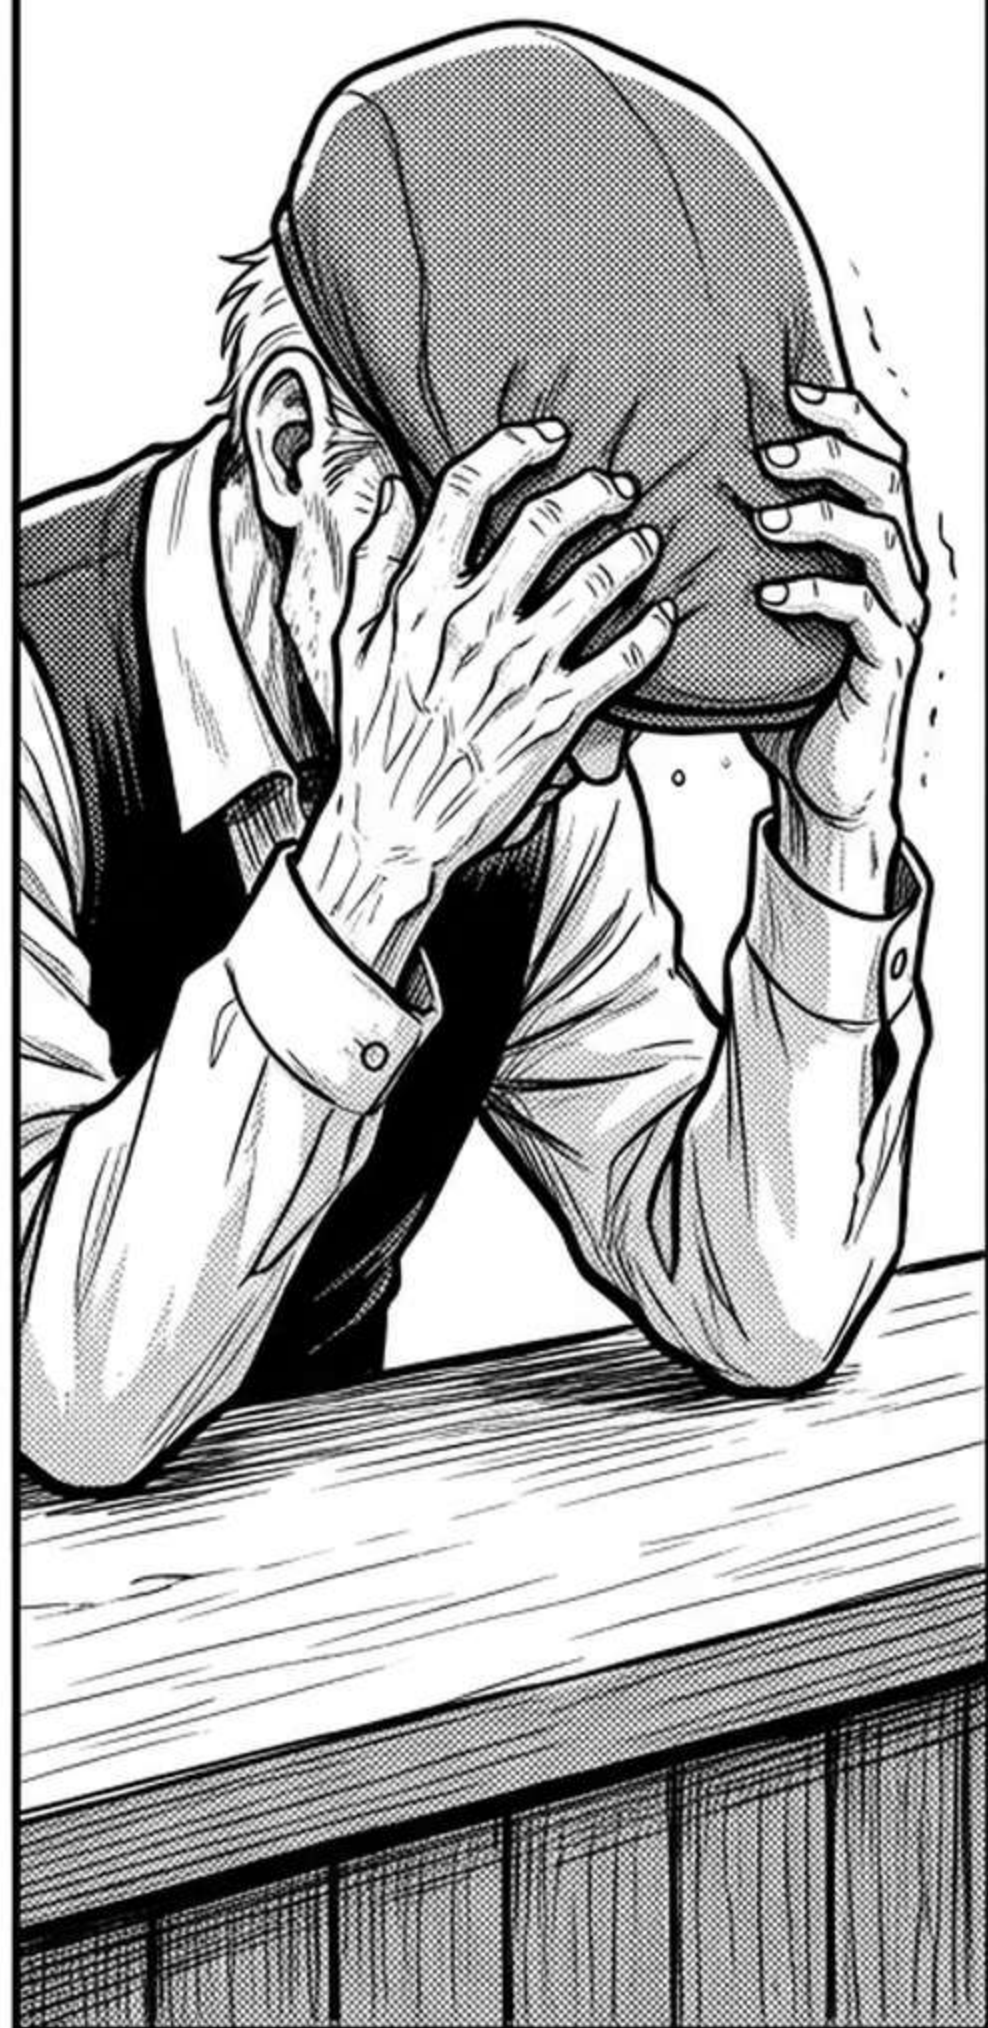

VOLUME 1

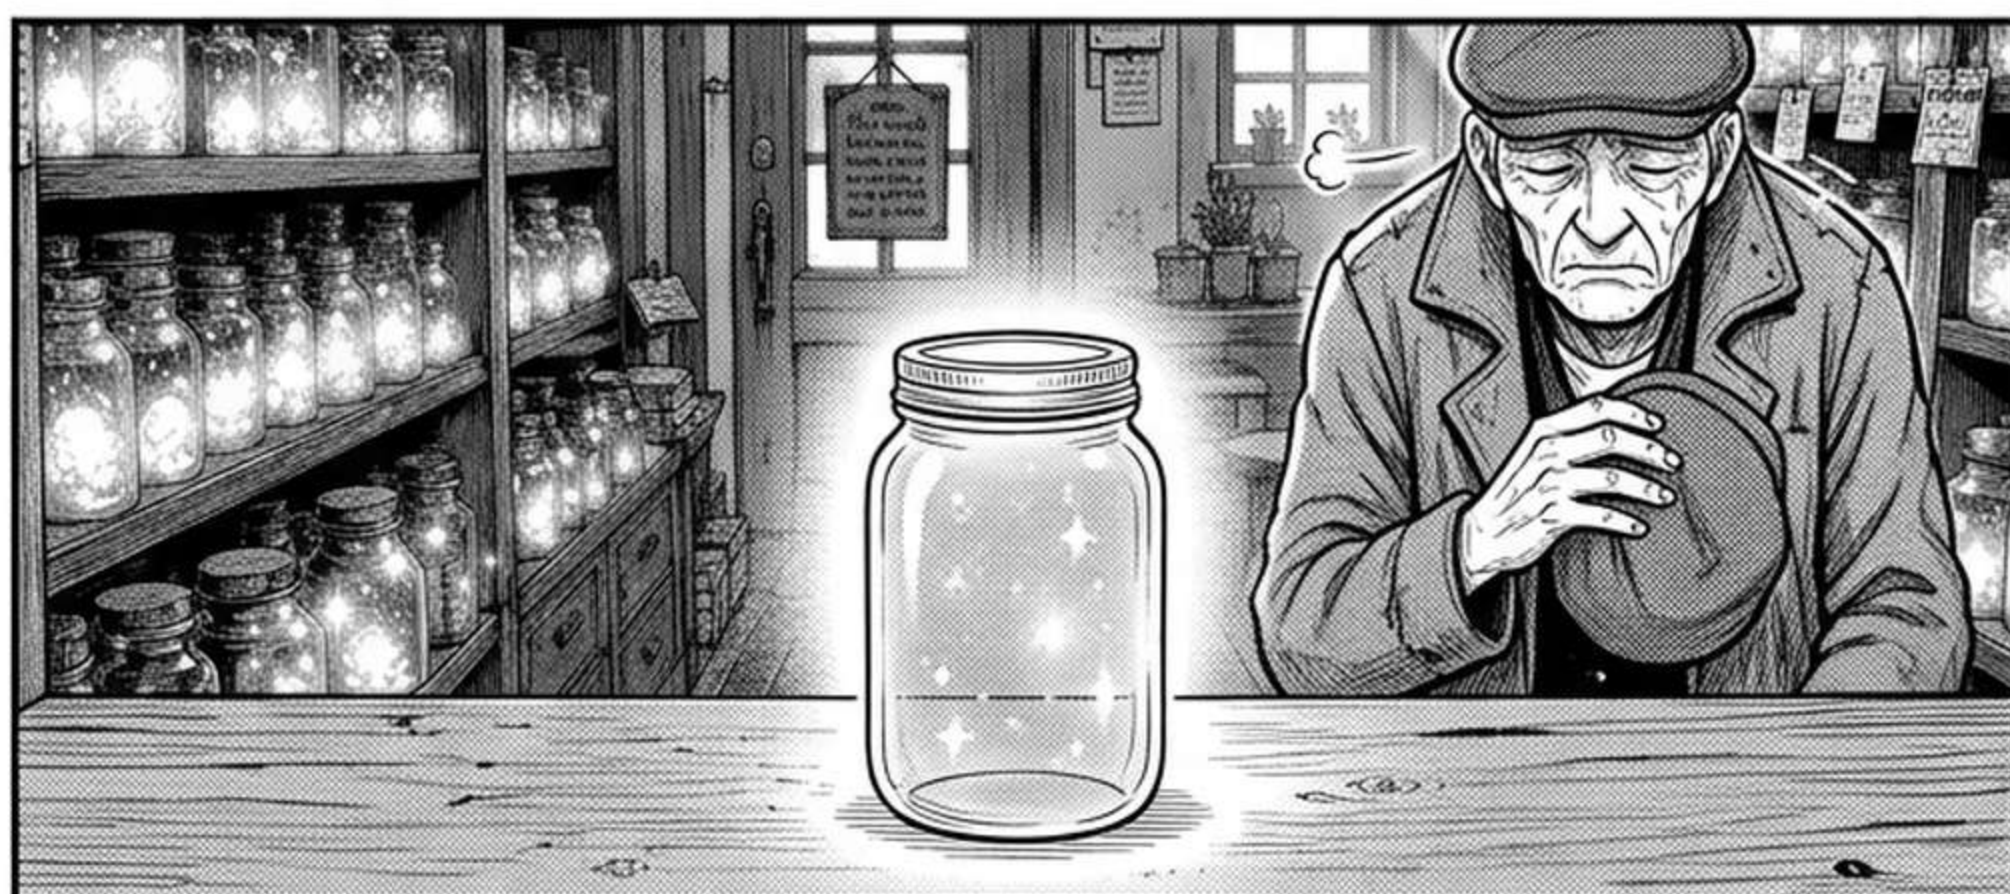

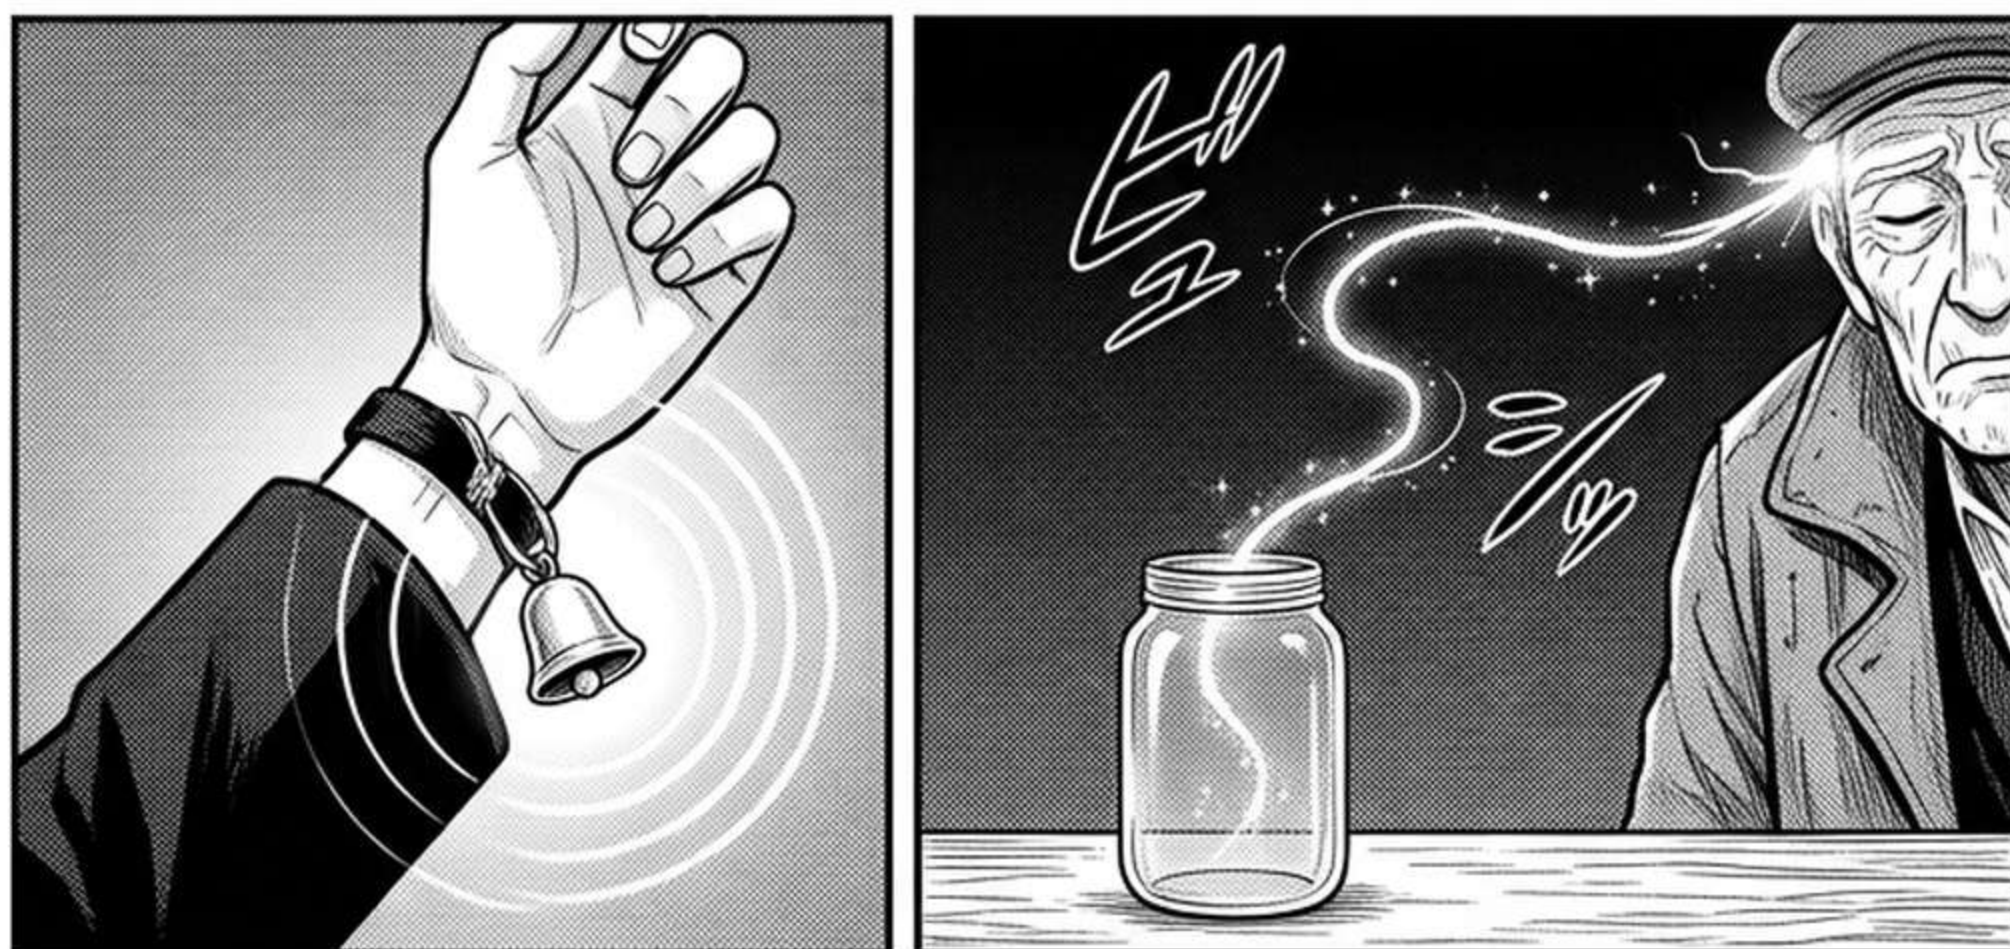

EPOCH
COMICS

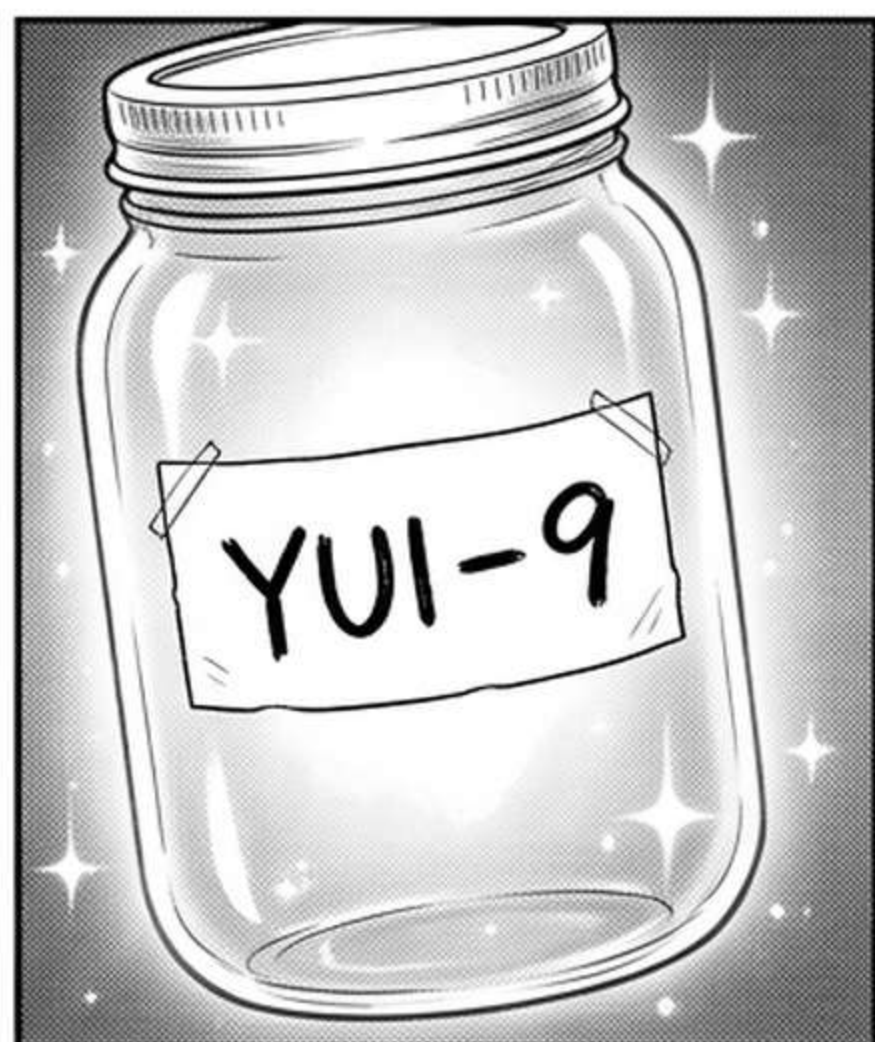

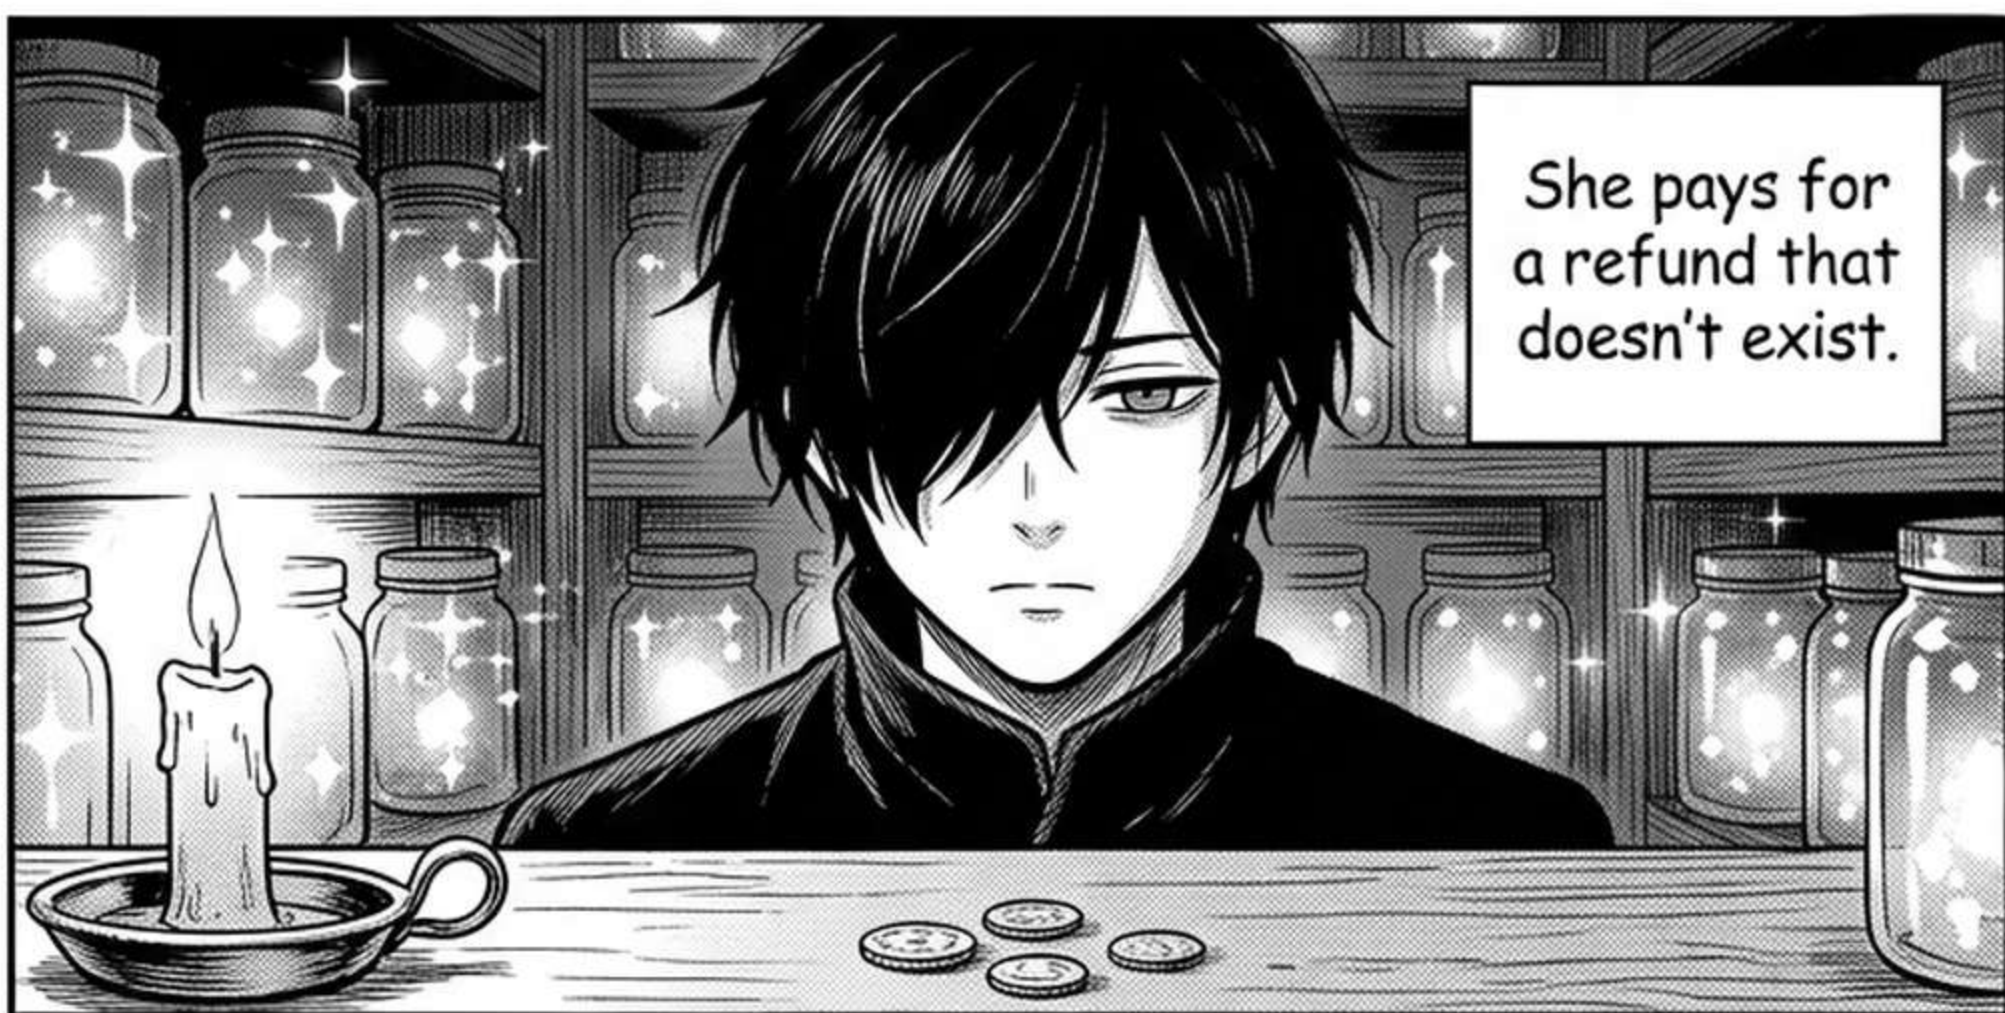

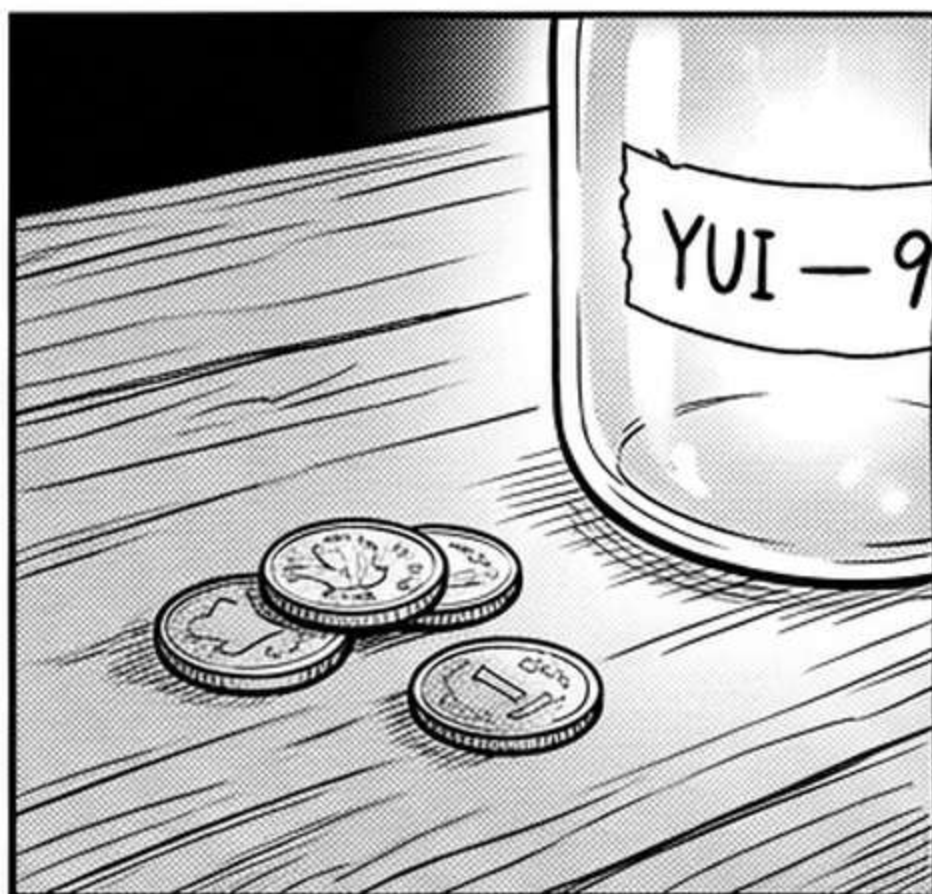

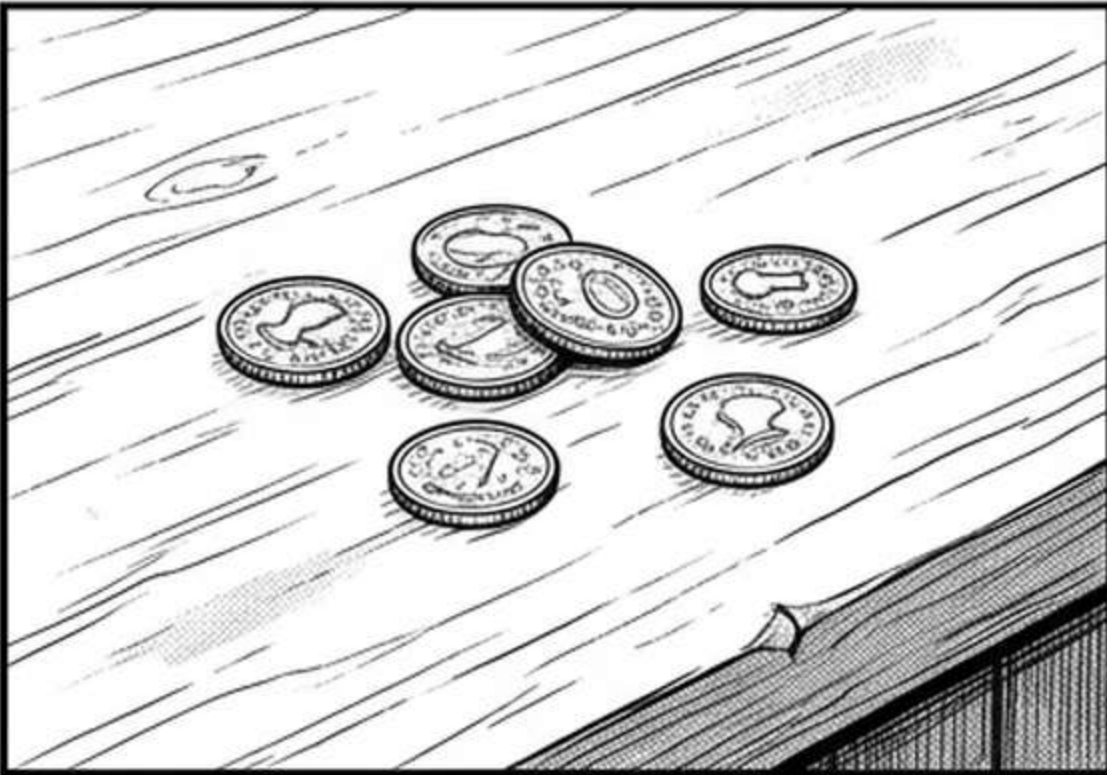

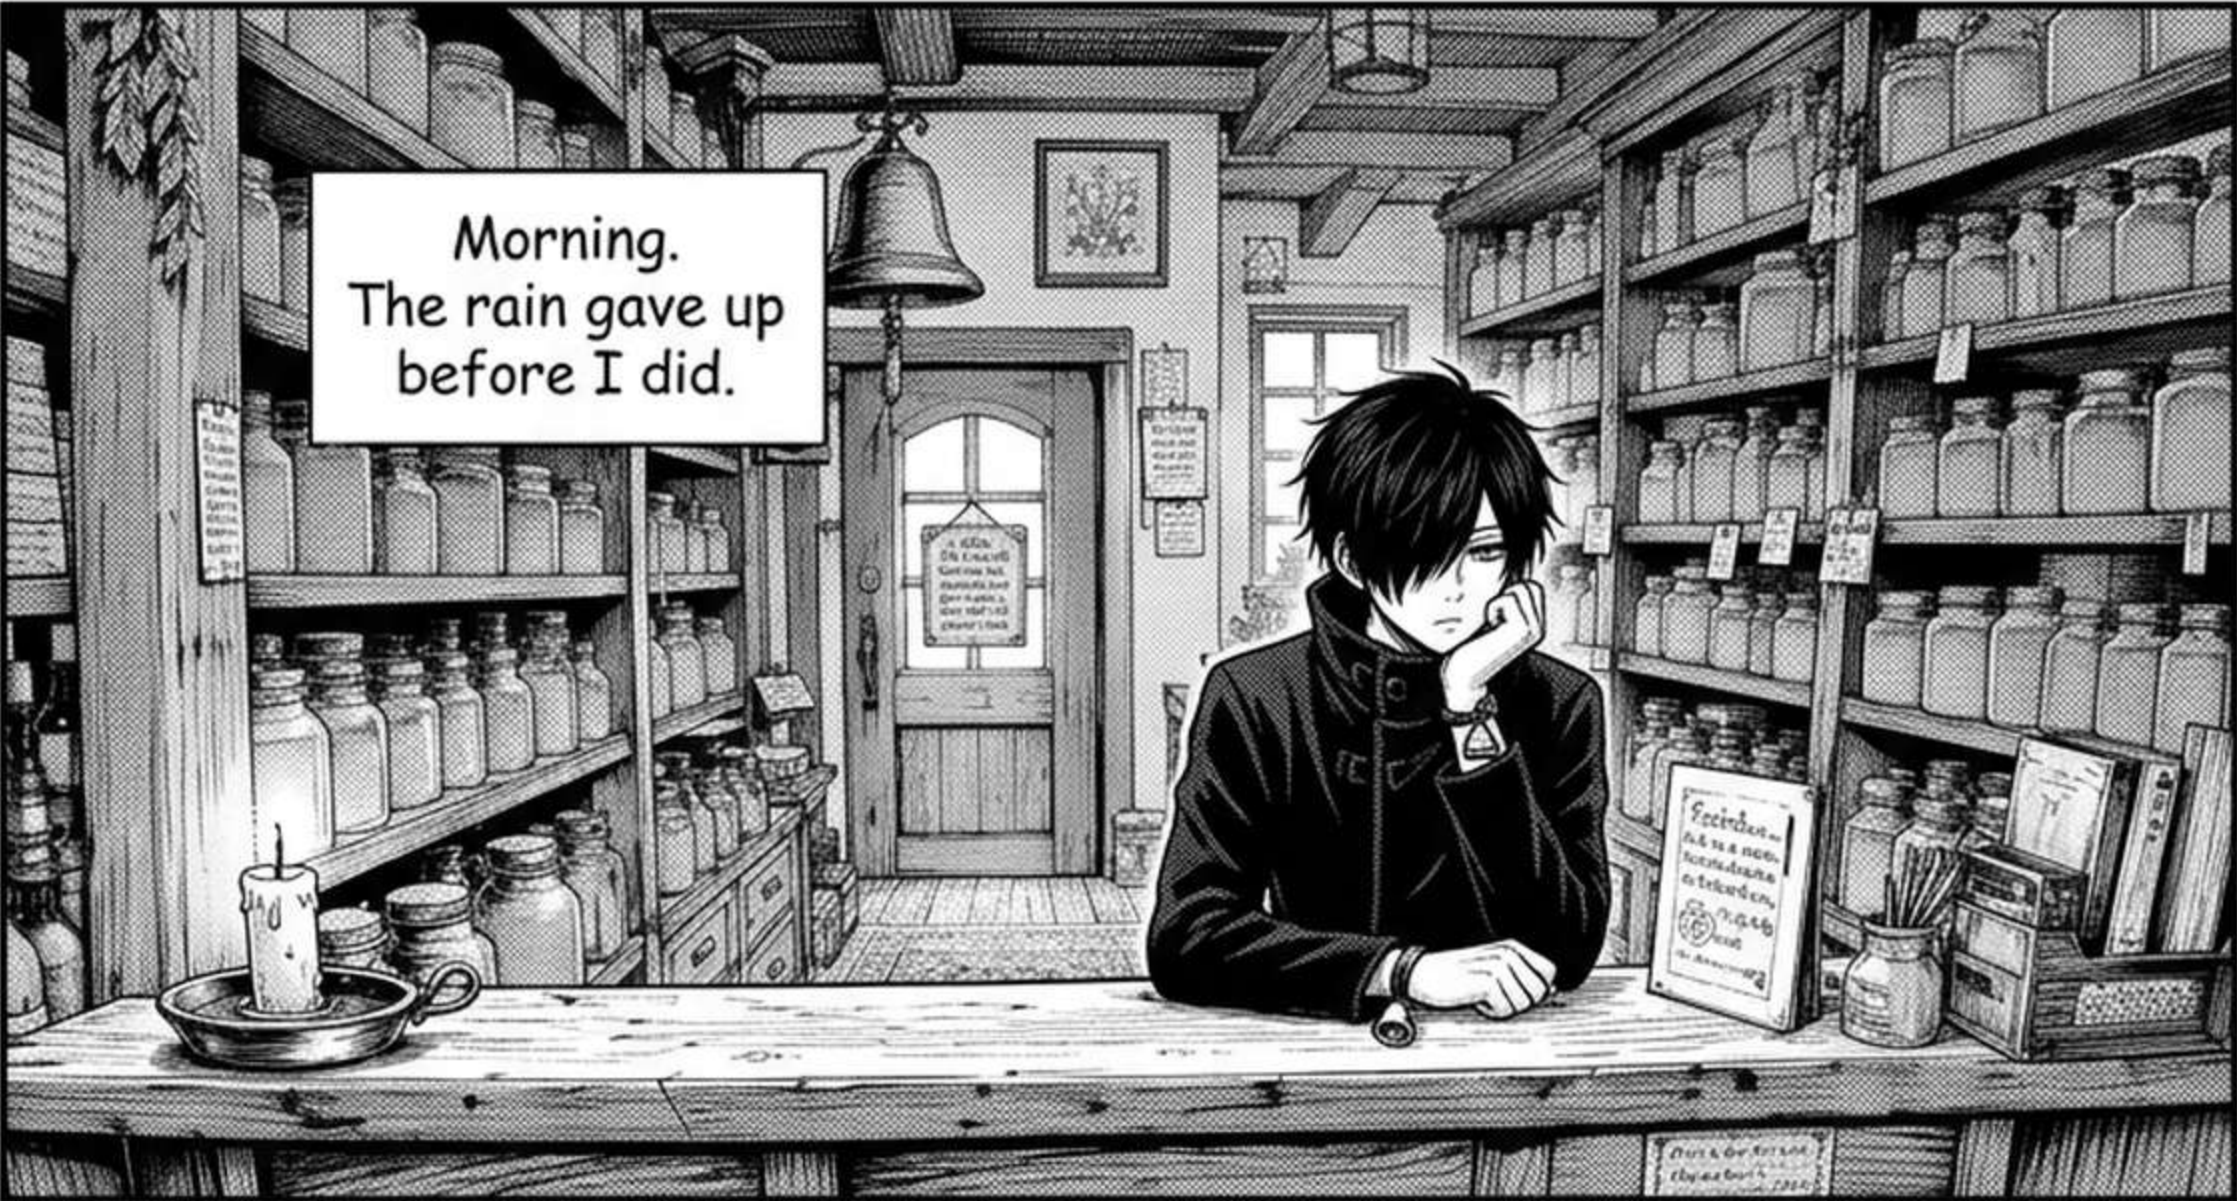

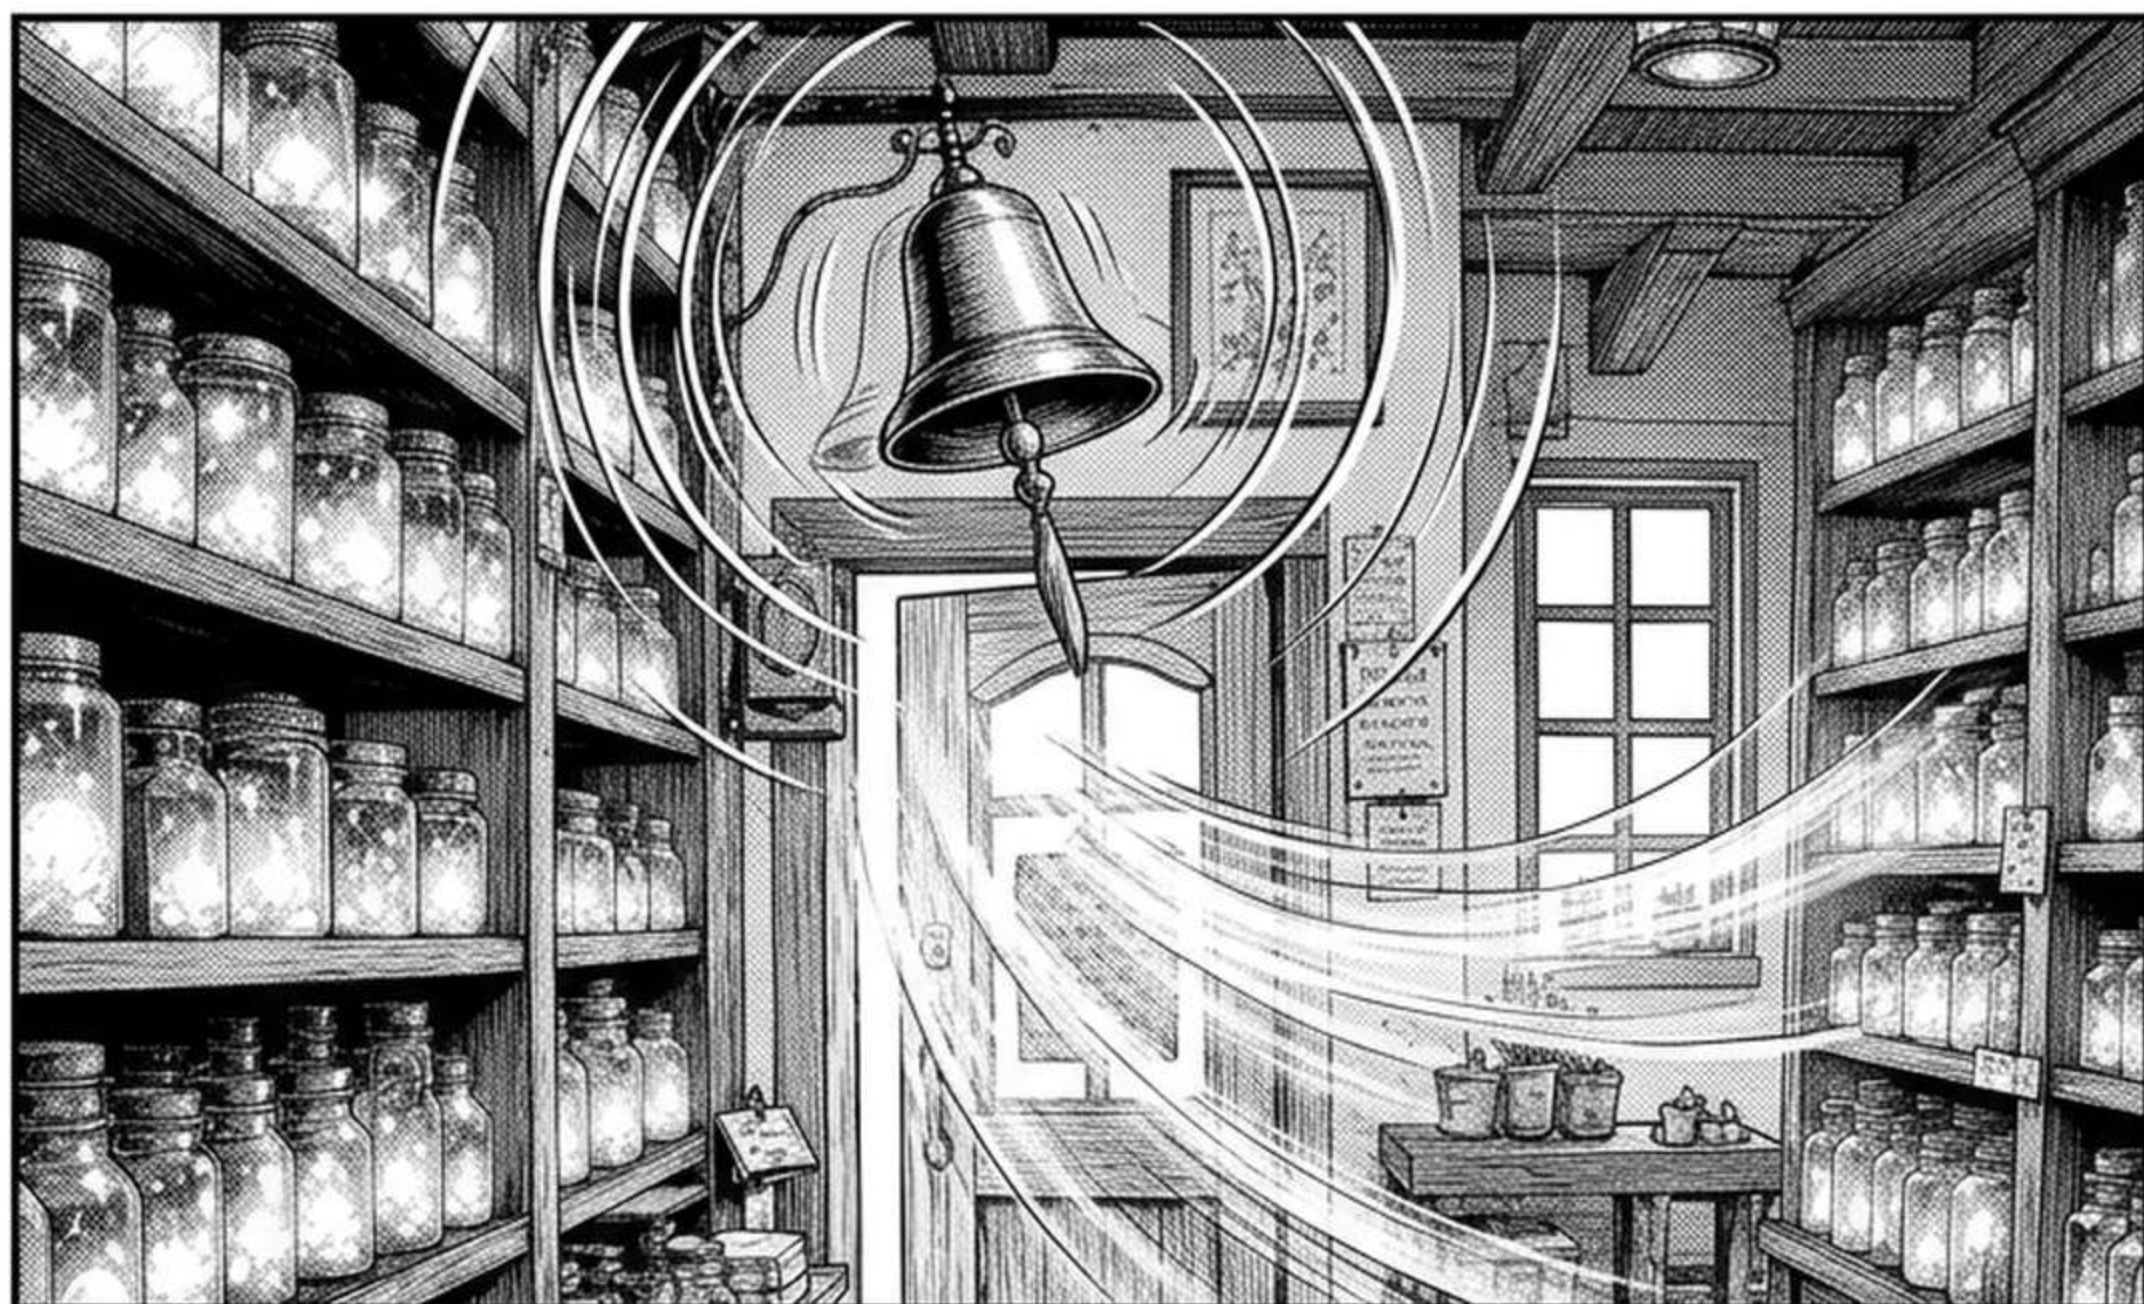

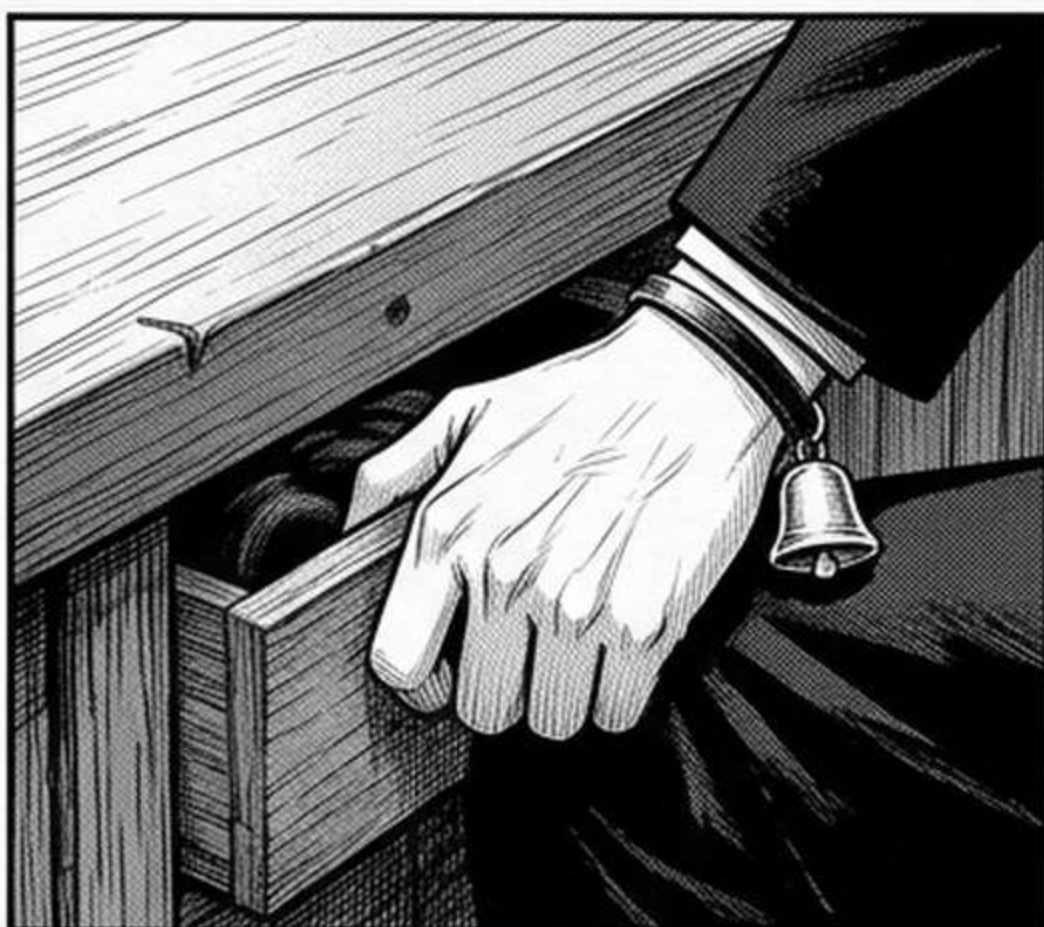

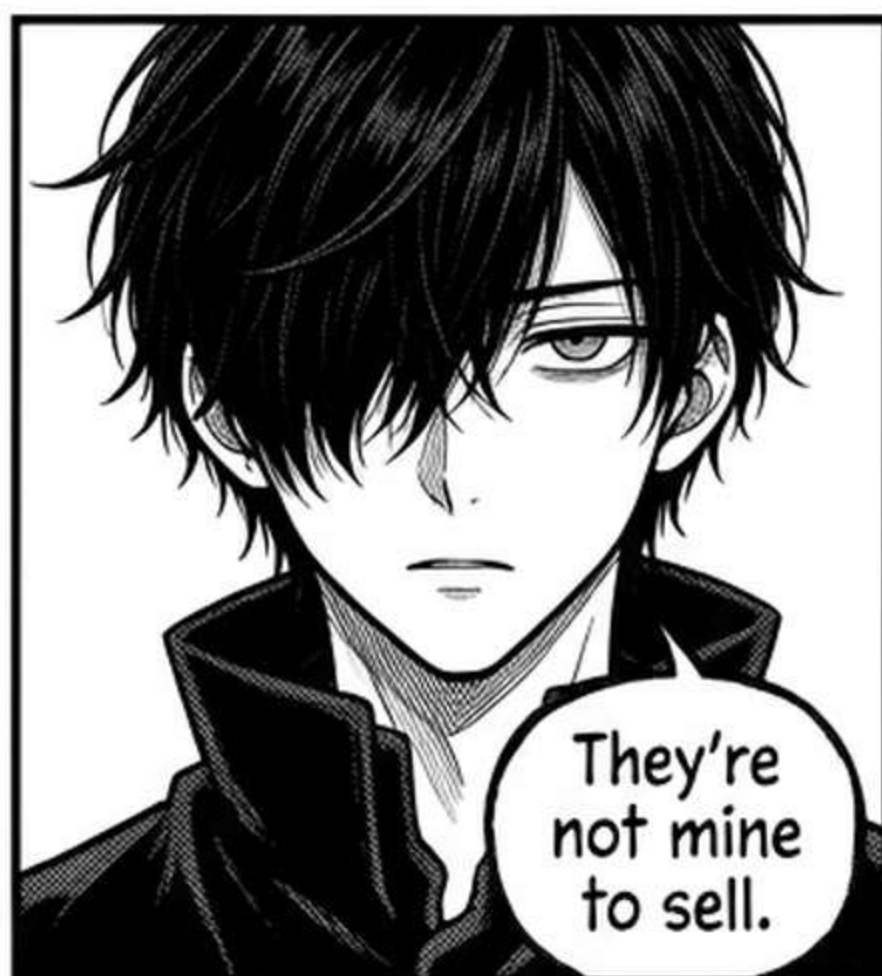

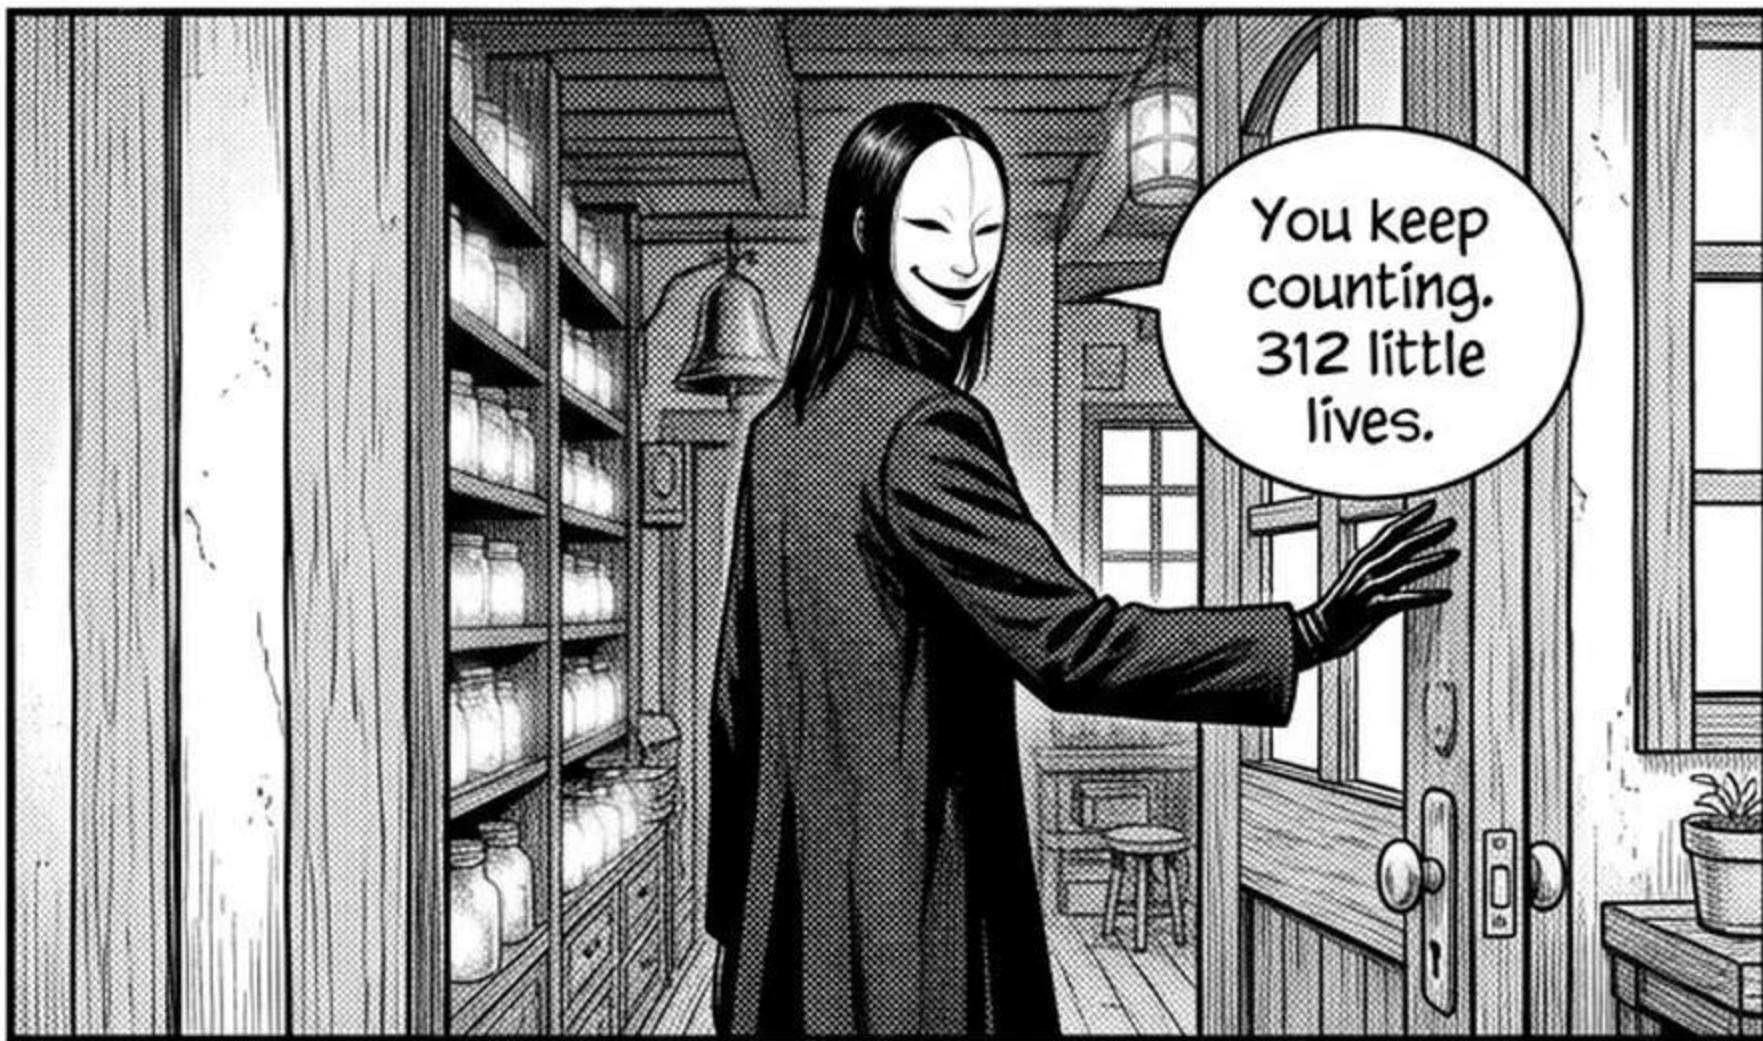

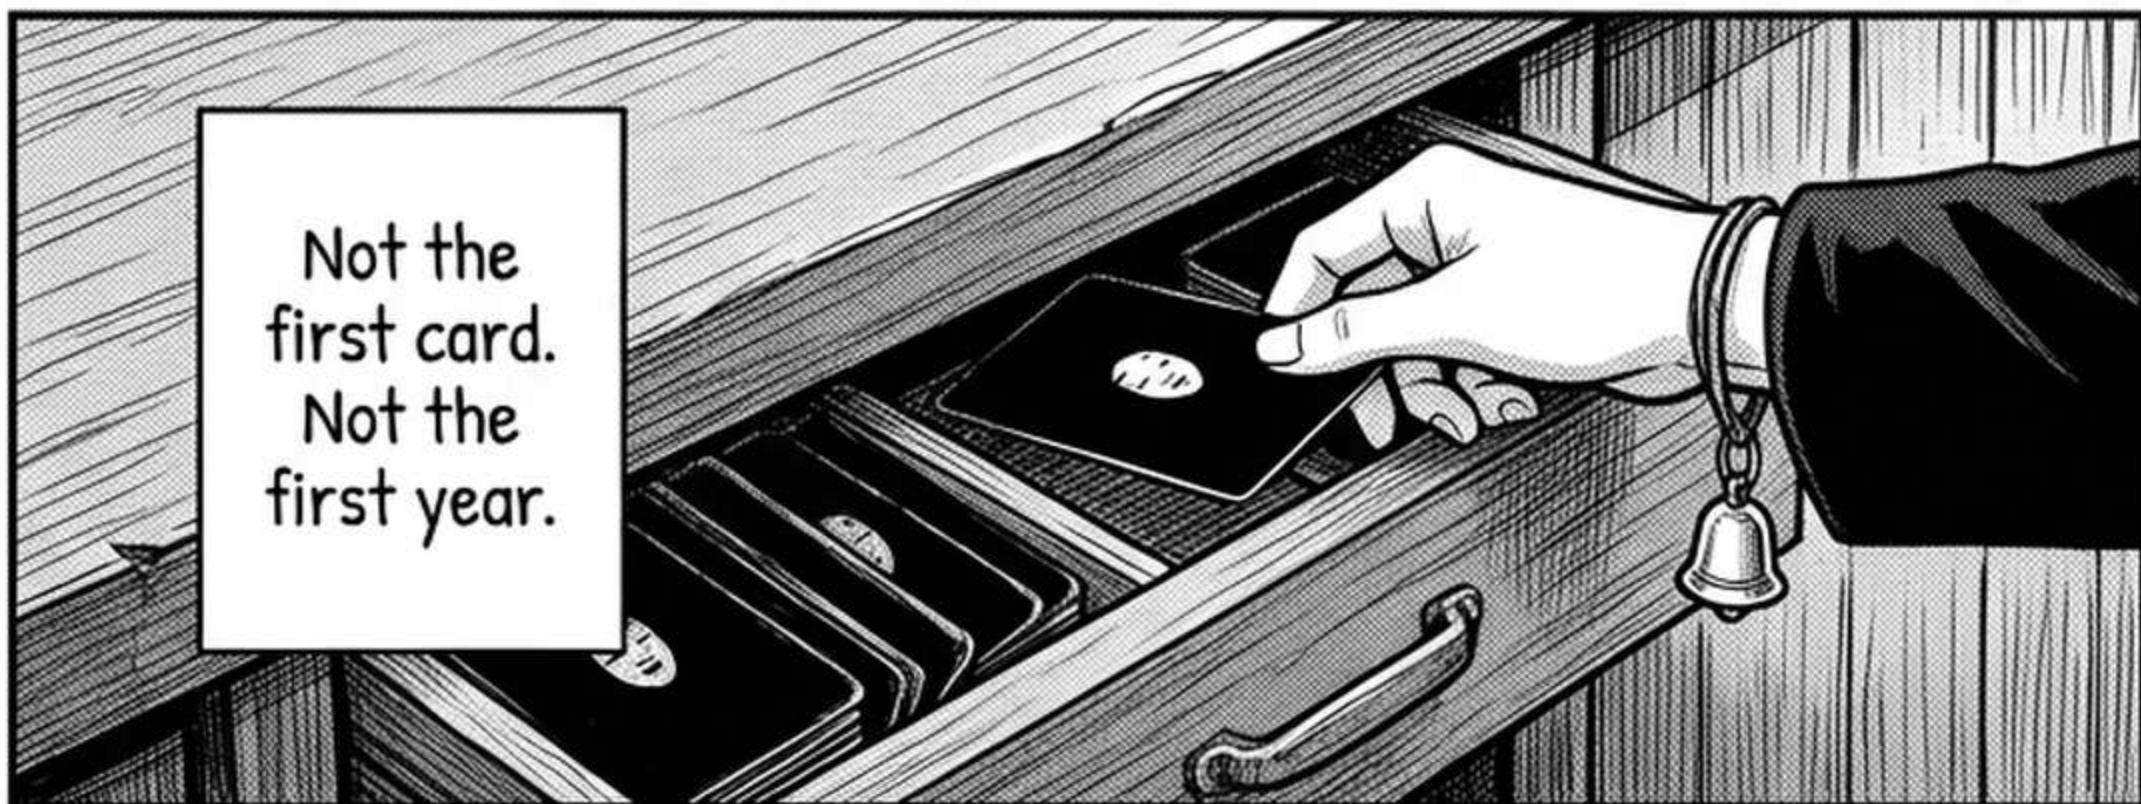

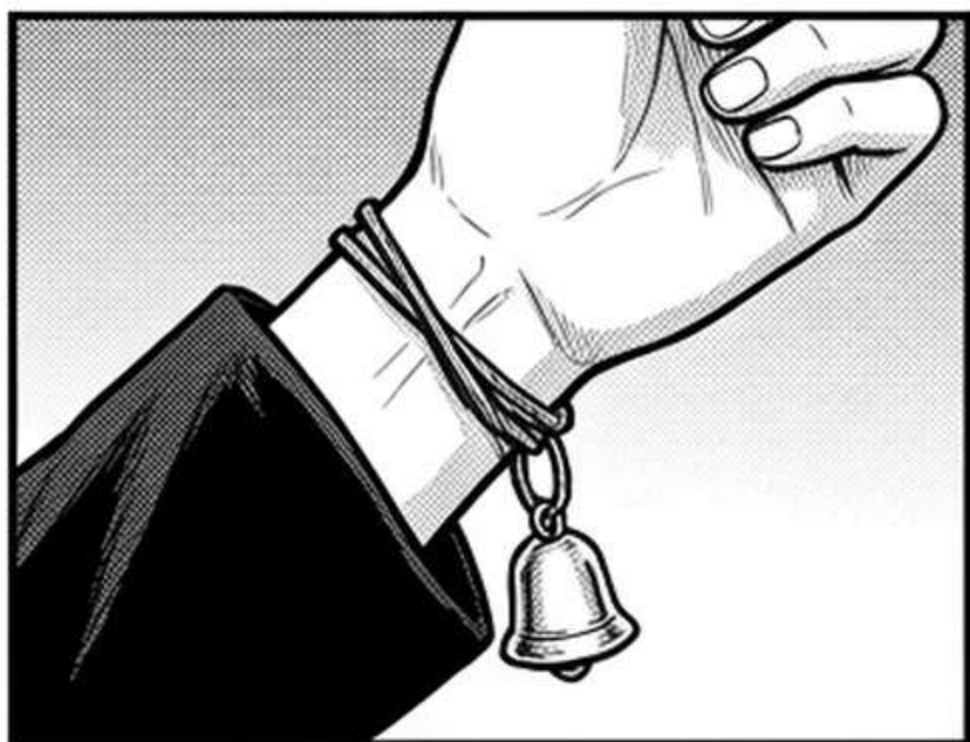

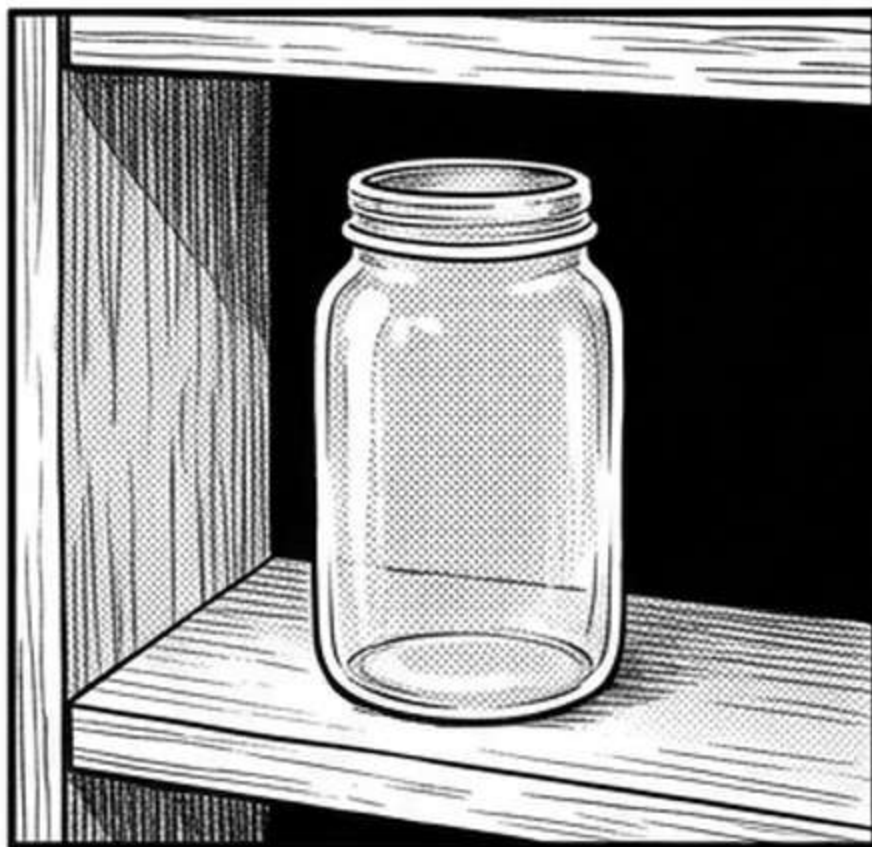

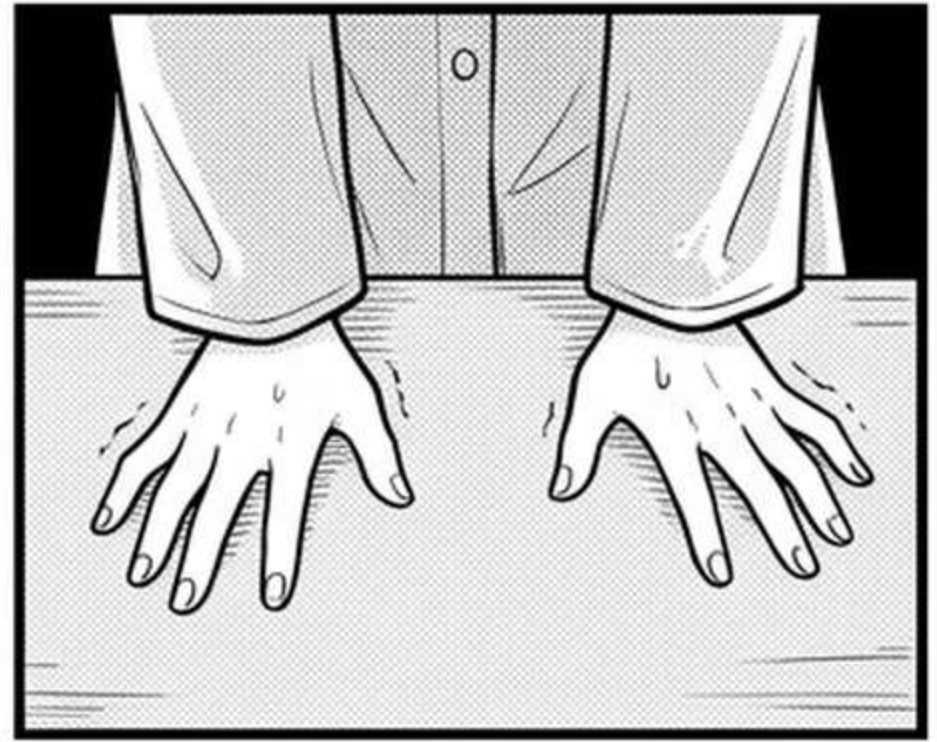

Not the
first card.
Not the
first year.

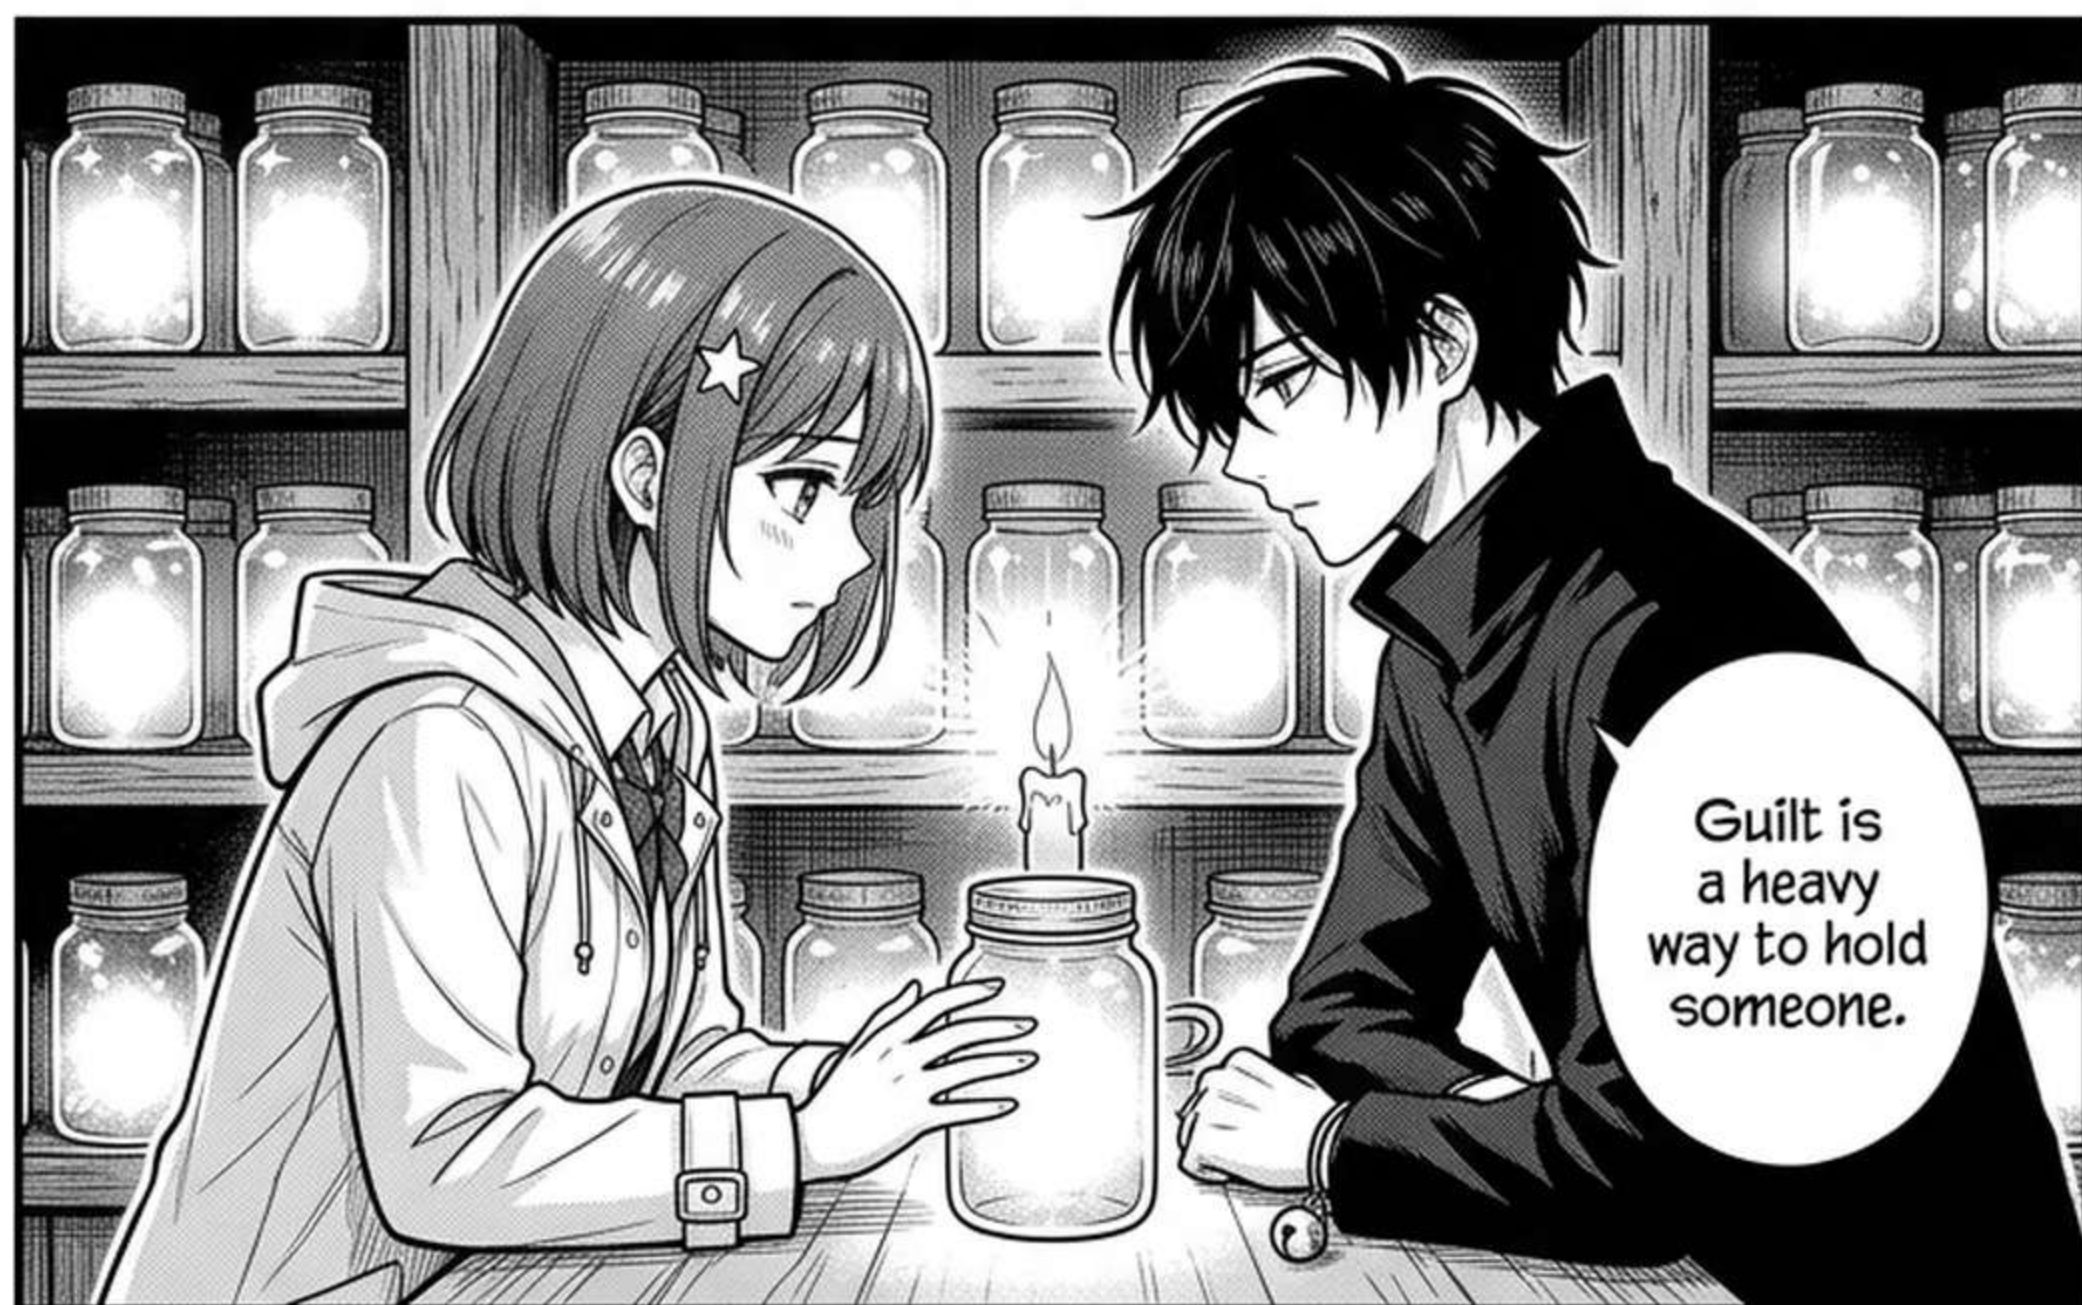

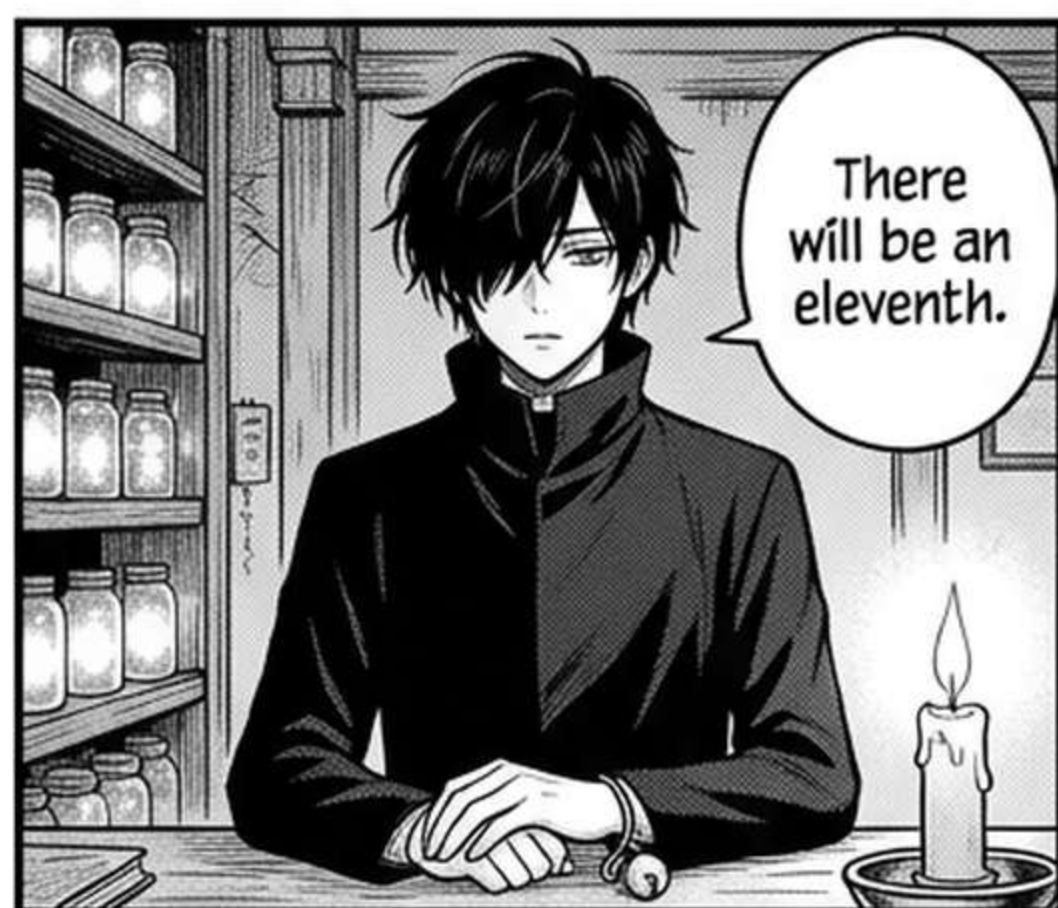

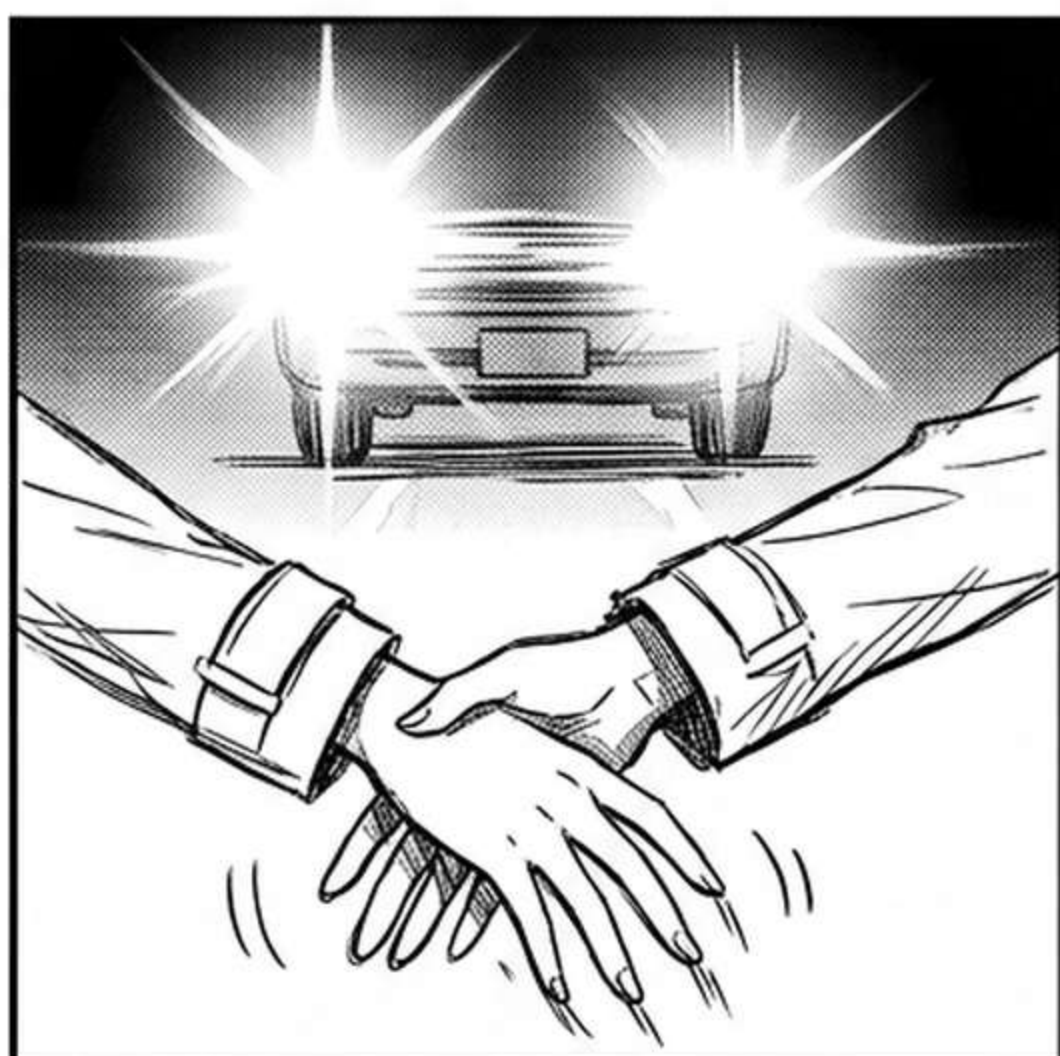

312 regrets.
One question.

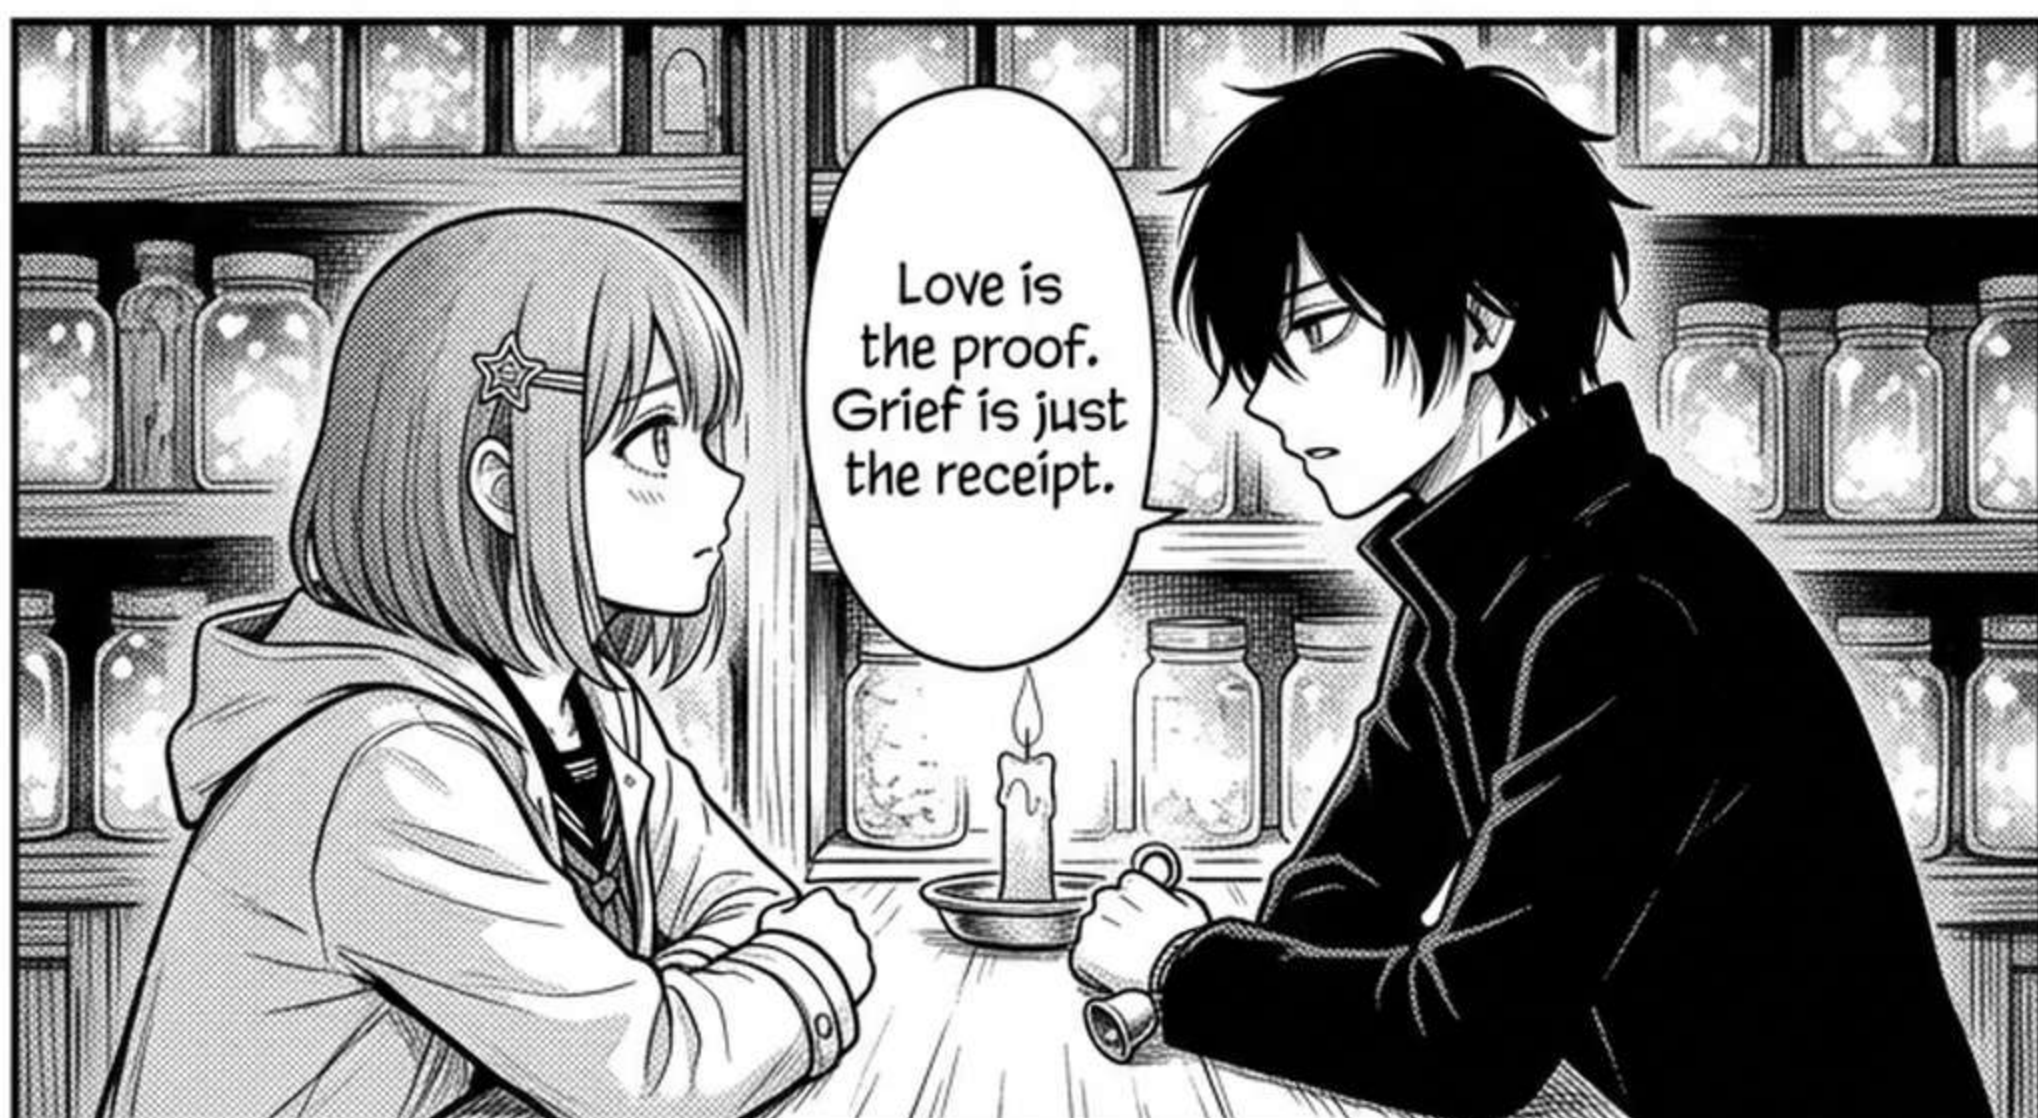

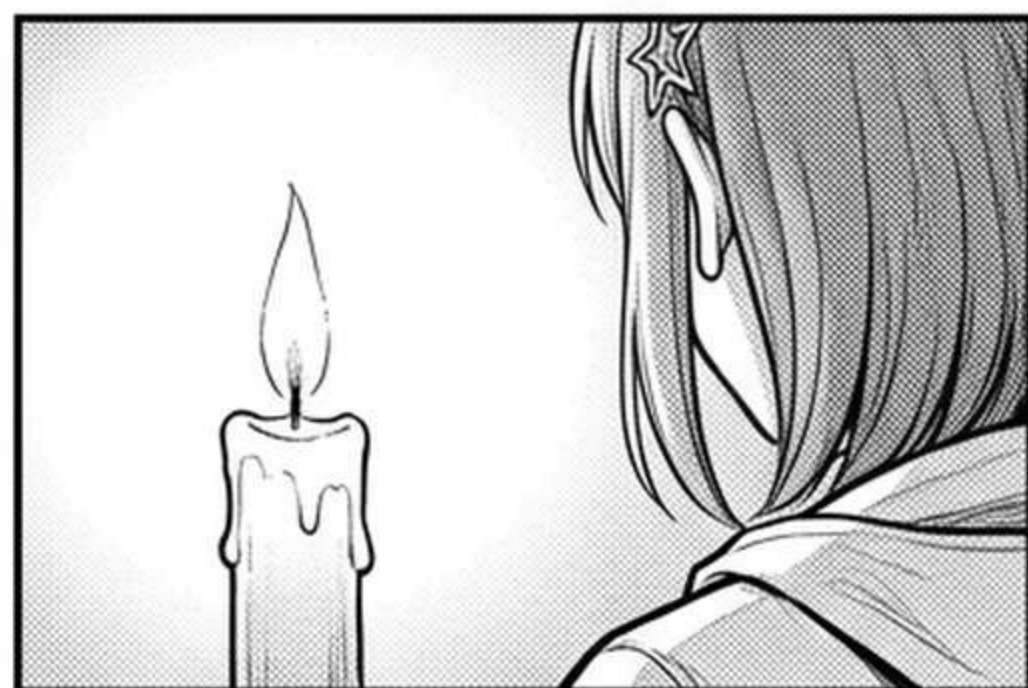

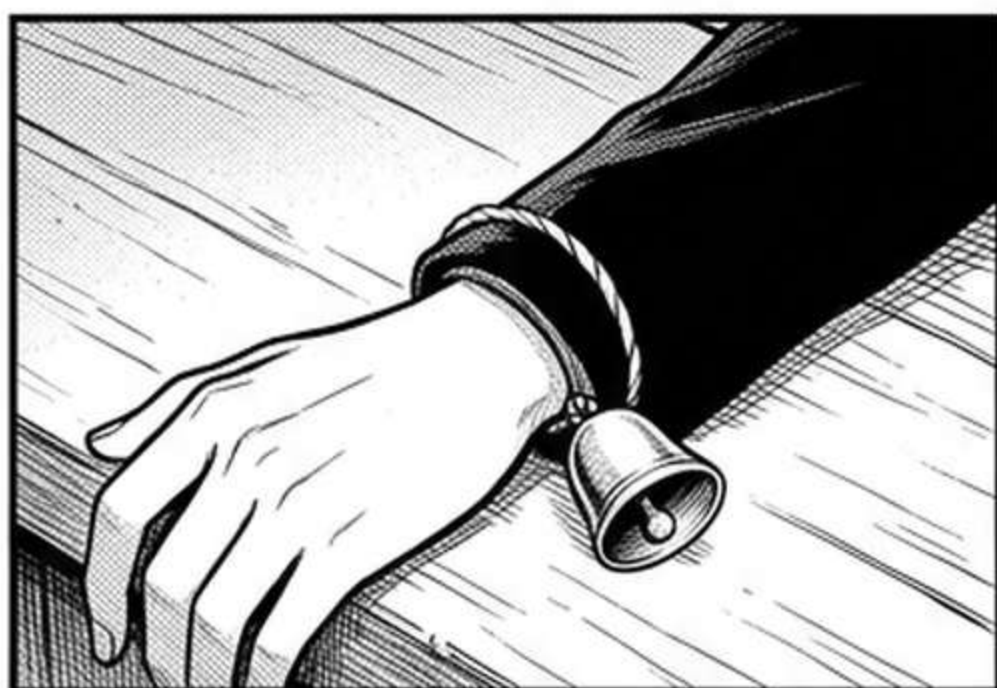

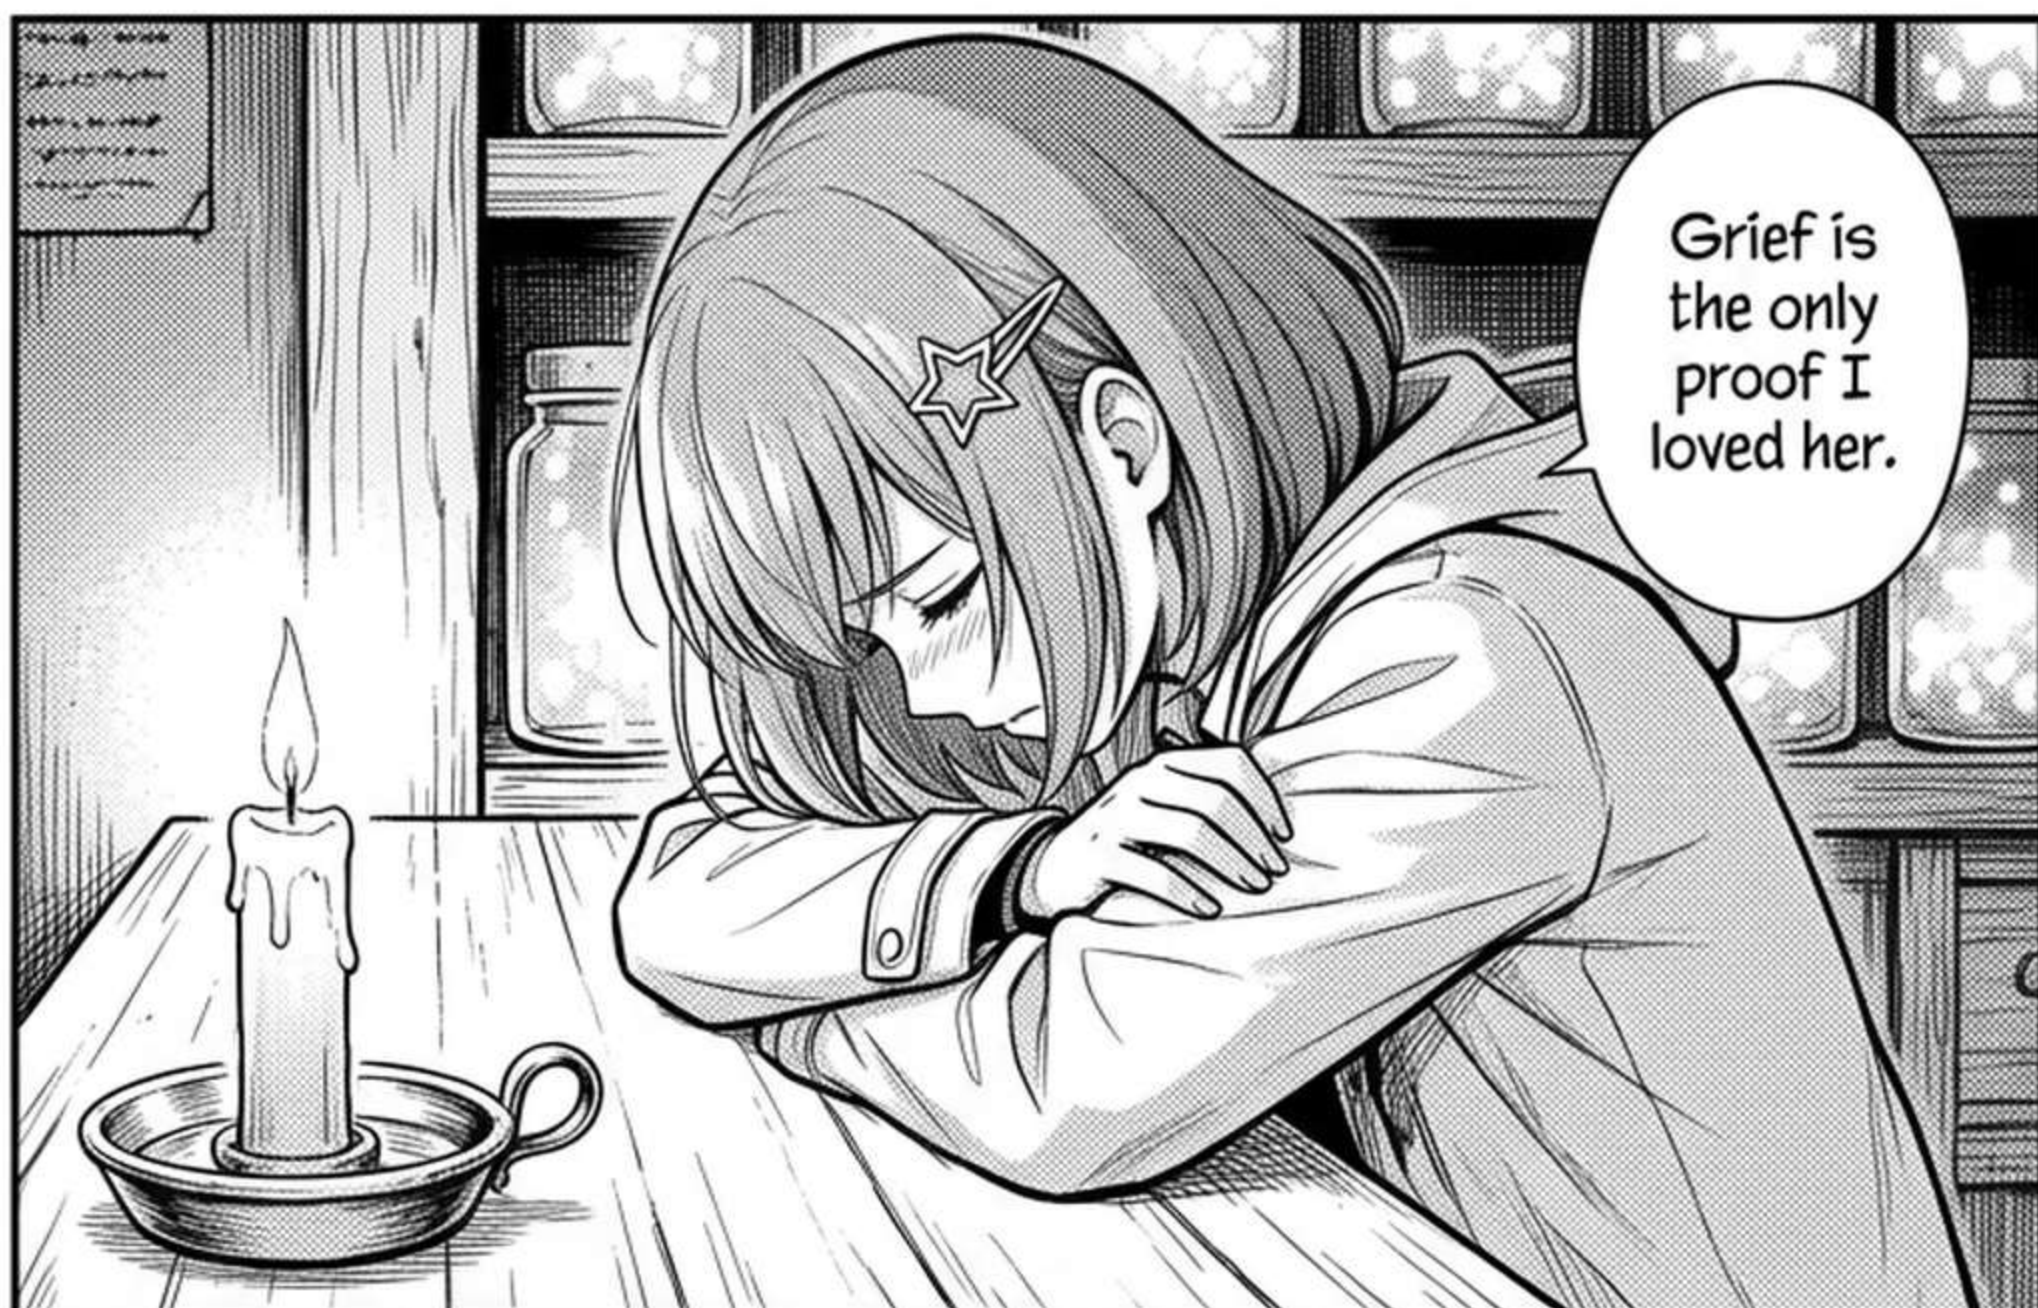

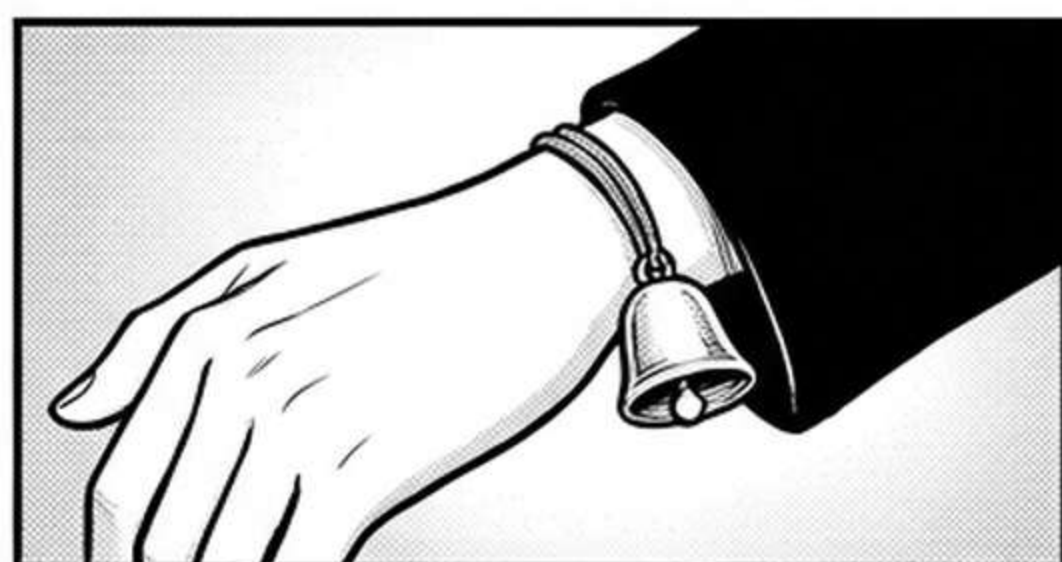

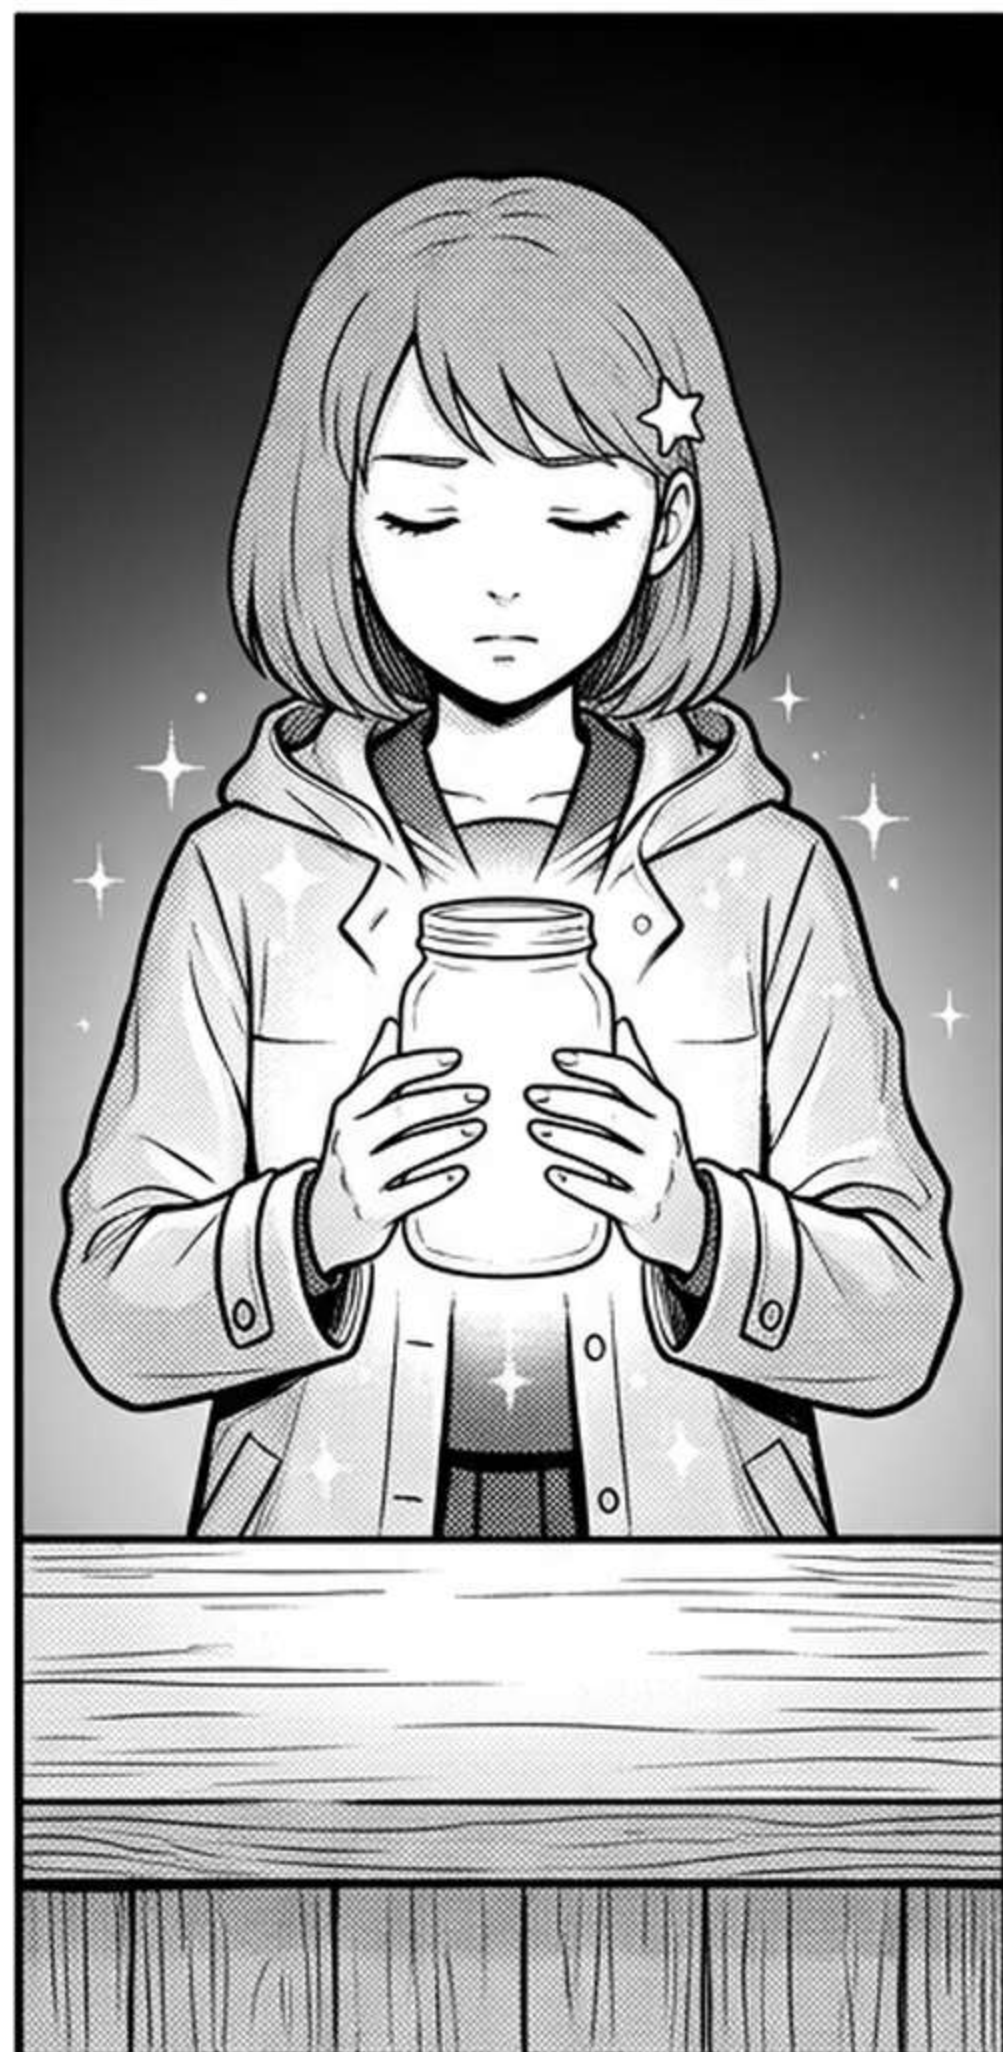

Bells ring
for the dead.
Granny said.

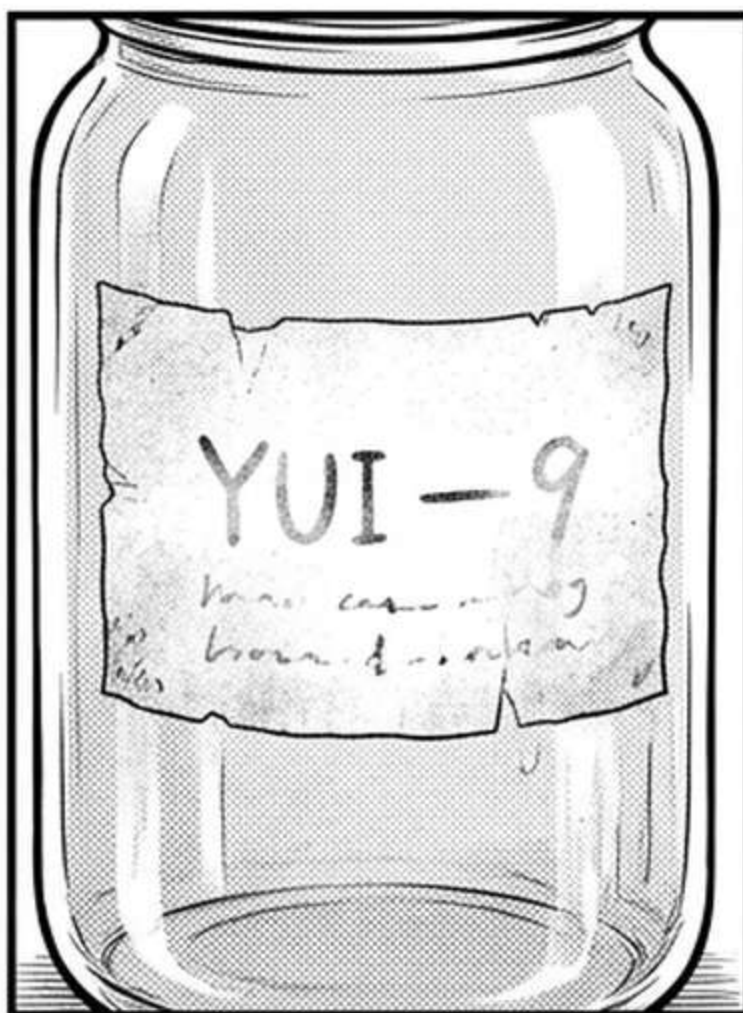

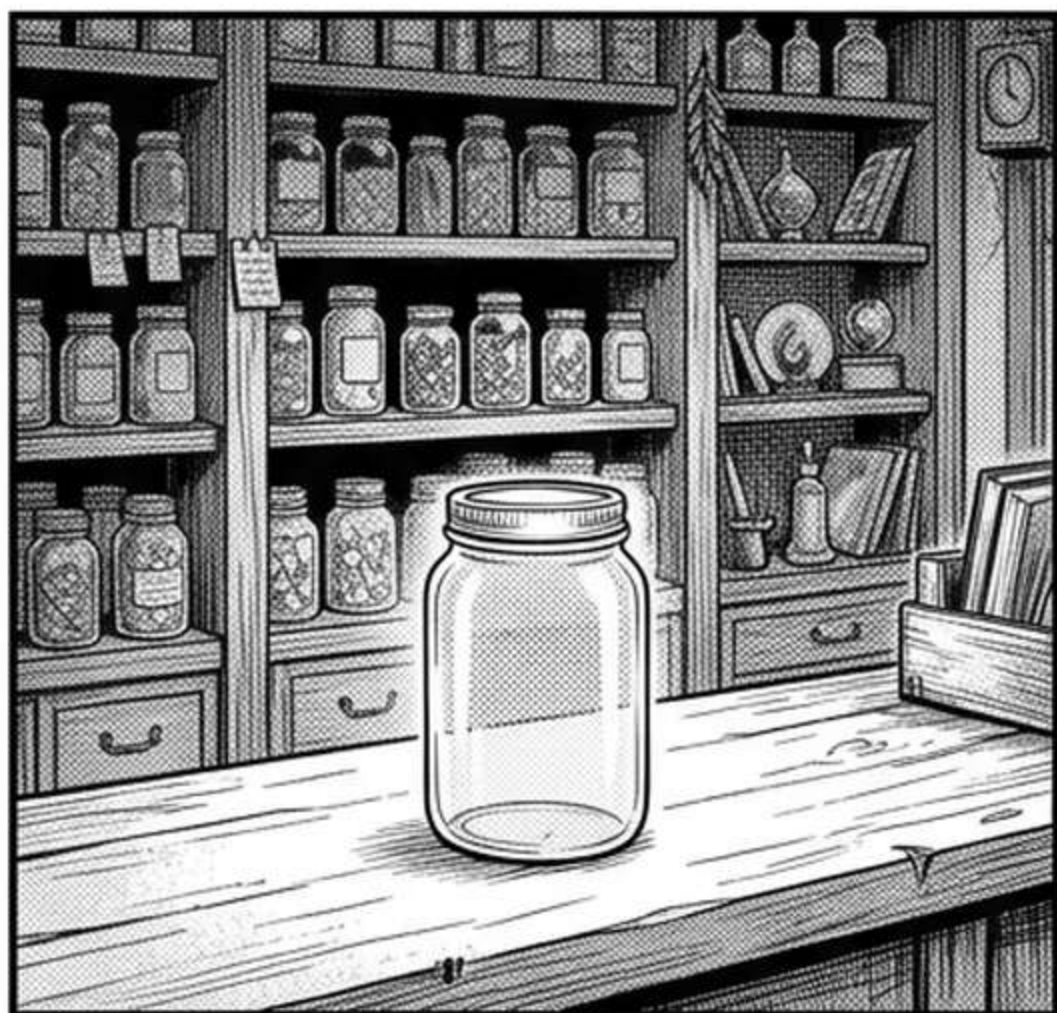

The memory stays.
The weight goes.

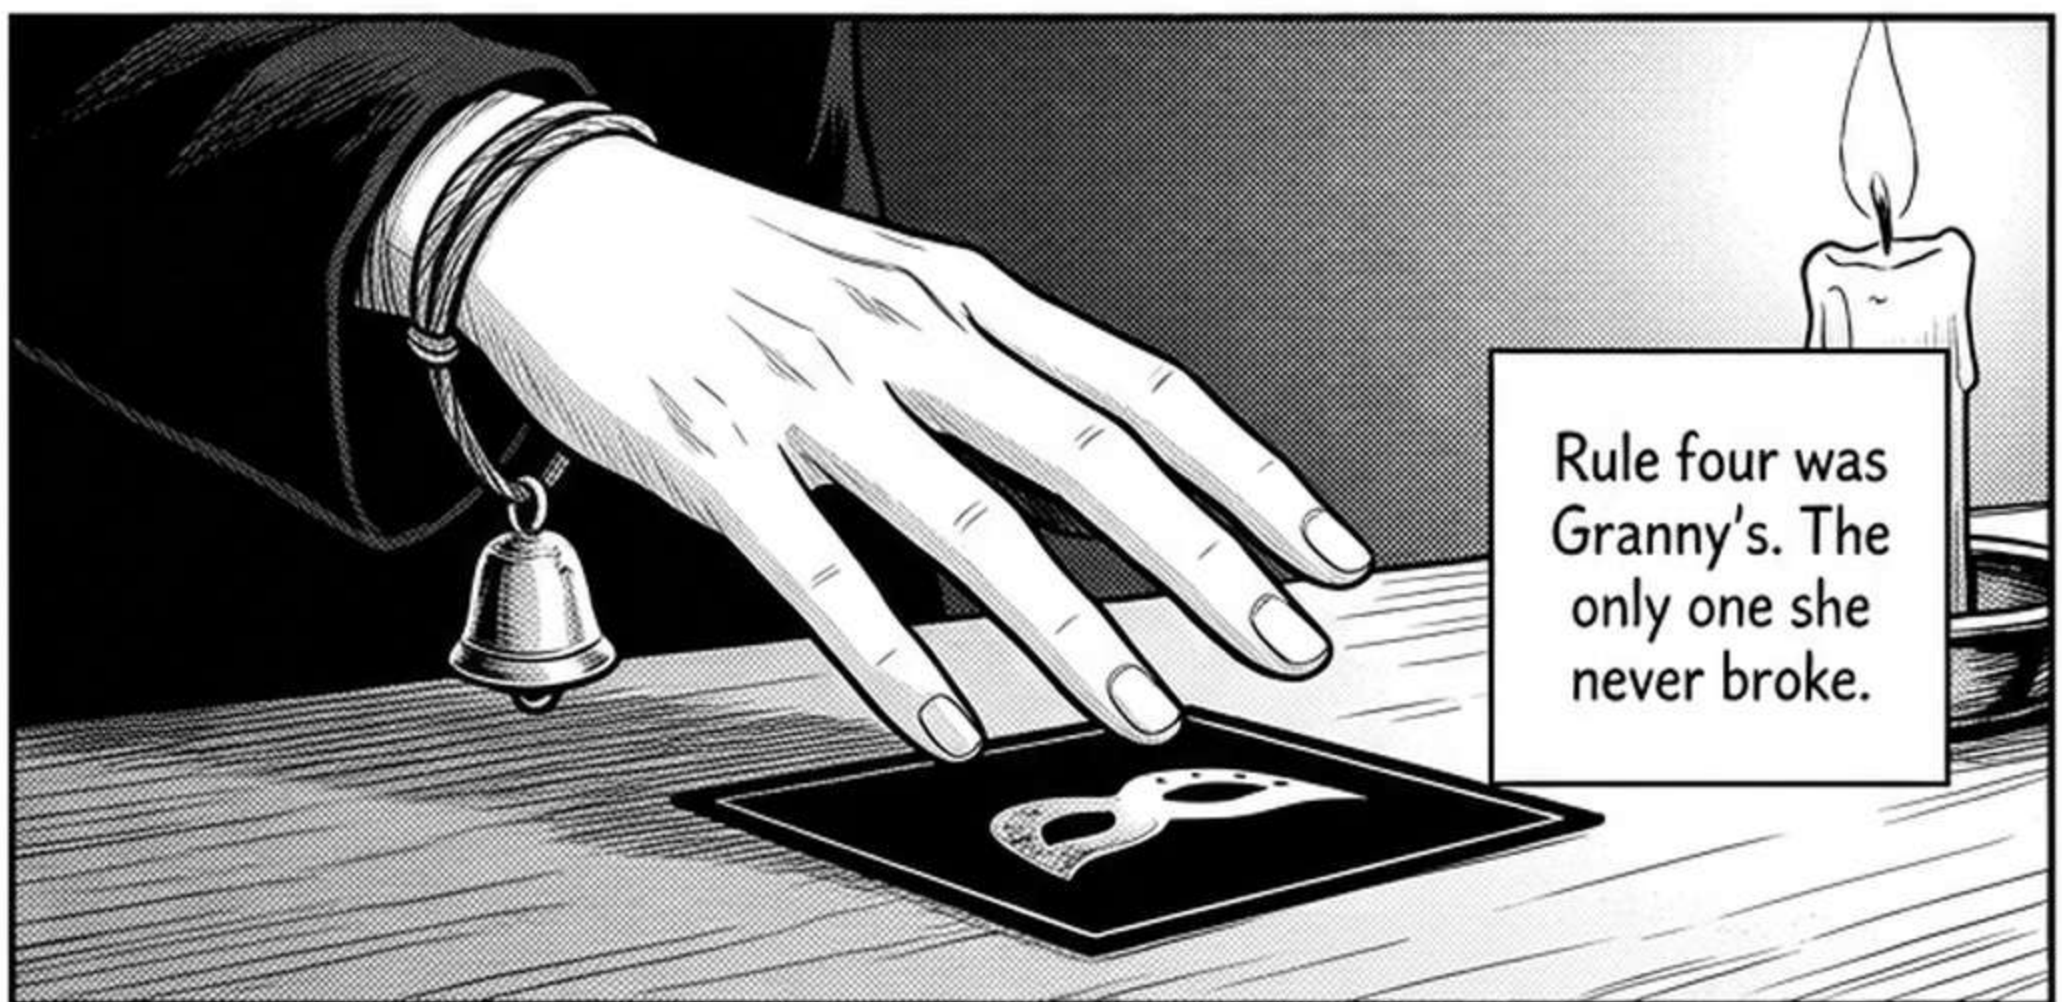

Rule four.
Never buy
for yourself.

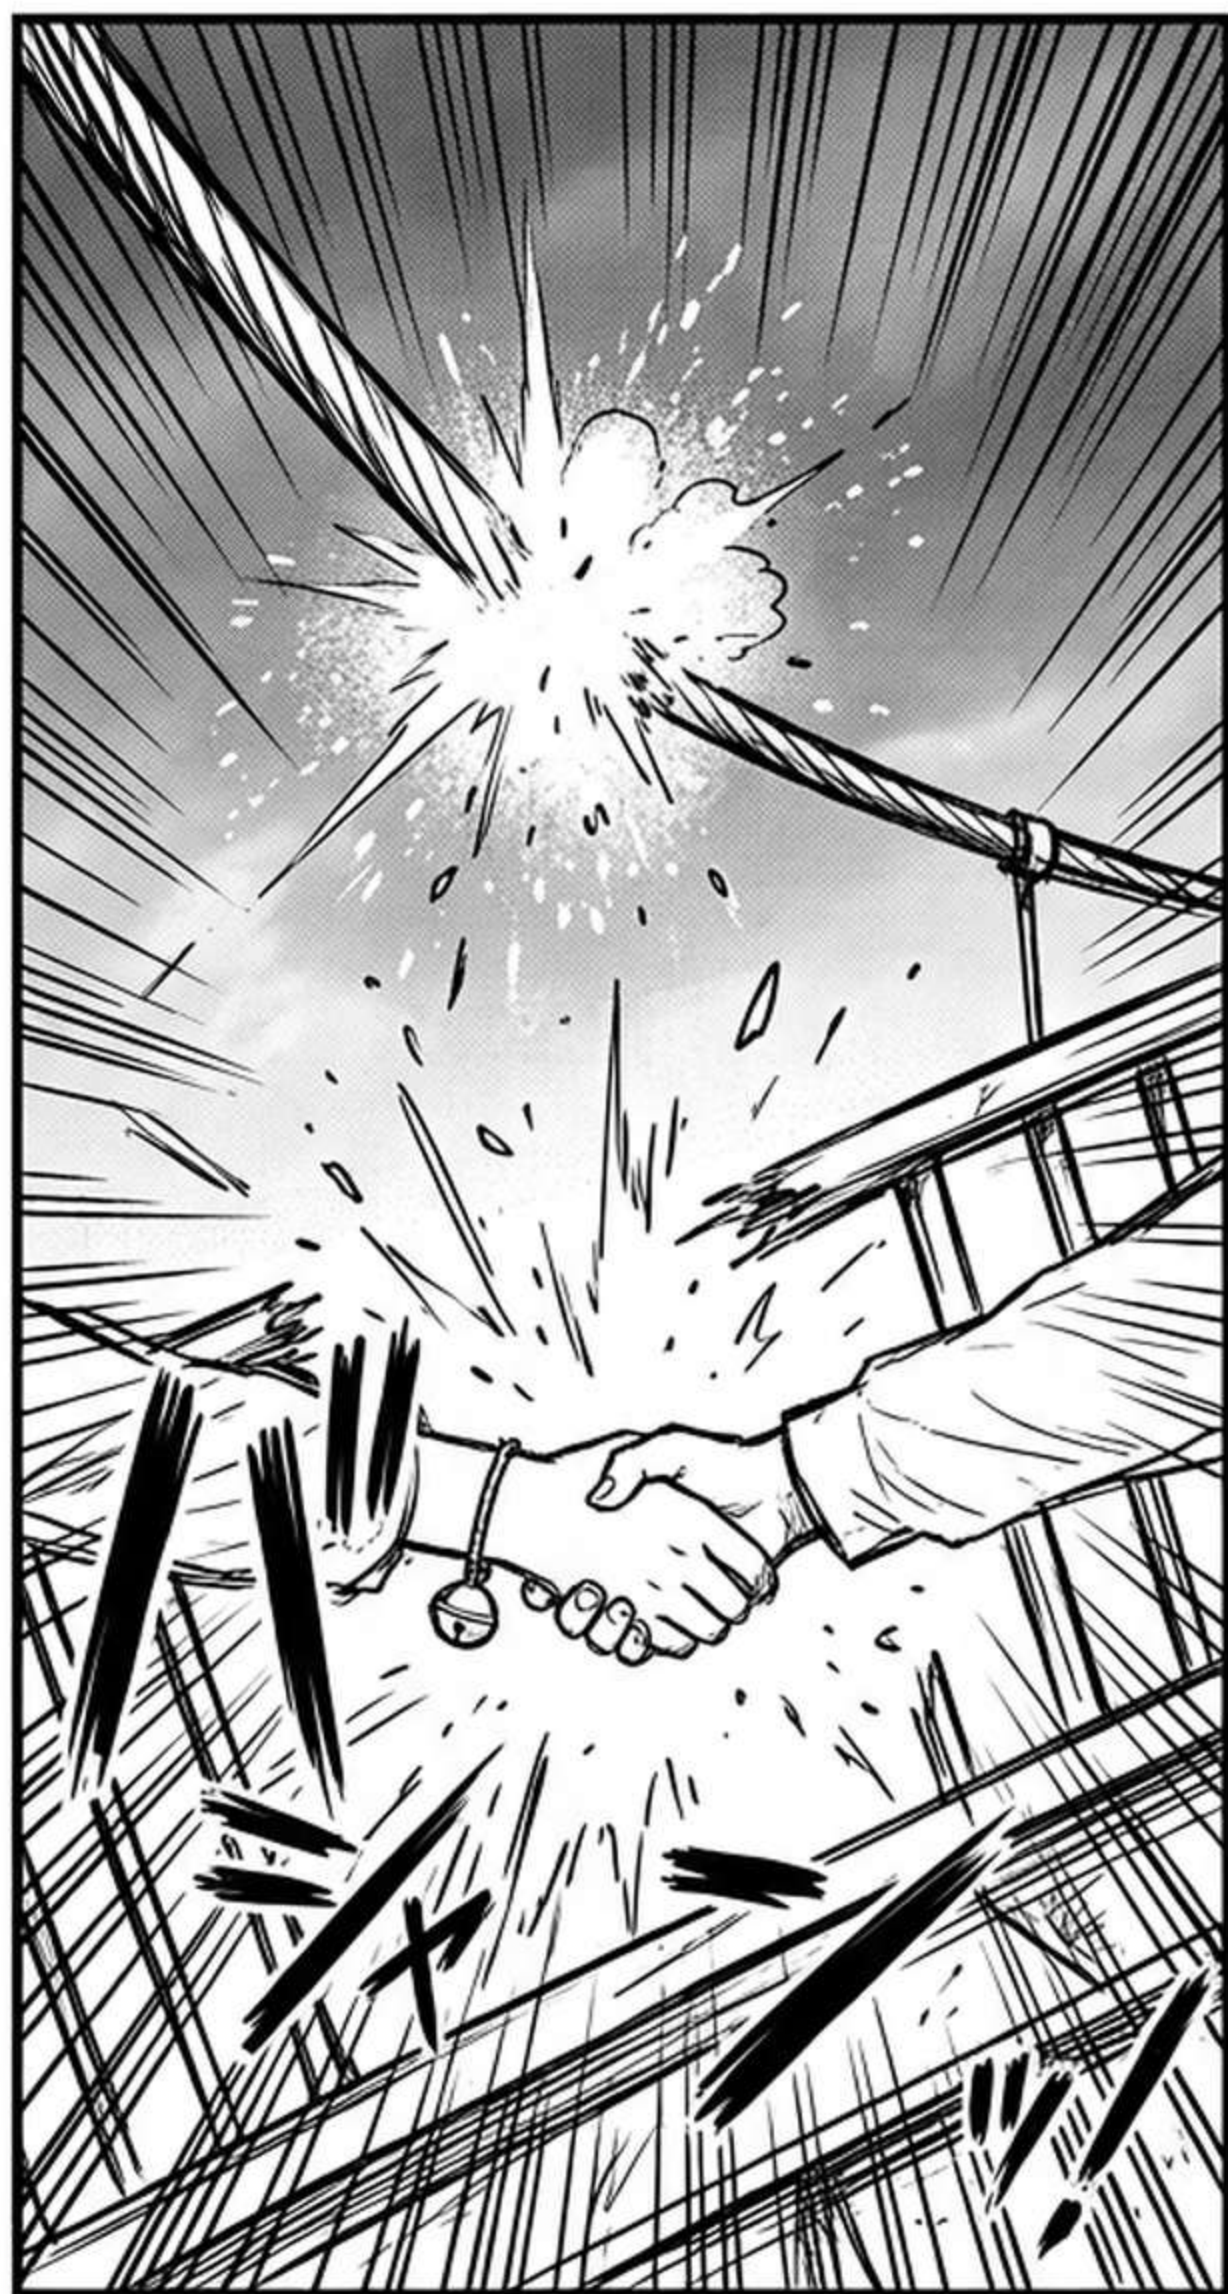

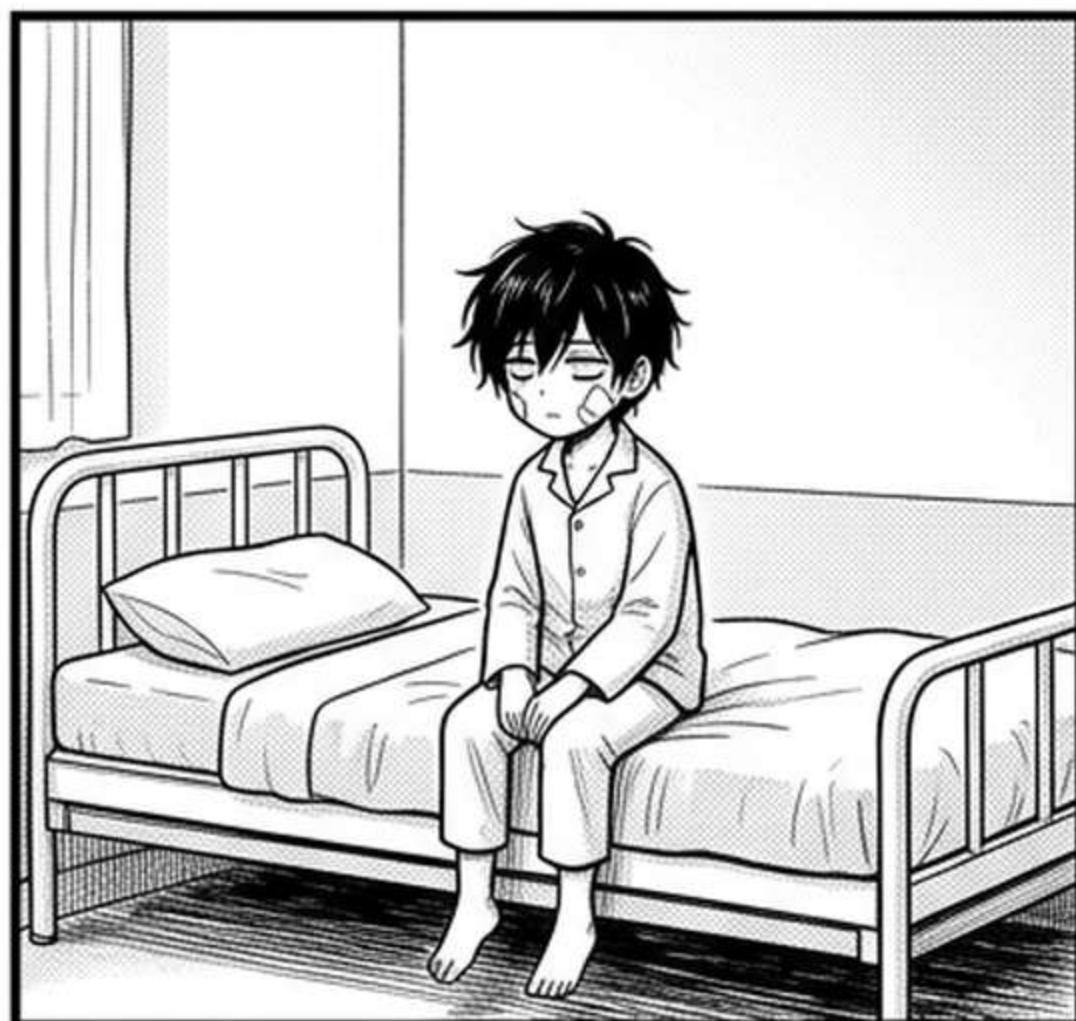

Rule four was
Granny's. The
only one she
never broke.

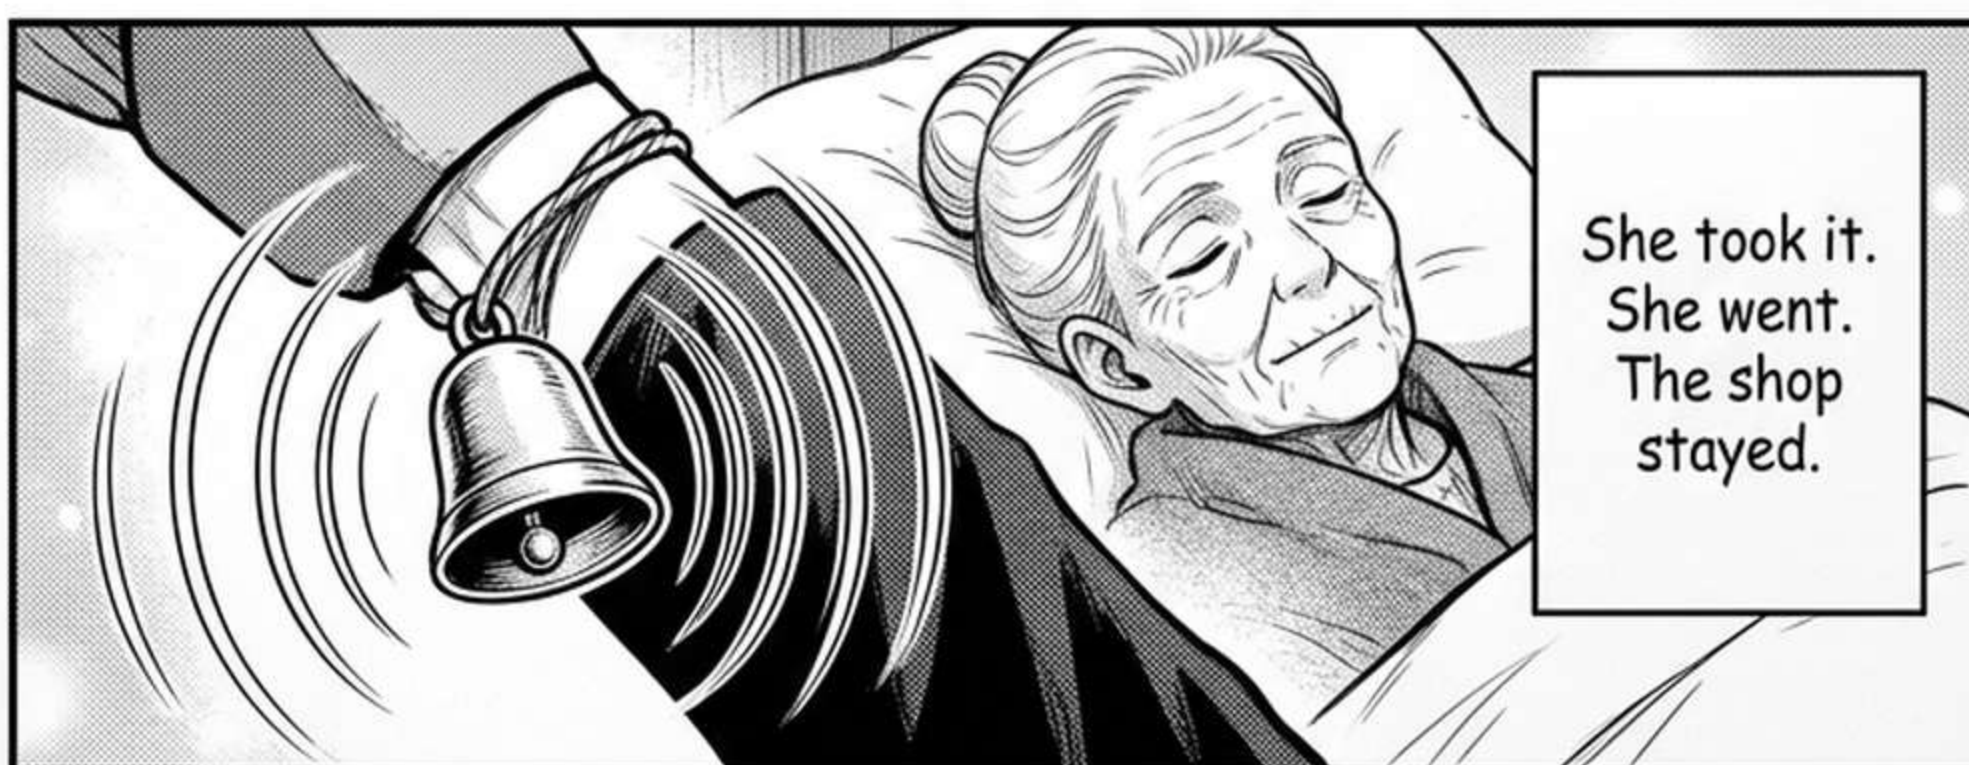

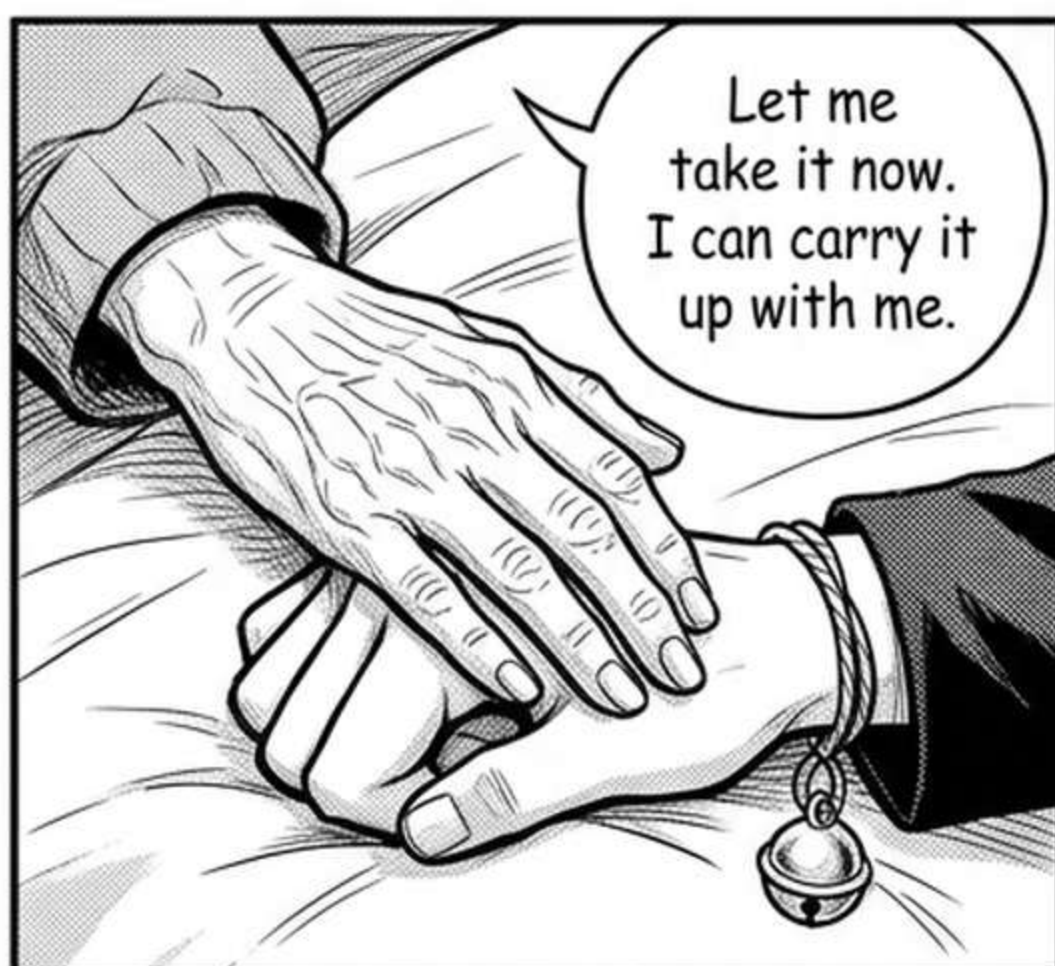

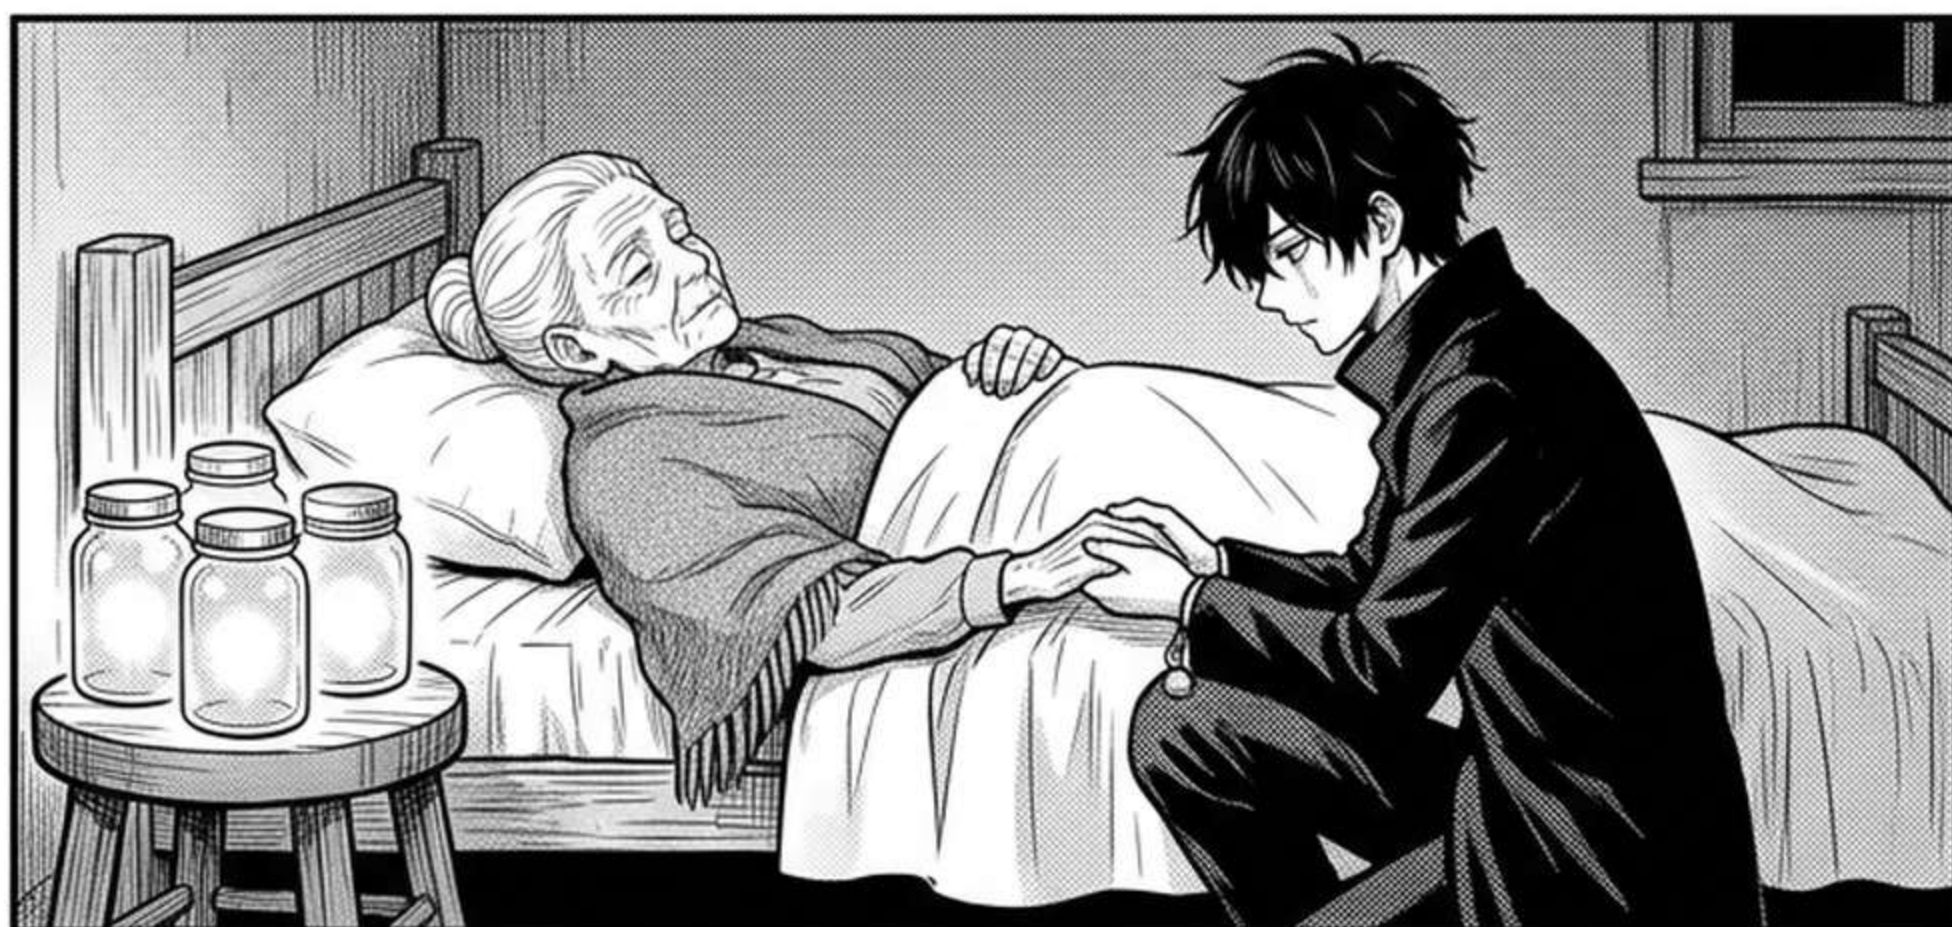

The bell was never mine.

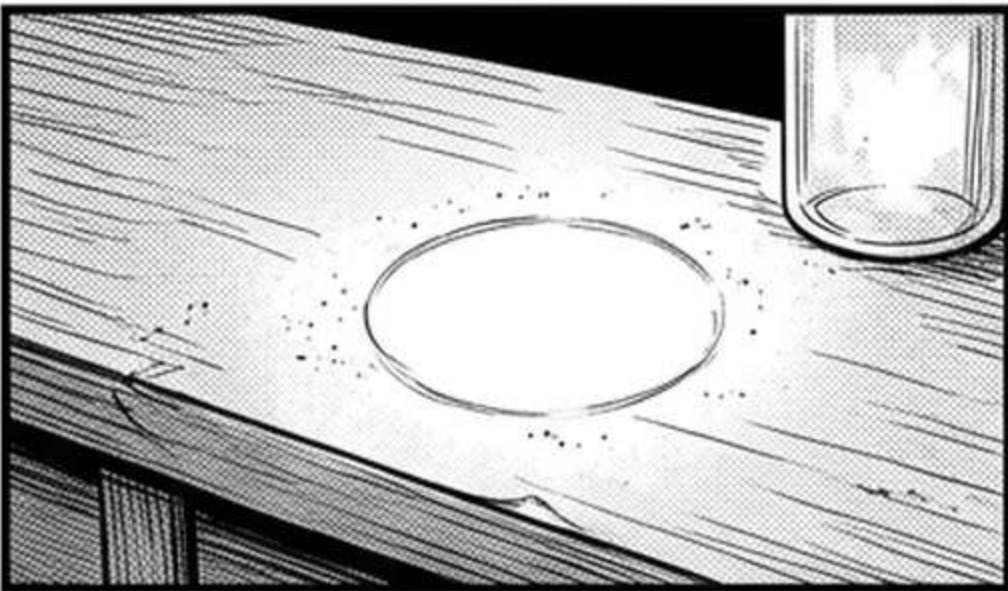

Ten years ago.

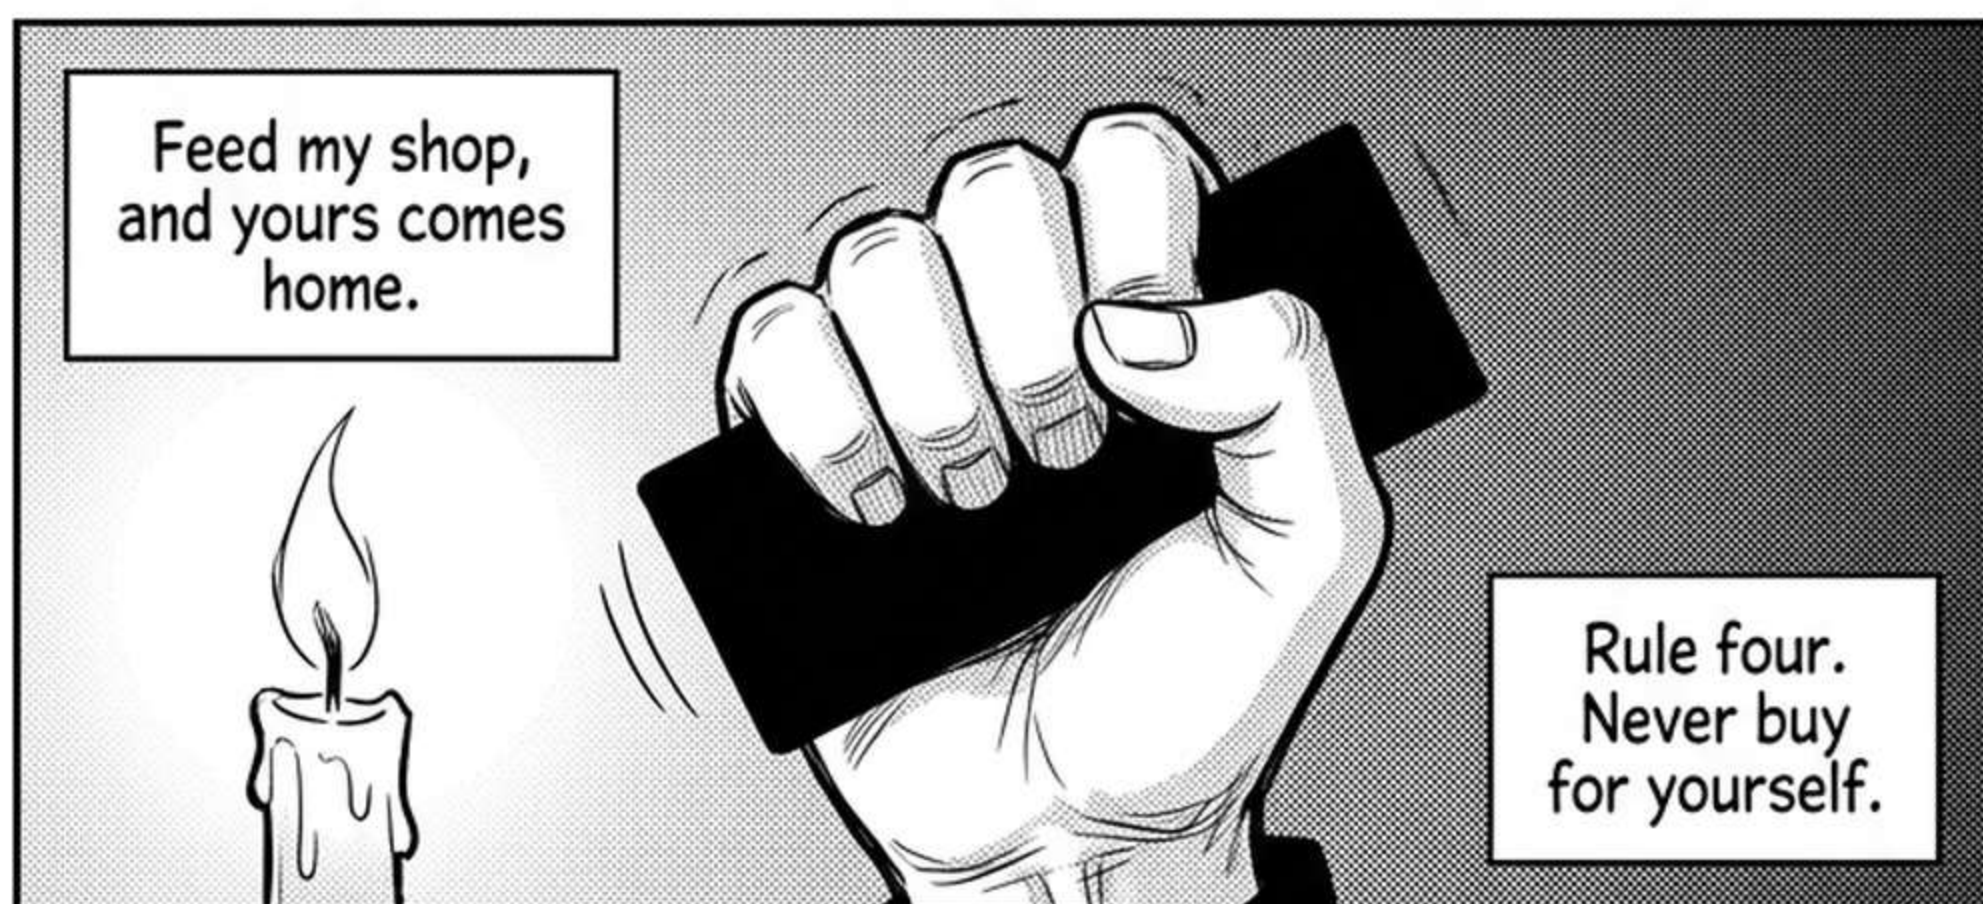

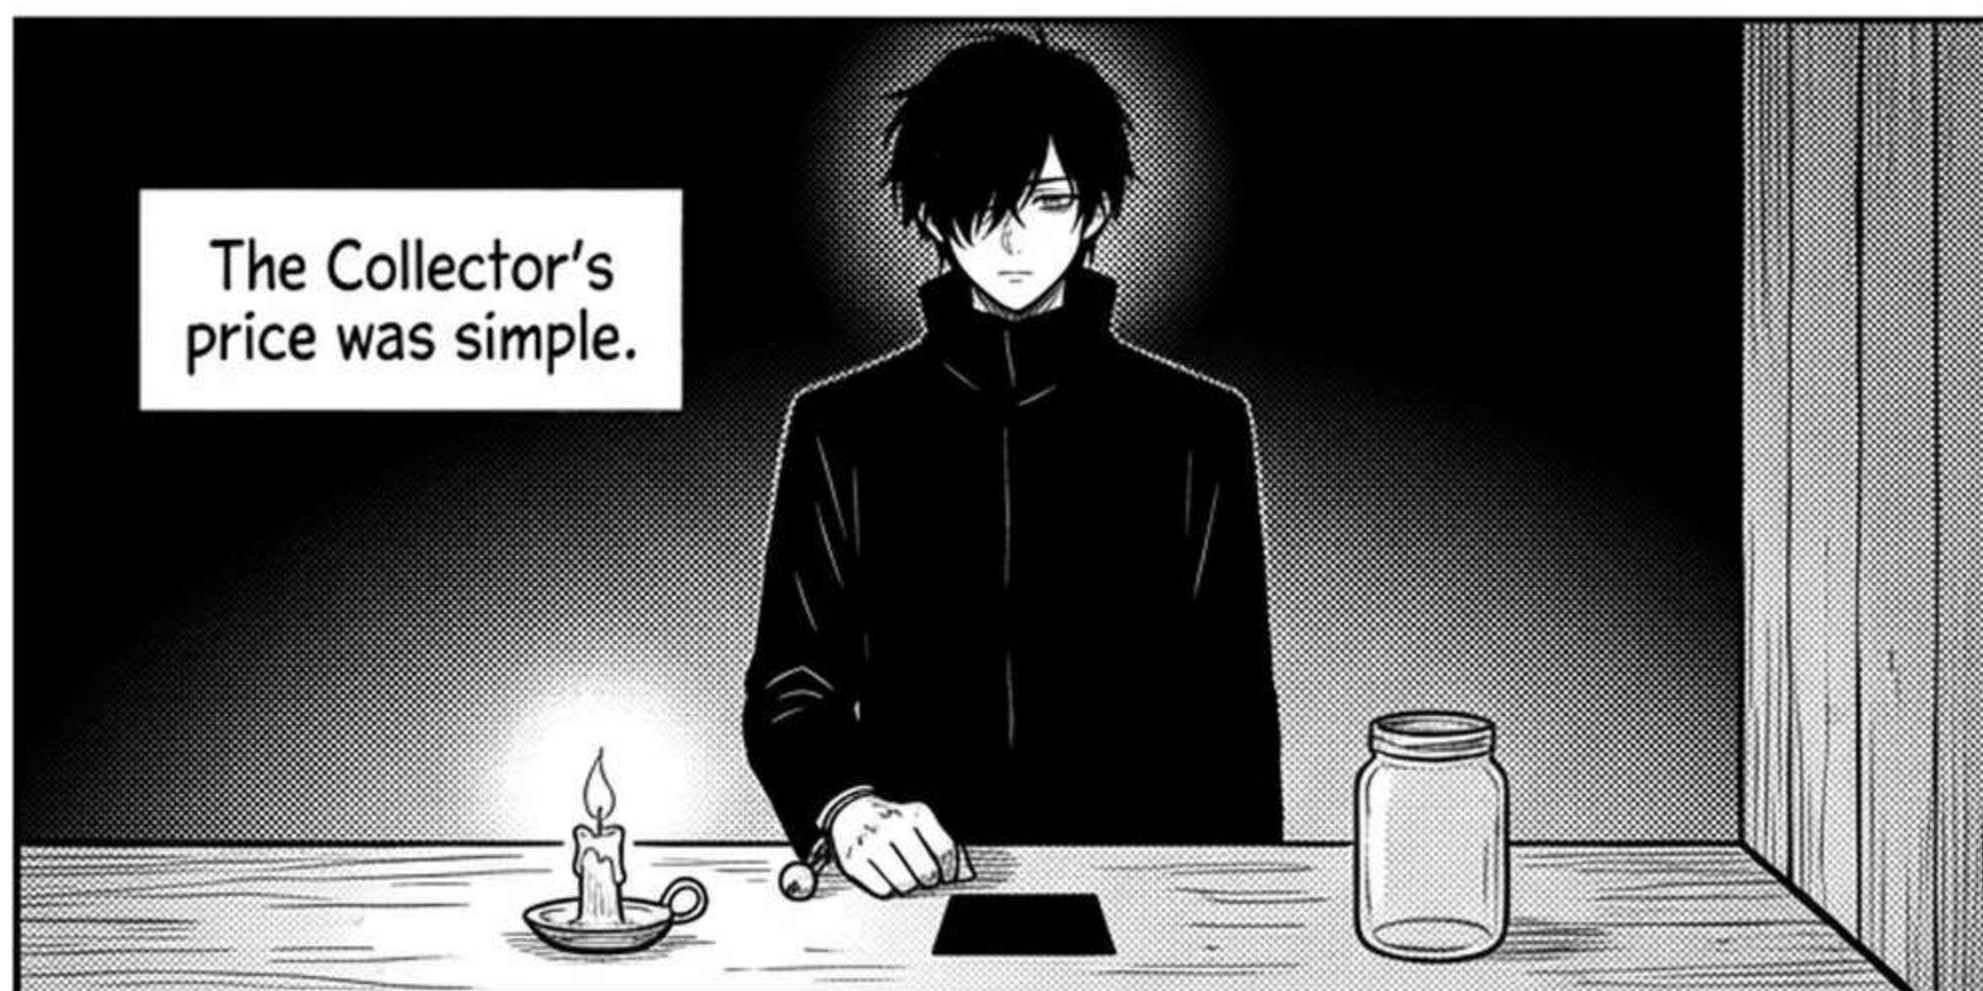

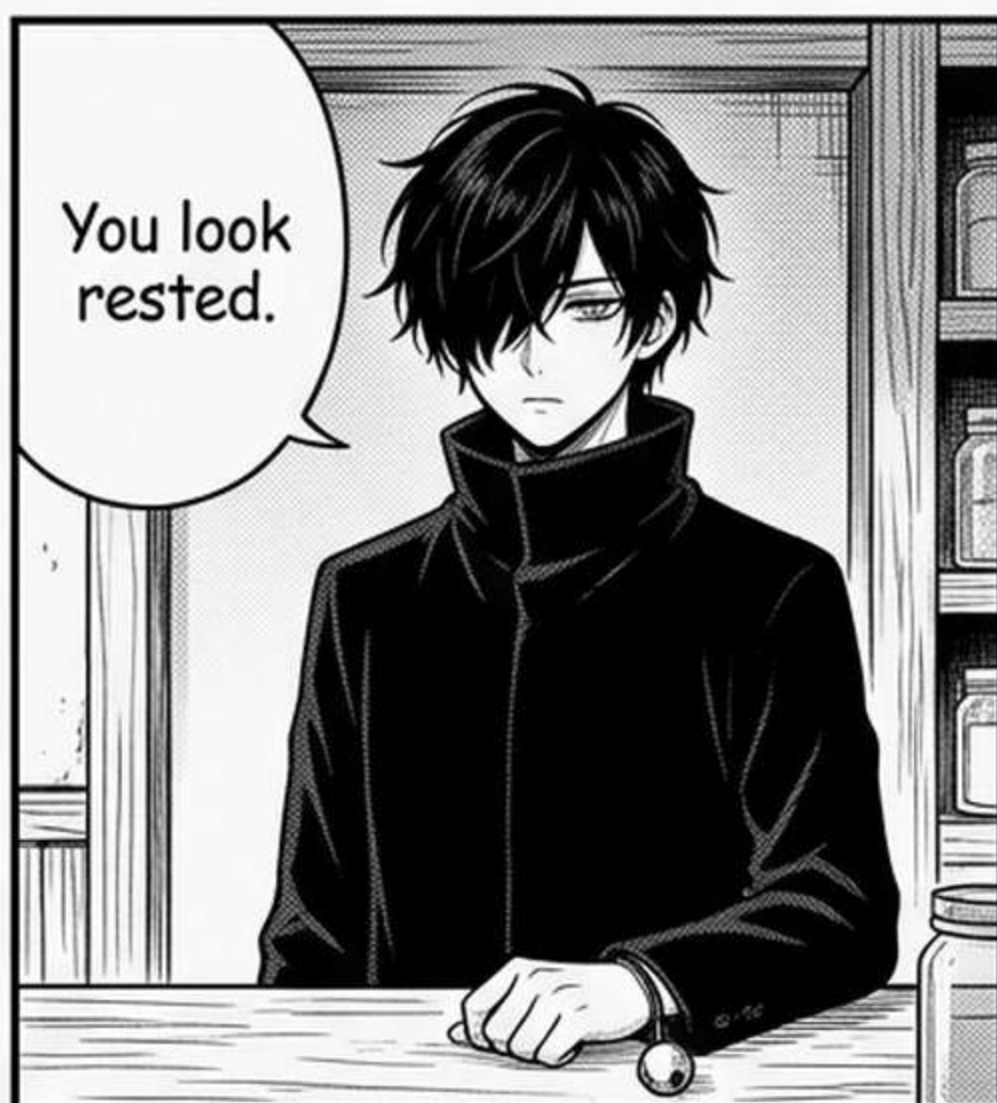

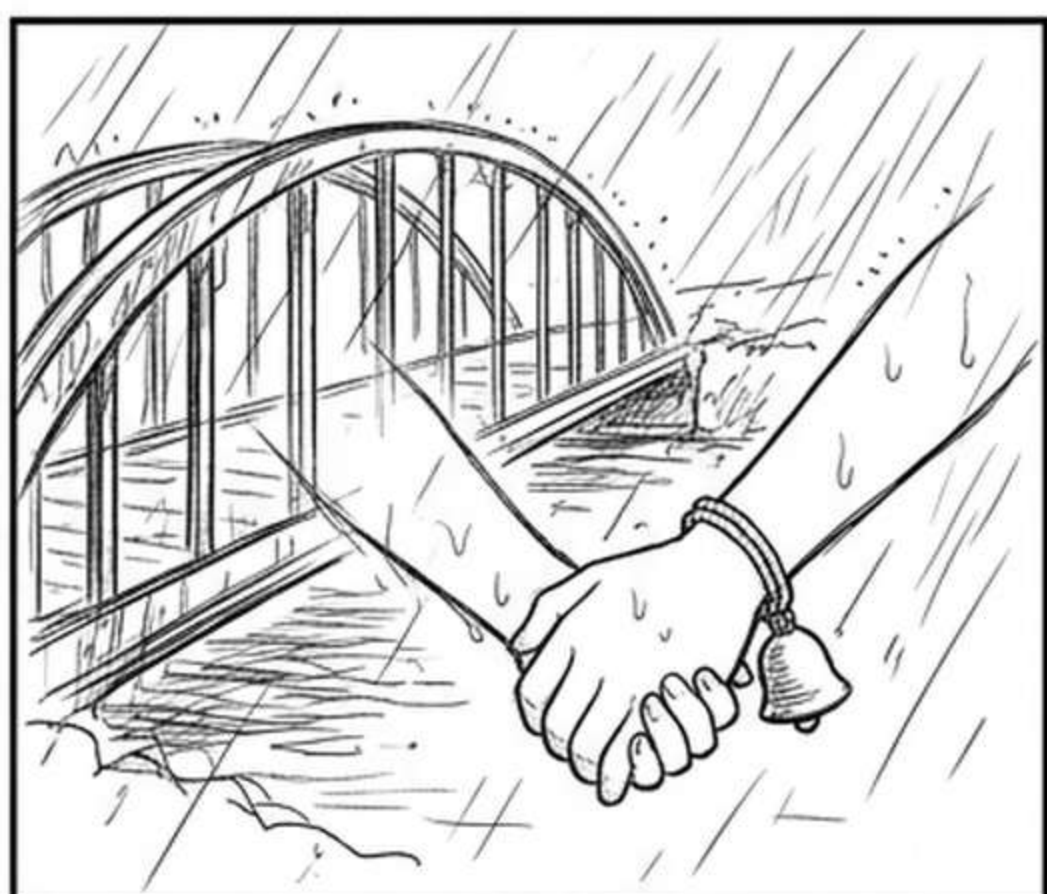

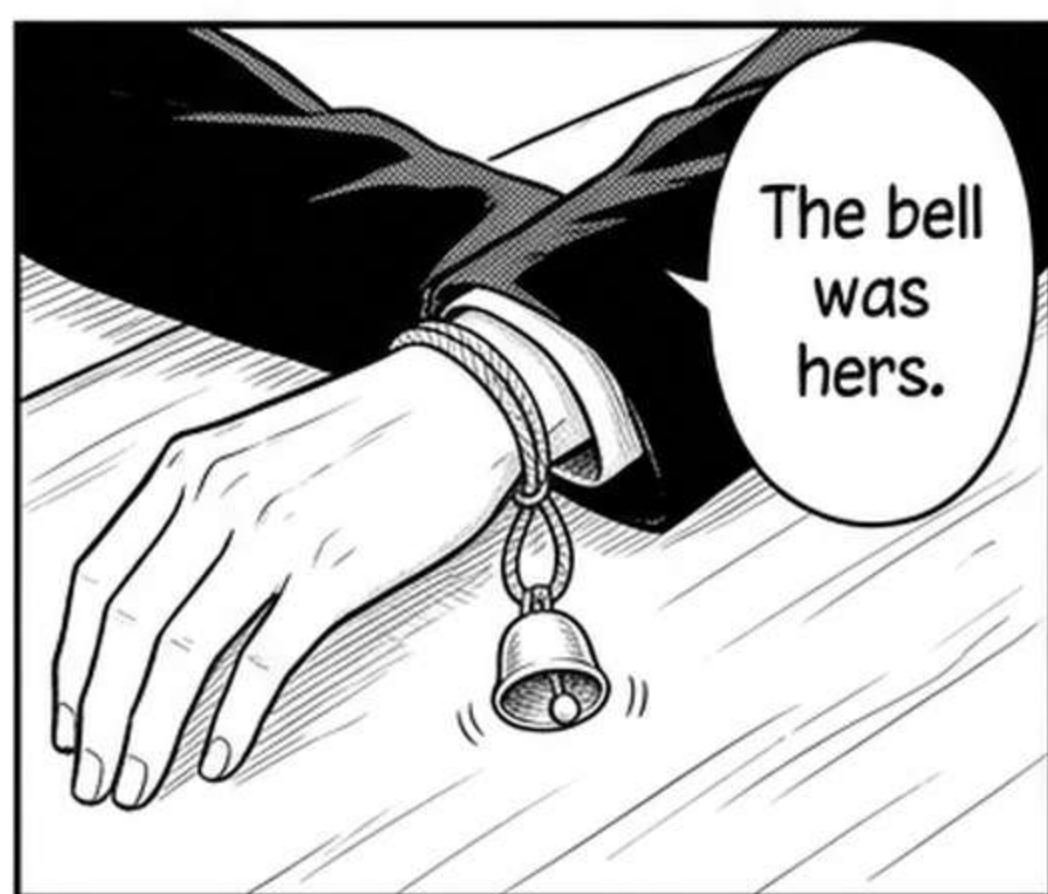

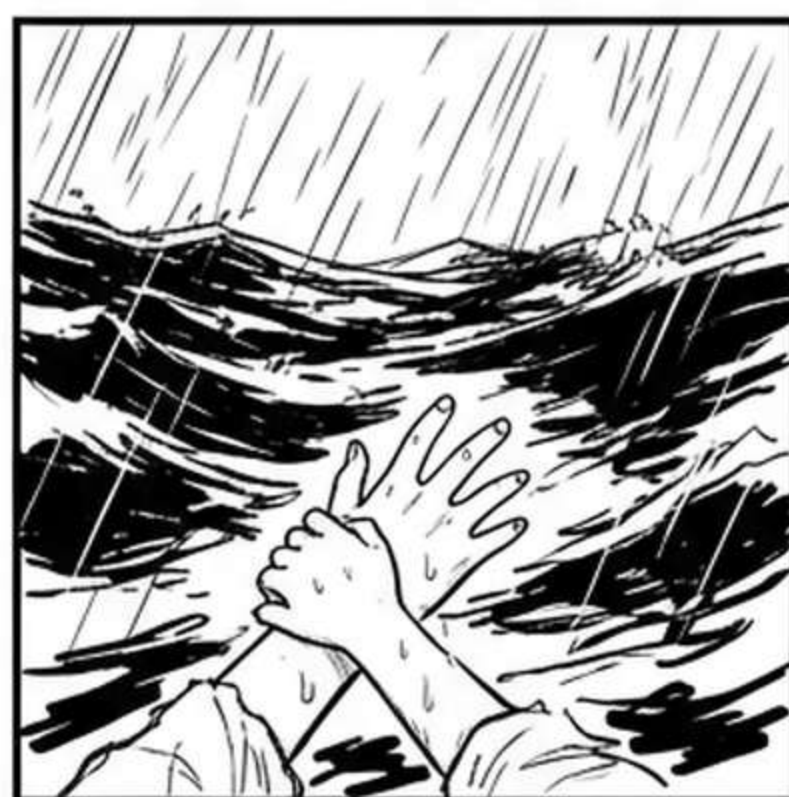

He came for her
shelf. He counted
mine too.

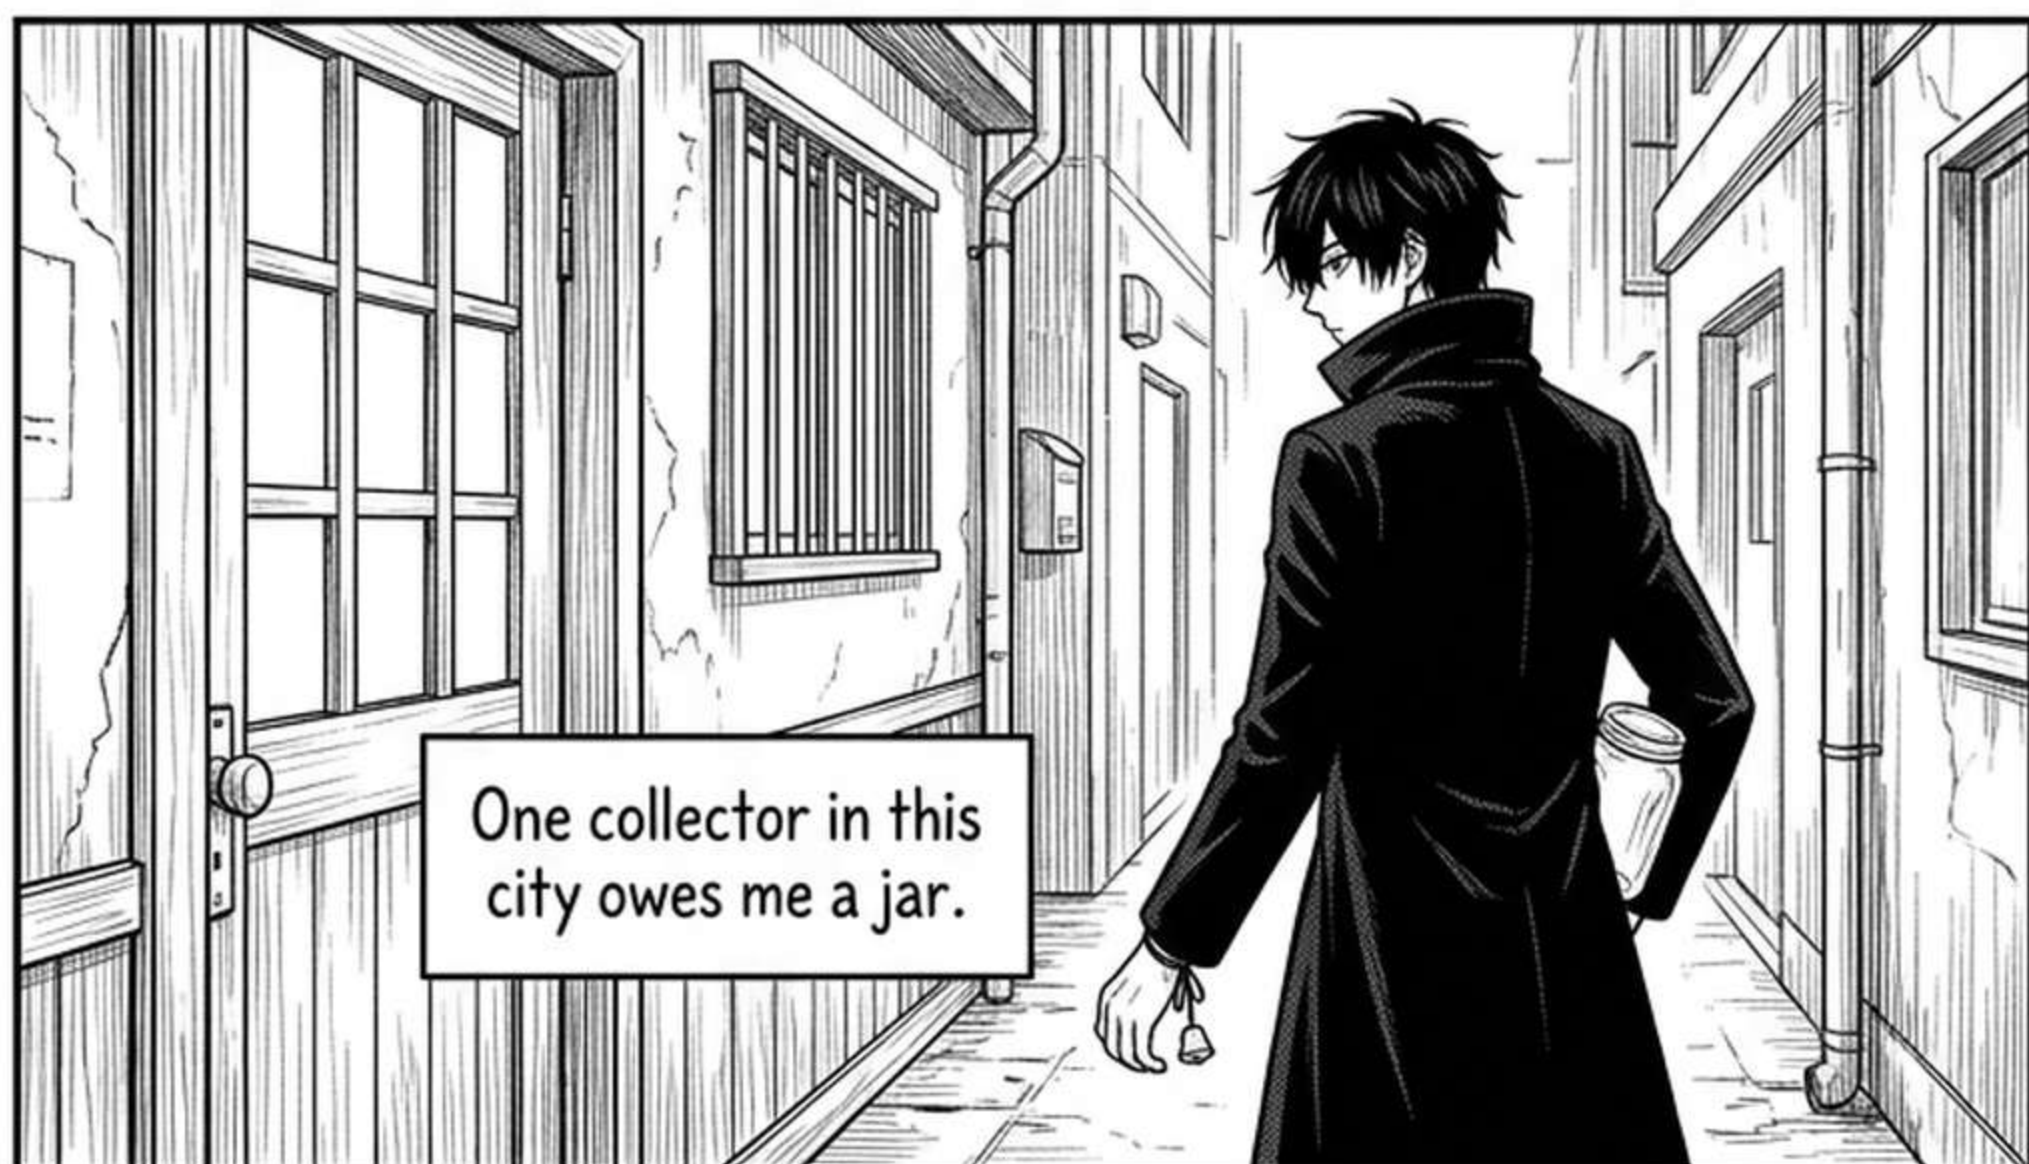

Rule four.
Never buy for
yourself.

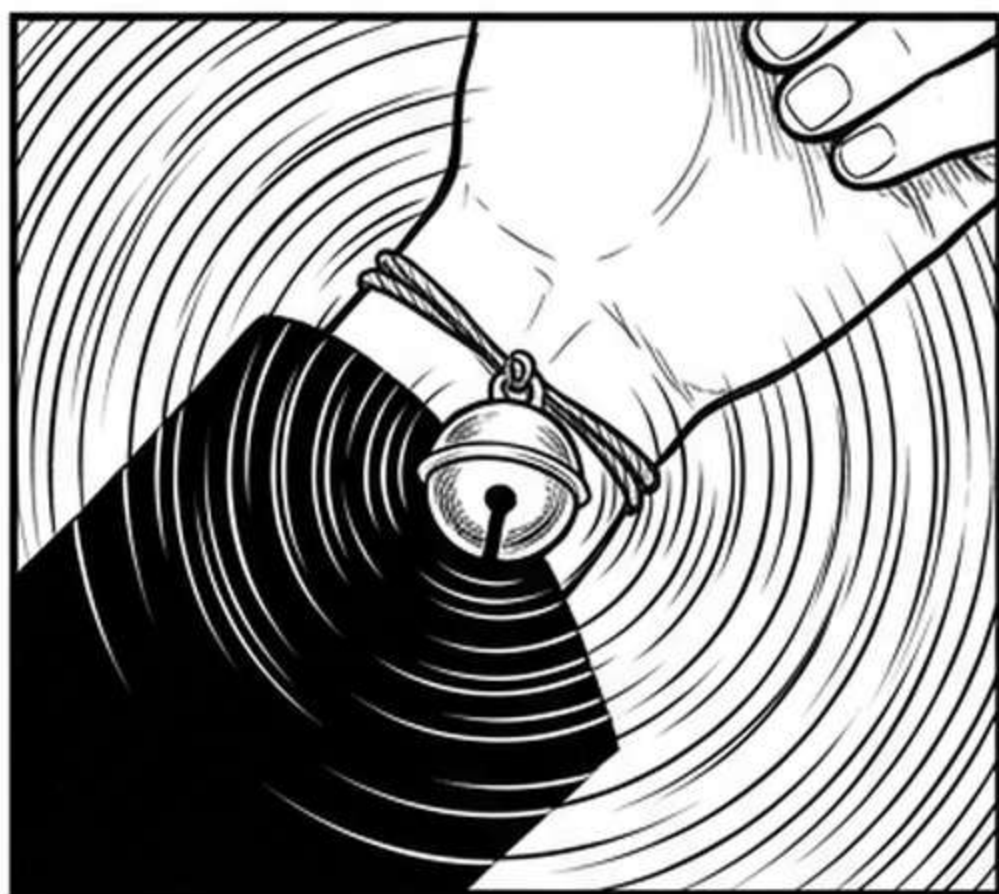

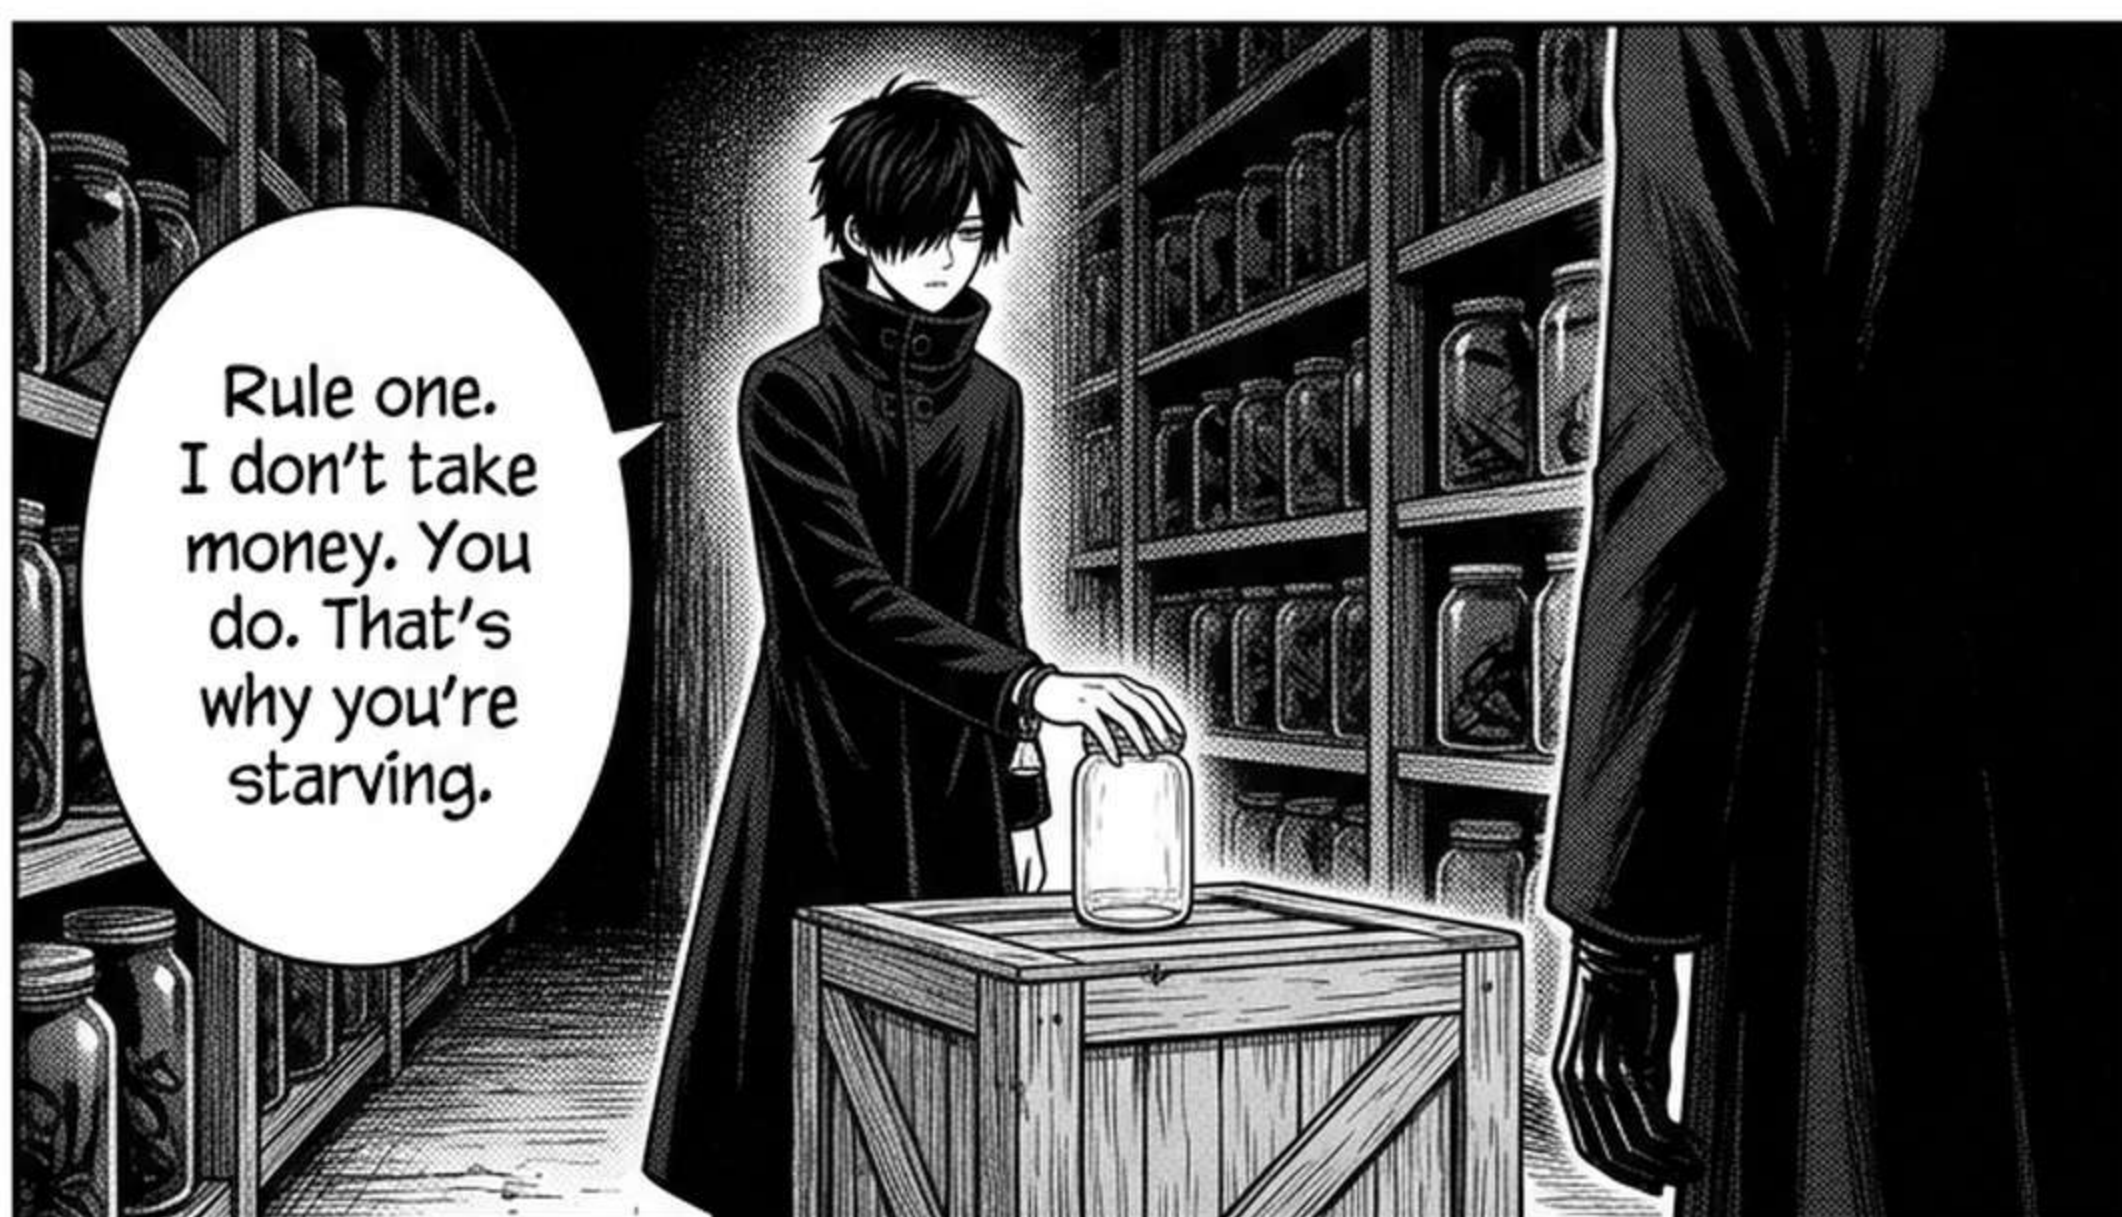

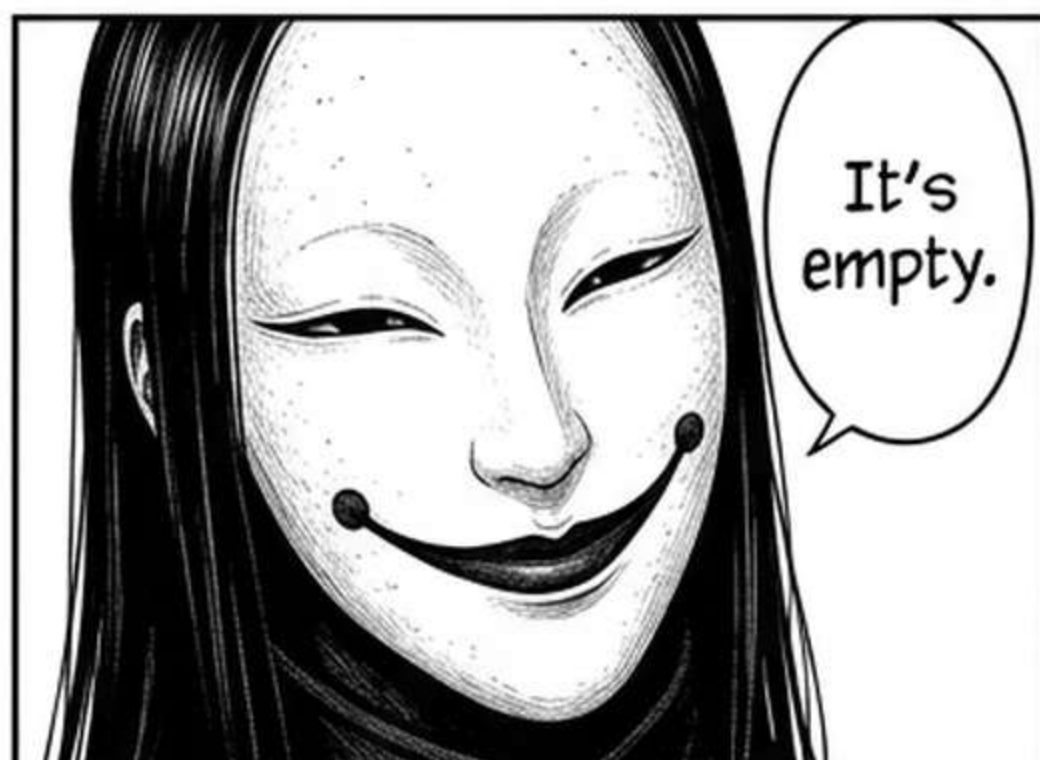

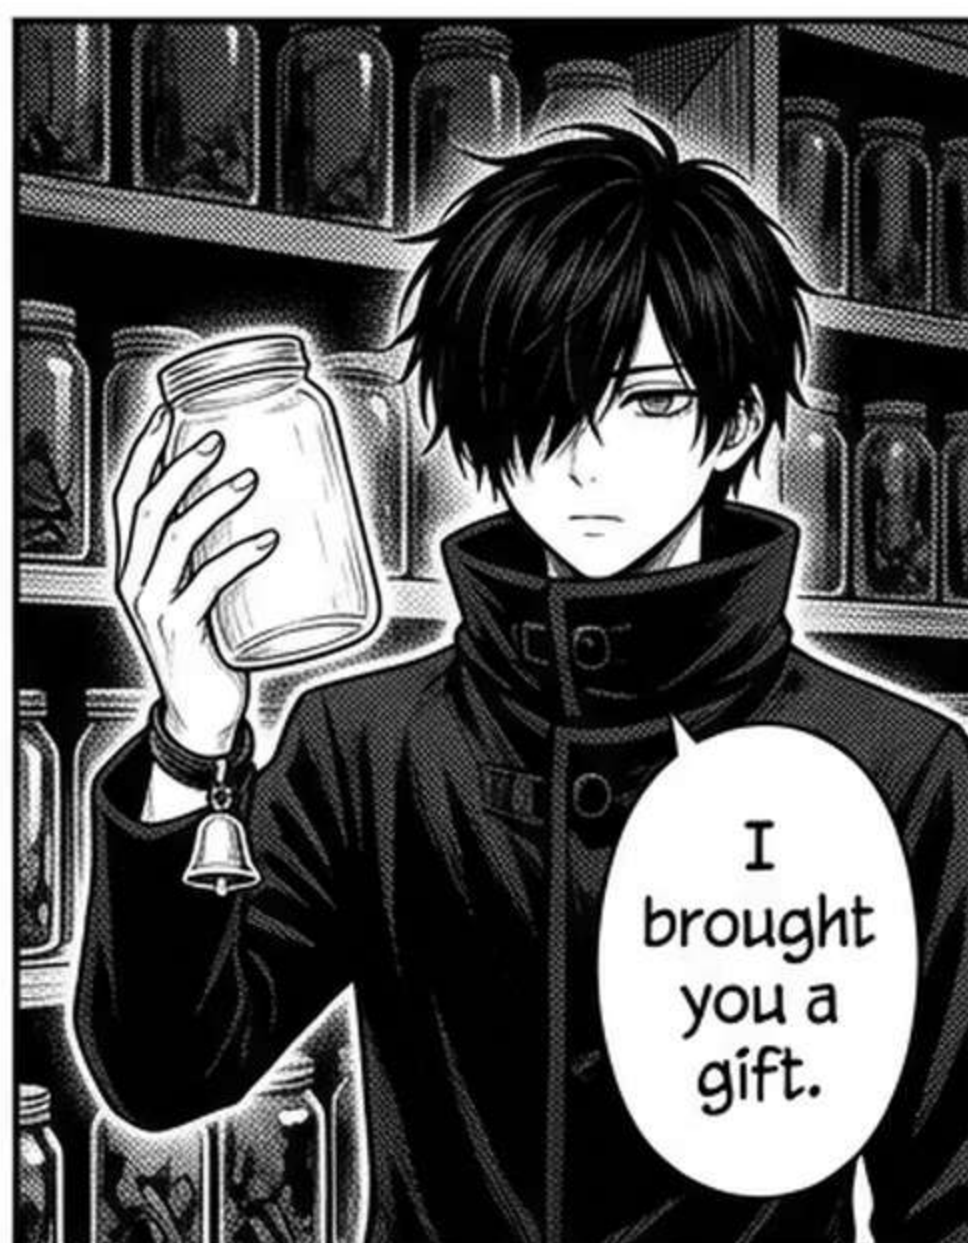

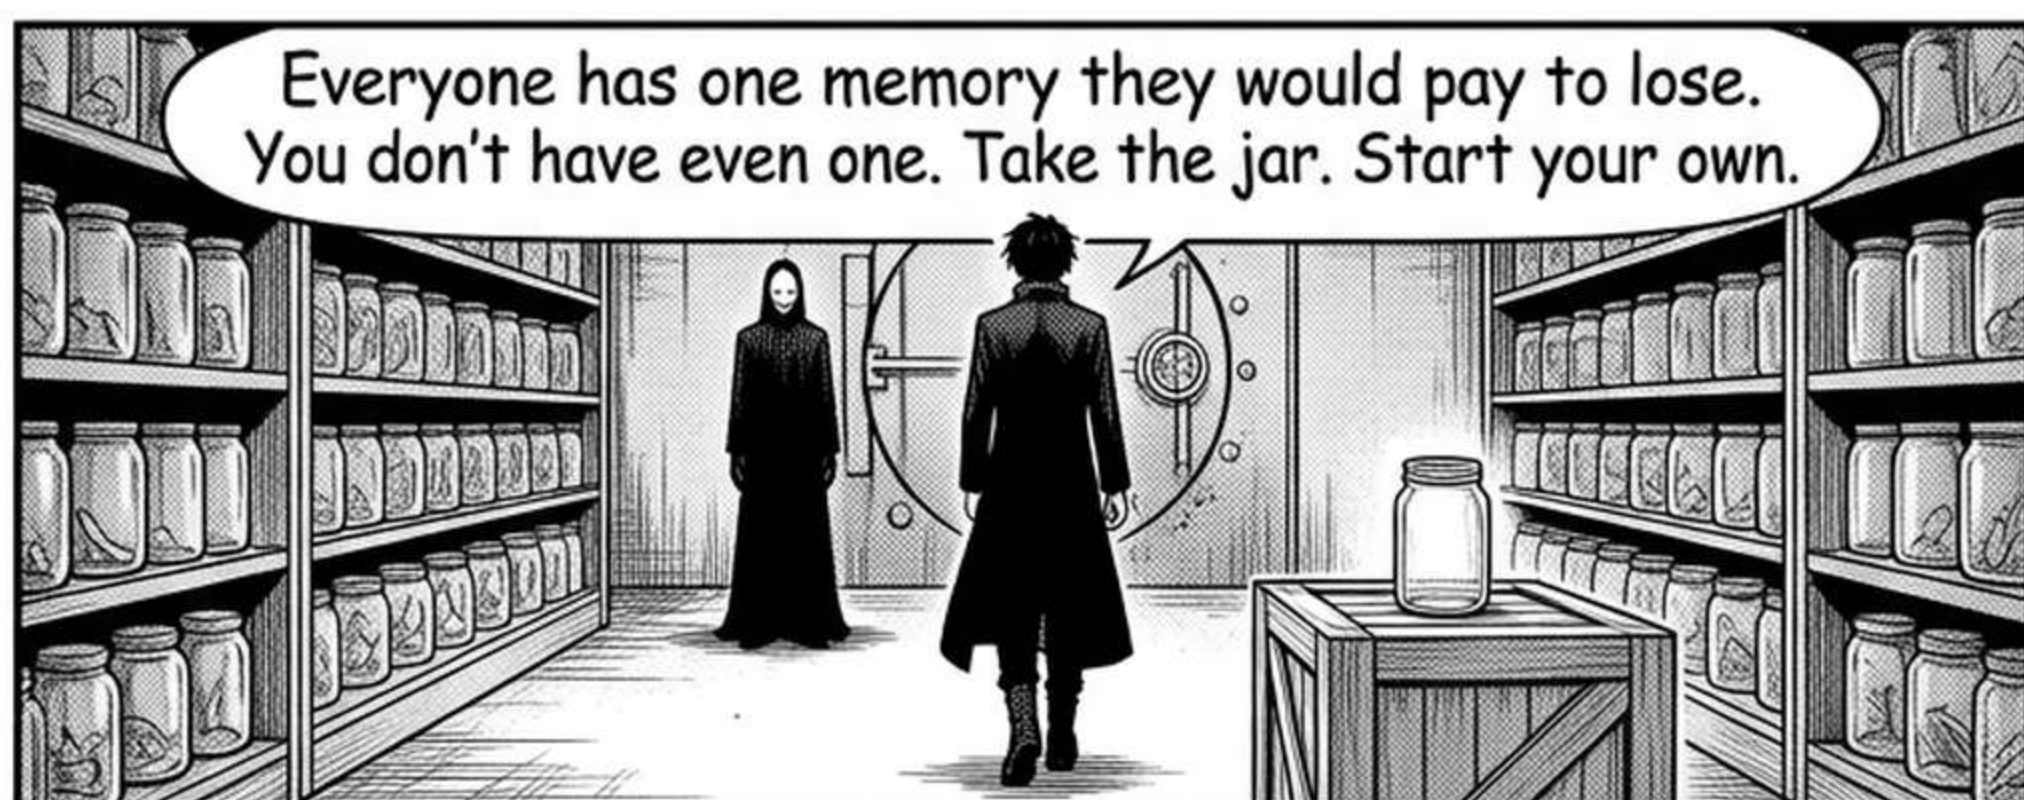

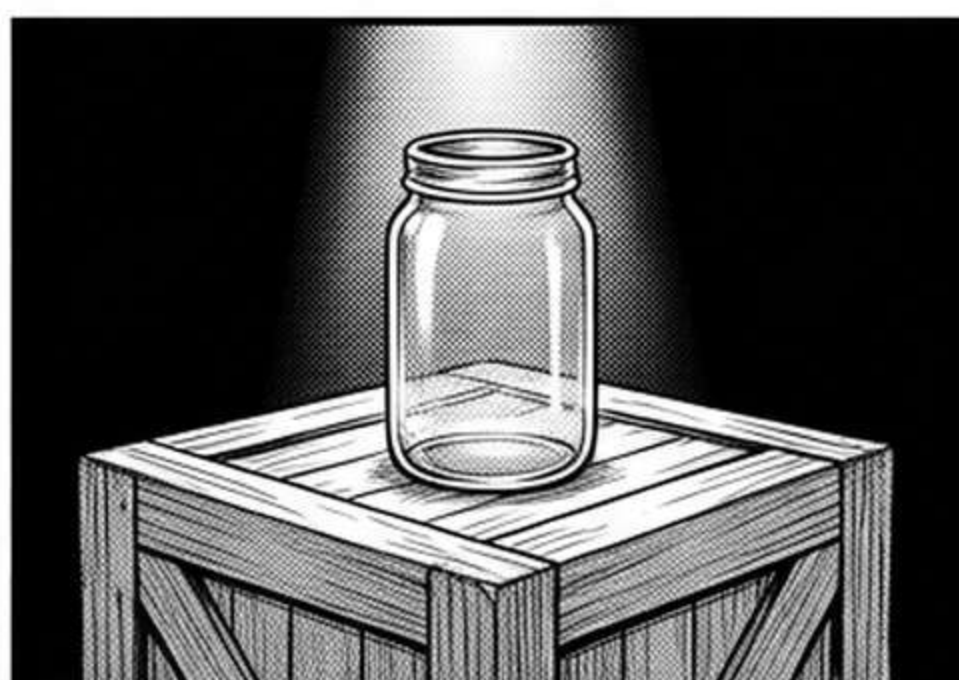

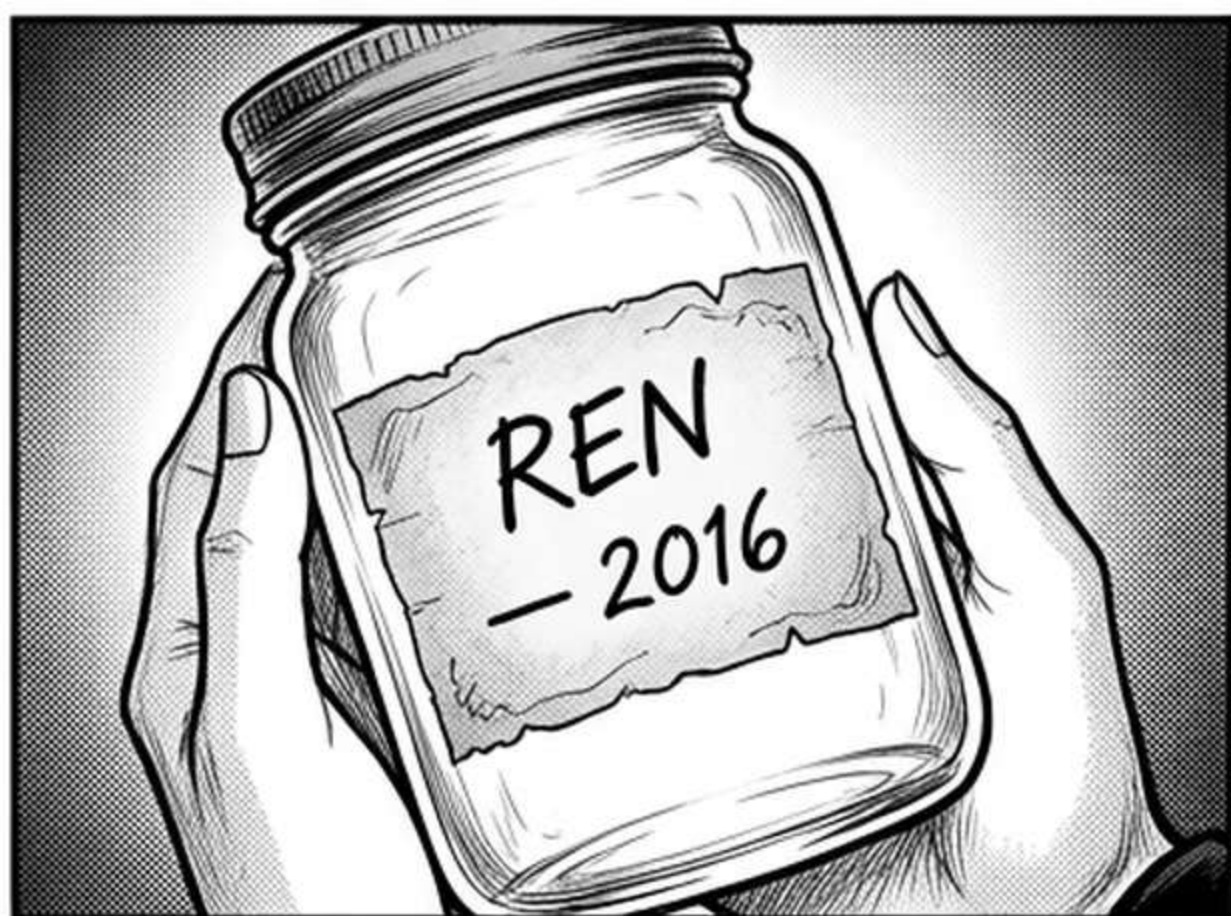

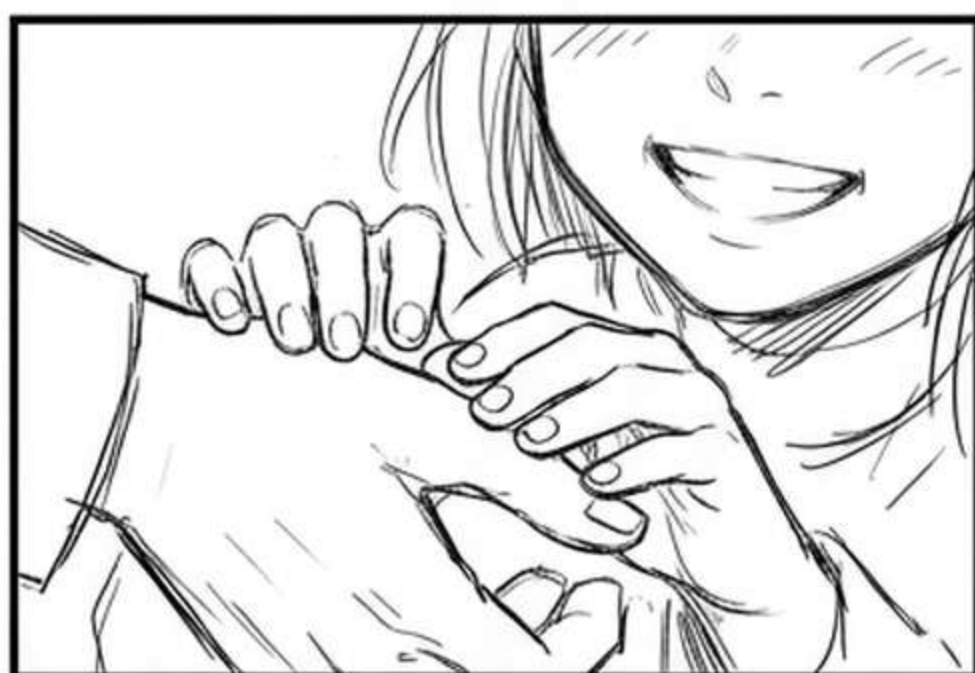

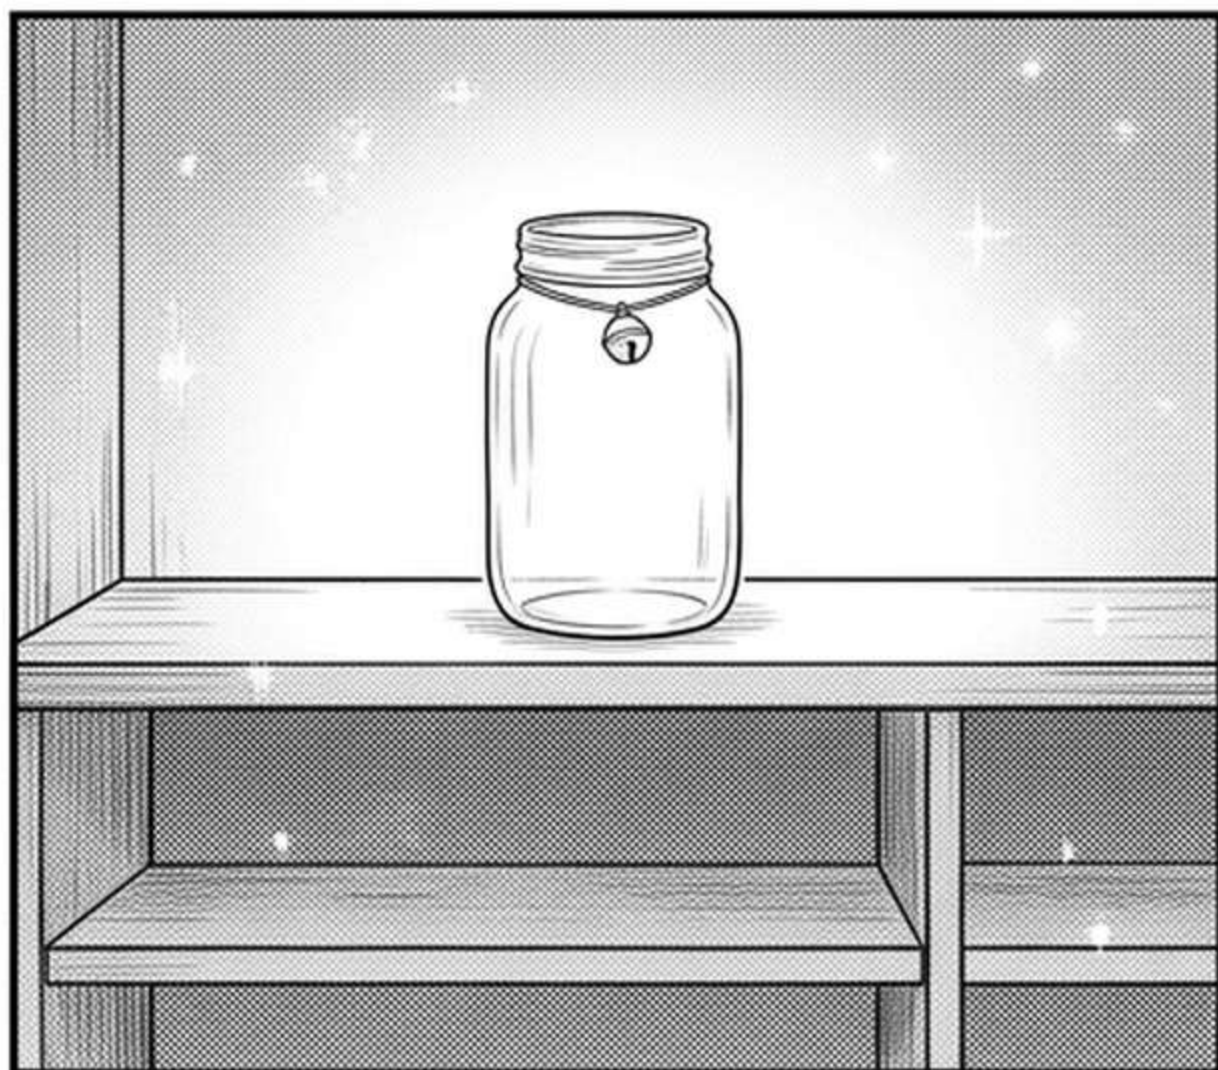

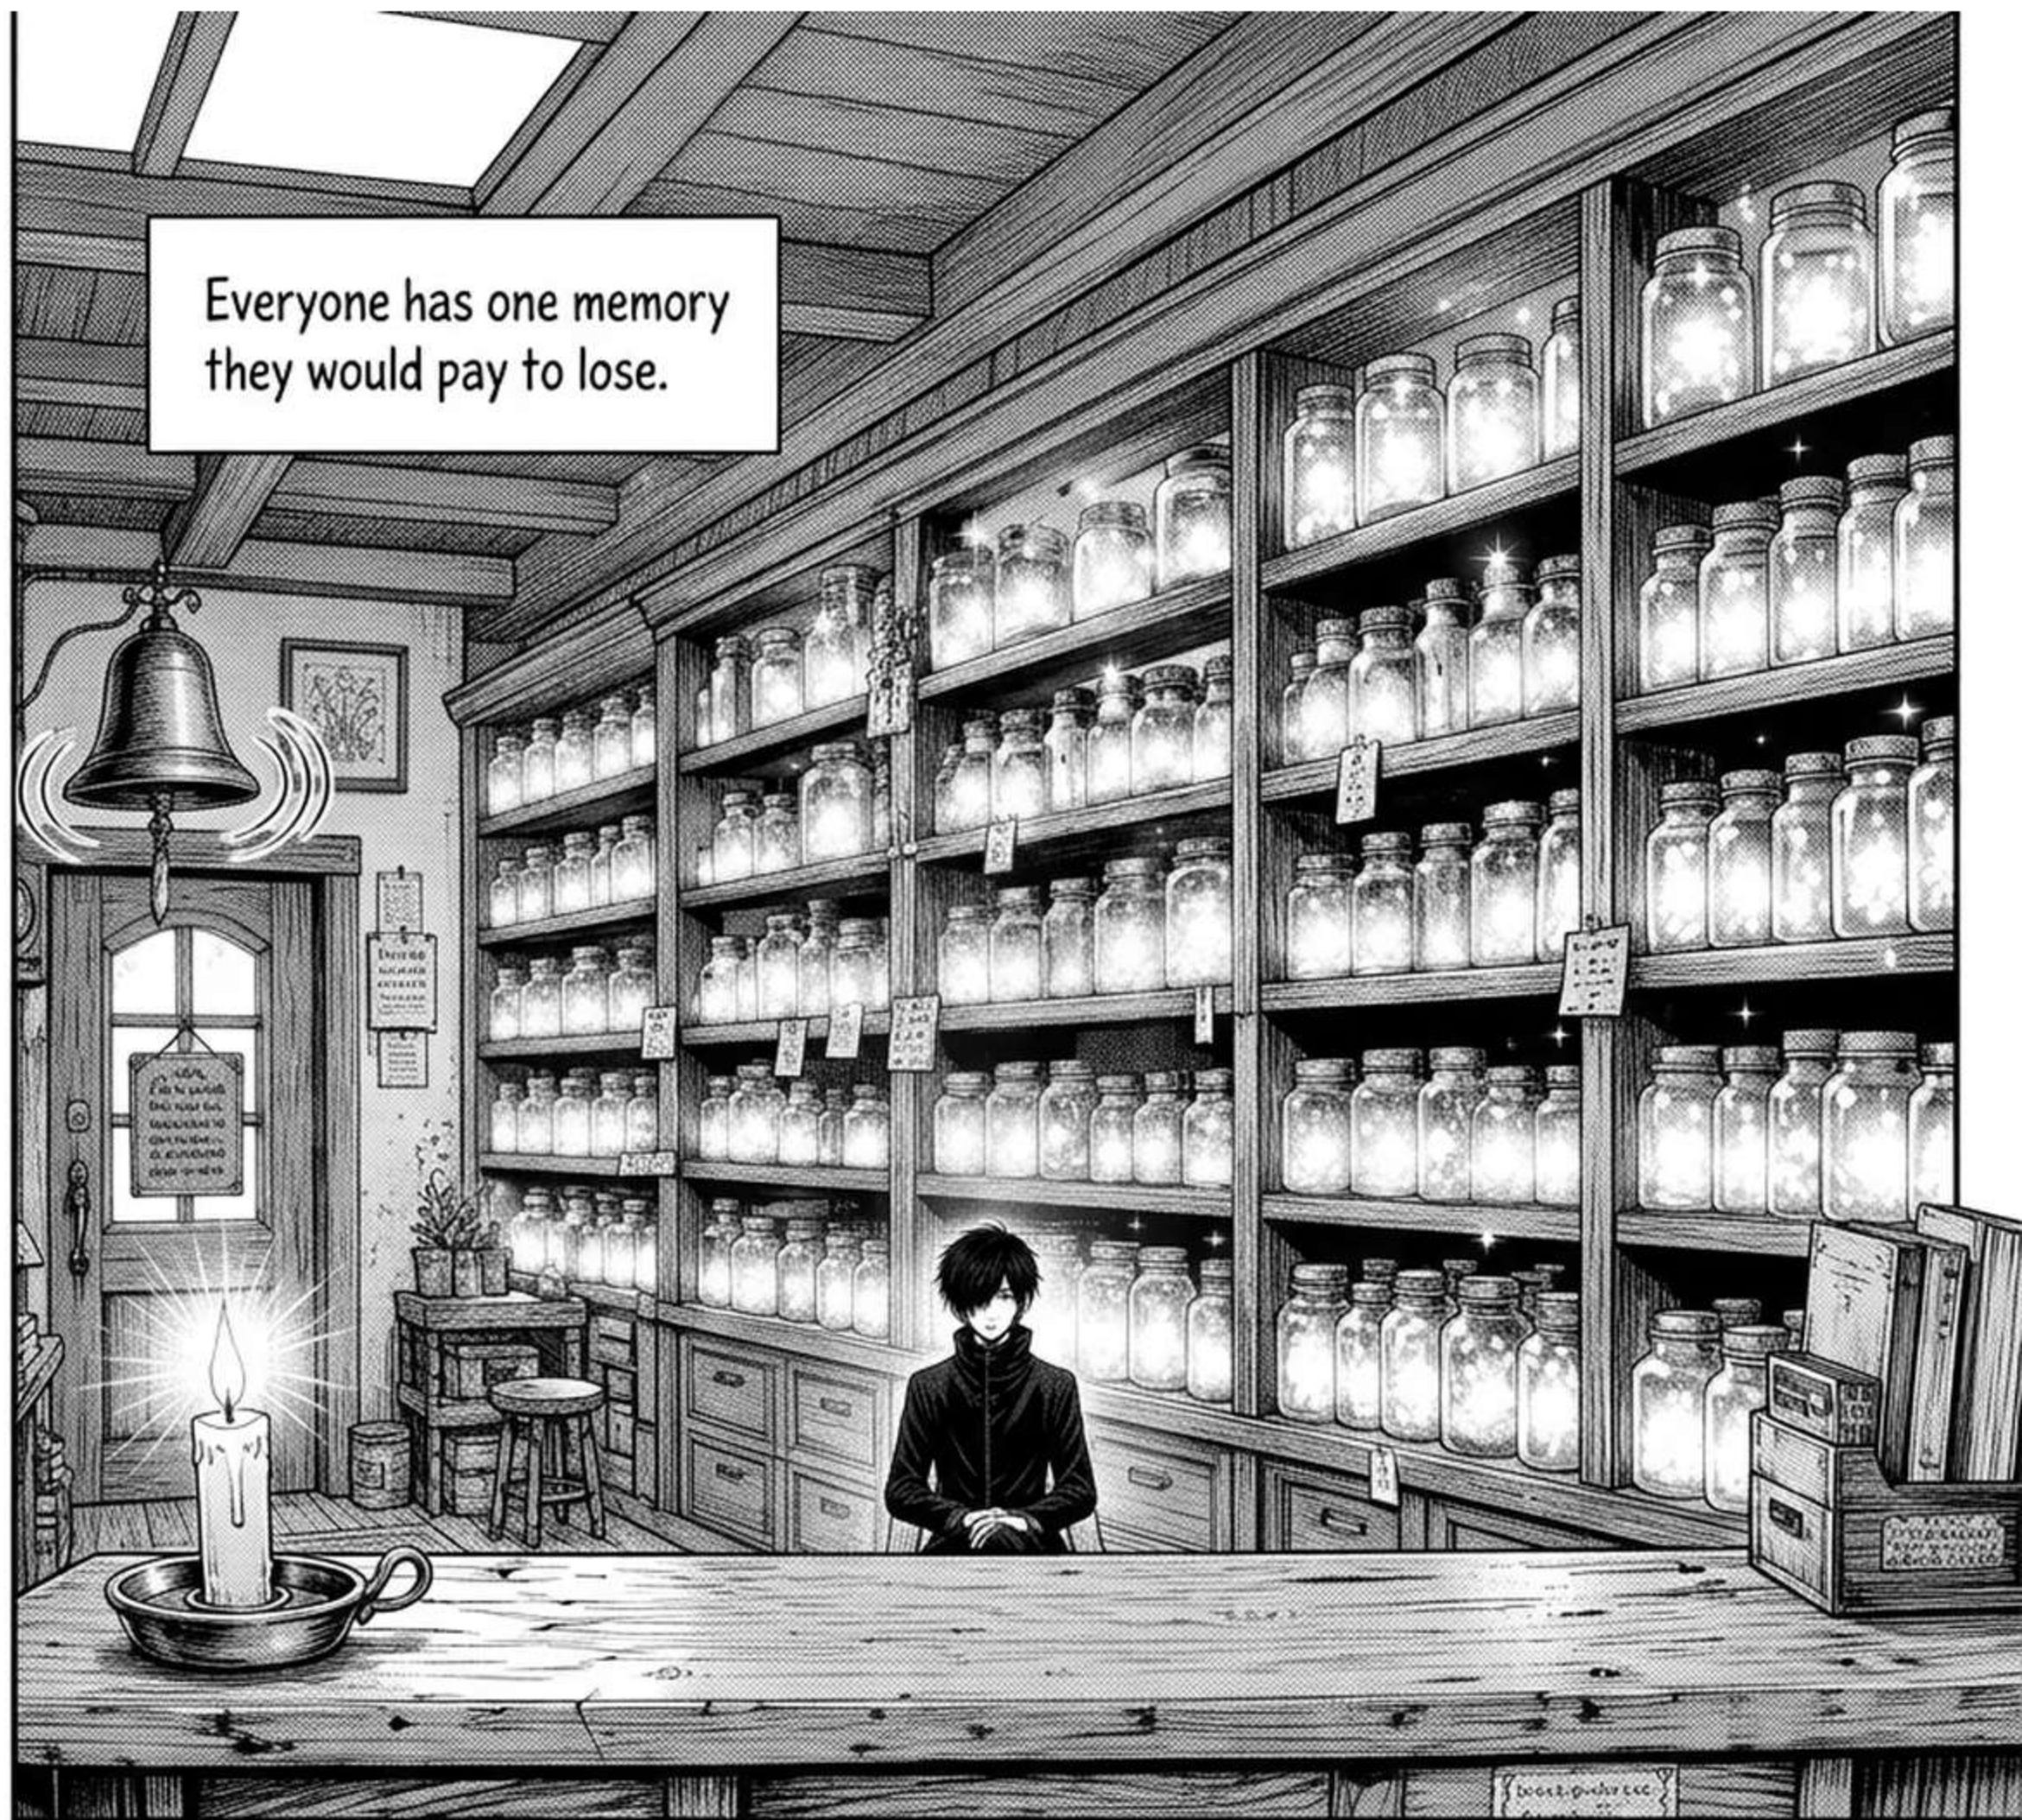

312 regrets
were never mine.
This one is.

Everyone has one memory
they would pay to lose.
